TOTAL		\$ 3,992,096	\$ 2,179,895	\$ 1,812,201

Capital Breakdown

	Total	Federal Share	Local Share
Capital to Subgrantee	\$ 380,100	\$ 304,080	\$ 76,020
Capital to Vendor	\$ -	\$ -	\$ -
List Vendor if utilizing Capital to Vendor (if applicable)	\$ -	\$ -	\$ -
♦ TOTAL should equal 'Capital' amt. above	\$ 380,100	\$ 304,080	\$ 76,020

Capital to Vendor – When you purchase capital using a state approved price agreement. You will make a check to the awarded vendor for the 20% local share, and send the check to NMDOT's Transit and Rail Division. At delivery, your check is given to the vendor, and NMDOT is billed for the difference.

Capital to Subgrantee – When you purchase any approved capital item that is not on a state price agreement, including large buses, radios, and other requested capital. You will initially pay 100% of the purchase. Upon submitting the appropriate documentation to the Transit and Rail Division, you will be reimbursed 80%.

THIS IS NOT AVAILABLE FOR NON-PROFIT ORGANIZATIONS

IV. Program Description

A. Check all that apply:

<input checked="" type="checkbox"/>	Fixed-Route - vehicles will travel on specific roads and stop at pre-designated locations according to a schedule
<input checked="" type="checkbox"/>	Demand Response - vehicles pick people up when they need a ride (similar to a taxi service)
<input type="checkbox"/>	Modified fixed route - vehicles travel from Point A to Point B but go out of the way to pick up or drop off passengers

B. List all the municipalities and counties served by your program:

The entire County of Los Alamos and a very small portion of Sandoval County are served by this 5311 program. Los Alamos County includes the communities of Los Alamos and White Rock. Atomic City Transit also operates Fixed-Route Service to the Bandelier National Monument Visitor Center, which is located just inside Sandoval County.

C. This request for funding will (check all that apply):

<input type="checkbox"/>	Start up new services
<input type="checkbox"/>	Reduce service from current level
<input checked="" type="checkbox"/>	Maintain service at current level
<input type="checkbox"/>	Expand existing service to additional areas

D. If applicable, please briefly describe the new or expanded service.

Los Alamos County is in the 5th year of an agreement with the National Park Service (NPS) for the Bandelier Shuttle, which operates seasonally from approximately March to October. The shuttle route runs between the White Rock Visitor Center and Bandelier National Monument seven days a week (including holidays) during the season. Buses operate every 30 minutes from 9:00 a.m. to 5:00 p.m. Monday through Friday, and every 20 minutes during the same hours on Saturdays and Sundays. NPS has already indicated to the County that it would like to re-up the agreement for another (7th) year in 2018, and is laying the groundwork for a long-term (5-7 years) agreement, starting in 2018.

V. Description of Service Area

A) Check the most appropriate description of your community:

	Urbanized Area (UZA) or Large Urban areas with population of 200,000 or more
	Small Urban areas with population of 50,000 – 199,999
✓	Non-urbanized/Rural (50,000 people or less)

B) Please complete the following demographic information for your service area. Exact counts are preferred, but estimates are acceptable. For this section, you are describing the same population two different ways, so your total number of population served by ethnicity category should equal the total number of population by elderly or disabled status.

Ethnicity Category	Population	%
Black	97	1%
Hispanic	2,646	15%
Asian or Pacific Islander	1,060	6%
American Indian or Alaskan Native	111	1%
White	13,689	76%
Other	347	2%
	17,950	100%

$$= \text{TOTAL}^* =$$

%	Population	Elderly/Disabled Category
15%	2,686	Elderly (65 and over)
N/A	N/A	Data not available for 2010 Census. Most recent data from 2000 Community Survey is 1,935 age 5 and over.
85%	15,264	Other (everyone else)
100%	17,950	

*These totals should equal.

1. Source of Information (if other than US Census Bureau):

Note: 2010 Census Data

2. Please provide and check:

- ✓ Map of Service Area (on 8 1/2 x 11 page)

See following page.

IX. Program Coordination

- A. Please attach a description of your efforts to coordinate service with other organizations (i.e. senior centers, other §5310, and §5311 providers), local governments, etc.

