Title

Update on the 37th Street Play Lot Neighborhood Meeting

Body

On May 31 The Parks Division invited the neighbors of the 37th street play lot to an informational meeting on the future improvements at the play lot.

In attendance was Brian Brogan CSD Director, Jeff Humpton Parks Superintendent, and Parks and Rec Board Members, Stephanie Nakhleh - Chair, and Dina Pesenson. We also had in attendance eight to ten of the neighborhood residence.

Concerns:

- Removal of fence
- Sledding hill
- Removal of large swings
- Trail head access
- Picnic tables and ADA access
- Drainage through trail head
- Painting hopscotch on sidewalks
- Baby swings
- ½ court basketball court

Resolutions

- Replacement of fence with 4' fence without barbed top
- Move bench out of area of sledding runout
- Leave swings / increase fall zone area / possibly rotate to achieve fall zone
- Create double fence to trail head to lessen access by stray children.
- Create picnic area with ADA table / possible shade if trees do not provide enough
- Remove non-compliant slide and replace with 2-5 year old play structure
- Move swing and merry go round to accommodate play structure if necessary
- Install new borders around playground equipment and swings for fall zones
- Look at re-directing natural drainage away from trail head
- Cut down dead trees in slope and lay horizontal for erosion control as well as unwanted motor vehicles
- Painting hopscotch on the sidewalks
- Install baby swings on existing swing set

Once we get the green light on this project we will break this up into manageable projects that can be done in a few days at a time so as to not tear up the whole park. As an example we will work on the swings to completion prior to removing the slide and installing the play structure and then we may remove the old borders and install all new borders so as to not put the play lot out of service any longer that absolutely necessary. We will have the fencing contracted and will probably have it all installed over a couple of days' time.

4th Grade Swim Lessons (231 participants totaling 924 Visits for 4 Elementary schools):

From April 30th through May 24th, the Aquatic Center hosted swim lessons for Barranca Mesa, Chamisa, Mountain and Pinon Elementary 4th grade students. The kids enjoyed swimming with their friends, learning to dive off blocks, and fun time with the floats during each visit.

Staff In-Service (20 participants):

This year's staff in-service day (May 12th) included lifeguard recertification for all guards, a lifeguard agility test (a 500-yard swim, a 25 yard sprint, water treading with a brick, and a dummy rescue from the bottom of the pool – 13 feet), bloodborne pathogens training and emergency oxygen administration training. It was a long, hard day, but everyone passed with flying colors.

Aspen Elementary 4th Grade Field Trip (76 participants):

On Tuesday, May 29th, Aspen Elementary celebrated their last few days of school with a field day that included a stop at the Aquatic Center. The fourth graders enjoyed playing on the floating island and showing off their skills on the diving boards during their visit.

The first Splash-N-Dash of the summer took place on Wednesday, May 30th. There were approximately 50 racers, the youngest being 4 and the oldest in their early 70s. Splash in Dash races are truly all ages and all abilities.

Recreation

May the Fourth Be with You, Star Wars Day – Friday, May 4th, 155 participants:

Star Wars Day was a big hit again this year. Four movie characters traveled around town taking photos, making crafts and interacting with people. There was a great turn out for the costume contest with a variety of costumes and different aged participants.

Bike to Work Week Community Party – Wednesday, May 16th. 65 participants:

The first annual Community Party was enjoyed by attendees who biked and walked to Ashley Pond to enjoy a free hot dog, learn how to rack a bike on the ACT busses, stickers and the bike rodeo. We appreciate the support provided by Atomic City Transit, Environmental Services, the Engineering and Project Management Division, Los Alamos Fire Department and Los Alamos Police Department

