Interests & Experiences

Which Boards would you like to apply for?

Art in Public Places Advisory: Submitted

Why would you like to serve on this particular Board or Commission?

I am completing my first term on APPB, and I would like to follow through on projects we have in progress.

What volunteer or professional activities have you participated in that could apply to this appointment?

I'm currently Vice-Chair of APPB, completing a two-year term on this board. I am also involved with Fuller Lodge Art Center; I volunteer as coordinator for the ceramics studio and have been a juror for their exhibits.

The time involved may be 10-15 hours per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?

yes

What would you like to accomplish during your tenure on this Board or Commission? (Please identify any special interests you have that led you to become interested in serving on this Board or Commission.)

I'd like to continue working on the transition to a proper database to document our collection once that gets back on track. I'd also like to continue the board's efforts to find the best location for our existing pieces, to diversify the county collection with new acquisitions when possible, and to place more art in White Rock and non-downtown areas.

Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.

I'm currently Vice Chair of APPB, Chair of CDAB, and active in the local Democratic party, so I have had a lot of direct and indirect contact with this Board, with County staff in several departments, and with the County Councilors.

Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?

I am involved with the local arts community through Fuller Lodge Art Center, but in my two years on the Board there have been no conflicts, and I do not anticipate any will arise.

If you have any questions, please contact Barbara Lai at 505-663-3436 or barbara.lai@lacnm.us