Locally, Atomic City Transit (ACT) promotes services through large employers such as Los Alamos National Laboratory, Los Alamos County (LAC), the University of New Mexico – LA, and Los Alamos Public Schools. ACT also provides seasonal services to the Pajarito Mountain Ski Hill for annual Skiasta, Summerfest, Ullrfest, Endurofest. In addition, ACT provides safe-ride home transportation services for New Year's Eve, St. Patrick's Day, Independence Day, and Halloween annual festivities.

LAC is a member of the Chamber of Commerce, which ensures that the transit system will meet the needs of local businesses. LAC coordinates with the School District to meet the growing need of students utilizing public transportation for after-school events. LAC also works with the Betty Ehart Senior Center in an effort to coordinate with them and not duplicate transportation services for seniors. This cooperation includes working with the private transportation services provided by the Sombrillo and Aspen Ridge assisted living centers. ACT provides annual transportation services for Earth Day festivities within Los Alamos County.

Regional coordination includes participation in the North Central Regional Transit District (LAC is a Board member), to ensure connectivity throughout the region, including between ACT buses and the Blue Bus. ACT participates in regional coordination meetings organized by the New Mexico Department of Transportation (NMDOT) and coordinates with NMDOT to

ensure easy transfers between ACT buses and New Mexico Park-and-Ride. ACT also coordinates with the National Park Service in order to provide ADA-accessible service for all local, regional, national and international visitors to Bandelier National Monument.

With the passage of the legislation creating the Manhattan Project National Historic Park, the Department of Energy and the National Park Service continue to work together to establish the park and planning processes. The new park is an exciting prospect for the community and will acknowledge the critical role that Los Alamos played in the success of the Manhattan Project. Additionally, with Bandelier and the transfer of the Valles Caldera to the National Park Service, Los Alamos could serve as the gateway for these three diverse parks which will allow visitors to learn about and enjoy the culture, historical and natural offering of Los Alamos County. ACT will be the primary transportation provider for the Manhattan Project National Historic Park.

ACT actively partners with Los Alamos Public Schools to provide annual bus safety trainings to educate students (Kindergarten–8th Grade) about the differences between public transit and school buses. Students also receive hands-on training utilizing bike racks mounted on transit vehicles. Students receive a safety coloring book and a customer service policy. Future trainings will include demonstrations on how to access real time bus route information currently available on the internet.

The entire ACT transit system, including fixed-route and paratransit service, is consistent with the NPRPO Coordinated Public Transit-Human Services Transportation Plan. Specifically, 5311-funded routes serve areas within the county that would otherwise be unserved or underserved by public transit, while providing connections to other regional routes to Pojoaque, Espanola, Taos, Santa Fe and the Albuquerque metro area. All ACT vehicles, including vehicles used on 5311 routes, are ADA-accessible.

Please document when and where your public notice appeared and discuss the responses received.

A public notice of intent to apply for federal funds and public hearing was published in the Los Alamos Monitor on Sunday, July 24, 2016. The public hearing was held at the regularly scheduled meeting of the Transportation Board – a committee appointed by the County Council – on Thursday, August 4, 2016. Three (3) members of the public were in attendance at this meeting, and no comments were received on the application or the transit program. The 30-day public comment period expired on Tuesday, August 22, 2016, and no comments were received on the application or the transit program. Attached is affidavit of the public notice.

**INCORPORATED COUNTY OF LOS ALAMOS RESOLUTION NO. 16-16
A RESOLUTION OF THE INCORPORATED COUNTY OF LOS ALAMOS COUNCIL
AUTHORIZING APPLICATION FOR FEDERAL TRANSIT ADMINISTRATION SECTION 5311
RURAL TRANSPORTATION PROJECT FUNDING FOR FY18**

WHEREAS, The U.S. Department of Transportation is authorized to disburse grants to States through the Federal Transit Administration (FTA), Federal Transit Section 5311 grant program to fund rural transportation projects (Section 5311 funding) as found in 49 U.S.C. § 5311; and

WHEREAS, the New Mexico Department of Transportation Transit and Rail Division (NMDOT) is the oversight and planning body for the region for Section 5311 grants; and

WHEREAS, eligible local governments wishing to receive Section 5311 funding must submit an application first with NMDOT and through the Northern Pueblos Regional Planning Organization (NPRPO) for review and possible inclusion on the State and regional Section 5311 funding listing; and

WHEREAS, the NMDOT has allocated FTA Section 5311 funds toward the administrative, operating and capital assistance for the Incorporated County of Los Alamos (County); and

WHEREAS, the County is an eligible project sponsor for FTA Section 5311 funding and is authorized to submit an application to receive FTA Section 5311 funding; and

WHEREAS, the County wishes to submit a grant application to NMDOT and NPRPO for eligible Section 5311 rural transit related projects.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE INCORPORATED COUNTY OF LOS ALAMOS, that the County Council, by adopting this resolution, does hereby authorize the County's Transit Division to submit an FTA Section 5311 grant application on behalf of the County.