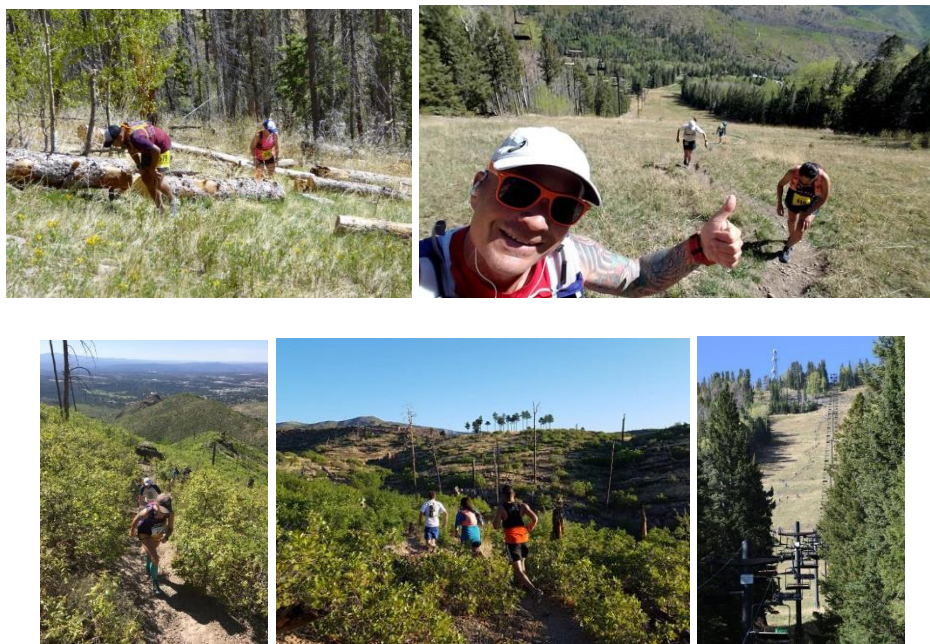

2nd Annual Bike to Work Day – Friday, May 18th, 75 participants:

Warm, snow-free weather made for a great event on the NW corner of Sullivan Field parking lot. Commuter cyclists were welcomed with fruit, water, coffee, stickers, bike pins and other prizes. The new County “Ride Share” bikes, assembled from recycled parts repurposed from the Eco Station, made their debut. We appreciate the support provided by Starbucks, Coca-Cola, Environmental Services, the Engineering and Project Management Division, Los Alamos Fire and Los Alamos Police Departments.

13th Annual Jemez Mountain Trail Runs – Saturday, May 19th, 615 participants, 150 volunteers:

“When I pop out, I am awarded with the best view of God’s County you will see anywhere,” are the words of one 50-miler as he ascended the ski hill to a clear view of the Caldera.

Rodeo Queen's Court Competition – Sunday, May 20th, 3 participants:

Congratulations to the 2018 Fair & Rodeo Queens Royalty Court! These young ladies demonstrated great horsemanship and speaking skills while honoring their rodeo heritage. The 2018 Rodeo court consists of Queen Rebecca Newell, Princess Kelsey Decker, and Sweetheart Carley Hollander!

Summer Concert Series Kick-Off – Friday, May 25th, over 350 participants:

Reggae filled the air around Ashley Pond as Dre Z Melodi kicked off the 2018 summer concert series. Over 13 vendors were situated in the parking lot, kids and adults were playing with the giant Connect 4 game boards by the CSD tent, and everyone milled around the pond dancing, talking and enjoying the music.

Los Alamos County Stage III Fire Restrictions

Los Alamos County Fire Department issued Stage III Fire Restrictions at 8:00 am on Friday, June 1st, which will prohibit access to **unpaved trail** systems within the County. Fire Danger within the County remains very high to the extreme due to drought conditions. Stage III Restrictions will remain in effect until significant moisture and conditions have improved. The decision to move forward with Stage III Fire Restrictions has been coordinated with local agencies including LANL, SF National Forest, Bandelier National Park and the Northern Pueblos Association.

The closure order prohibits access to all **unpaved trails** within Los Alamos County. Camp May and all **unpaved trails** and trailheads will be closed to the public. The only exception to this will be the Canyon Rim Trail and La Mesa Trail in Los Alamos, and paved access to Overlook Point in White Rock. The indices that LAFD uses to predict fire danger are at historic levels well before any significant moisture from the seasonal monsoons. Under current conditions, any fire could cause a catastrophic event. With such a dangerously high fire risk, the County wishes to take every precaution to protect our natural and cultural resources and asks the public to cooperate with the new restrictions.
