How did you learn of this Board/Commission vacancy?

**Do you currently serve on any County Board or Commission?**

---

Yes  No

---

If yes, which one? (Los Alamos County law prohibits residents from serving concurrently on more than one County board except as expressly approved in writing by the County Council before the appointment is made.)

---

## **Interests & Experiences**

**Which Boards would you like to apply for?**

---

Community Development Advisory: Submitted

**Why would you like to serve on this particular Board or Commission?**

---

I have been a homeowner in Los Alamos County for more than 10 years and just recently moved from Los Alamos to White Rock. I am aware of public concerns regarding code issues in the County and am interested in assisting the County in managing and responding to such concerns. As a homeowner (and previously, a tenant) who has lived in a number of neighborhoods in the County, I am familiar with the County Code and have a vested interest in making sure that the Code is written and applied in such a way as to best benefit the County and its inhabitants.

**What volunteer or professional activities have you participated in that could apply to this appointment?**

---

I am a partner in a law firm in Santa Fe. While my practice focuses primarily on labor and employment law, I have previously handled property law matters and am experienced in statutory interpretation and drafting legal documents.

**The time involved may be 10-15 hours per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?**

---

Yes.

**What would you like to accomplish during your tenure on this Board or Commission? (Please identify any special interests you have that led you to become interested in serving on this Board or Commission.)**

---

During my tenure, I hope to help address community concerns with the Property Code and assist the Council in developing, implementing, and enforcing the Code to best protect the health, safety, and welfare of the County's inhabitants.

**Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.**

---

In 2010, while employed as an associate attorney at Montgomery & Andrews, PA, I represented the Council in connection with matters associated with the construction of the then-new municipal building.

**Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?**

---

We recently purchased a new house in White Rock and I anticipate we will seek building permits for renovation work in the next year or two. While this will not come before the Community Development Advisory Board, I mention this out of an abundance of caution in order to alert the County to any potential conflicts of interest regarding application of the County Property Code.