BE IT FURTHER RESOLVED that the County Manager is authorized to execute any necessary documents with NMDOT or FTA, or related agency, for receipt of such funding and is authorized to commit to the required local match of \$ 1,812,202 for the 2018 Fiscal Year.

PASSED AND ADOPTED this 30th day of August 2016.

Pete Sheehey

COUNTY MANAGER

Harry Burgess

Since the County assumed ownership of the local transit system in October 2007, we have been operating a successful system with tremendous growth in ridership. The County recognizes the valuable contribution of Atomic City Transit to the community and will continue to support this service in the future, as long as funding is available.

For Federal Fiscal Year 2018, the County is committed to matching the federal transit funds received through the New Mexico Department of Transportation as follows:

	Total	Federal Share	Local Share
Administration	\$ 232,722	\$ 186,178	\$ 46,544
Operating	\$3,379,274	\$ 1,689,637	\$ 1,689,637
Capital	<u>\$ 380,100</u>	<u>\$ 304,080</u>	<u>\$ 76,020</u>
Total	\$3,992,097	\$ 2,179,895	\$ 1,812,202

Thank you for your continued support and assistance, which is a contributing factor to the overall success of Atomic City Transit.

Sincerely,

Harry Burgess
County Manager

Please attach an essay no longer than five pages. The Operations Profile in Section XI will not be counted as part of these five pages. Explain in detail the need for this program. Please include any changes or expansions in your program and tie them to your budget request. Please include your mission statement, goals and objectives for your program for this Application Year.

PROGRAM NEED:

ACT provides full transit service, including fixed-route service in Los Alamos and White Rock, ADA complementary paratransit service with an origin and destination anywhere within Los Alamos County, evening Dial-a-Ride service when the fixed route buses come out of service, afternoon express service from area schools and seasonal shuttle service from White Rock to Bandelier National Monument. During the first nine years of operations, ridership has far exceeded any reasonable expectations, as follows:

FY08 – 254,502 one-way trips

FY09 – 403,342 one-way trips

FY10 – 433,819 one-way trips

FY11 – 449,729 one-way trips

FY12 – 562,226 one-way trips

FY13 – 550,808 one-way trips

FY14 – 526,333 one-way trips

FY15 – 538,613 one-way trips

FY16 – 336,657 one-way trips (through June 2016)

The success of the system can be attributed to many factors, including involvement and dedication from NMDOT, County Council, employees and citizens; high gas prices; an environmentally conscientious community; a central employment generator; few major arterials and limited connecting roads; a unique land use environment with high density areas; trails linking housing and businesses to the transit routes; and, perhaps most notably, no user fares on any mode.

As stated below, the mission of ACT is to “improve and strengthen mobility in Los Alamos County through an effective, efficient and dependable transit system.” As demonstrated by ridership numbers, the community as a whole has benefited from the measurable improvement of mobility in the county. Providing 5311 funding for the ACT system will allow the system to maintain its ongoing success.

CAPITAL REQUEST

As shown in the Capital section, this request includes funding for one (1) 30-ft heavy-duty, low floor bus for the fixed route service, to replace an older units that has exceeded its useful life in transit service. The Comprehensive Transit Study and Five-Year Plan, completed in June 2015, examined the vehicle needs for Atomic City Transit and recommended replacing all current fixed-route buses with heavy-duty transit buses of a standard brand and type, with approximately 30 seats each. Per FTA standards, heavy-duty vehicles are designed to last approximately 12 years and 500,000 miles. Although the initial purchase price is higher, the transit study shows that converting to a heavy-duty fleet will prove to be economical for ACT in the long run.

Mission Statement:

The Mission of Atomic City Transit is to improve and strengthen mobility in Los Alamos County through an effective, efficient and dependable transit system.

Goals:

The goals of Atomic City Transit are to:

1. Transport people to places they want to go, when they want to go, with as little delay as possible, in order to make the trip within a reasonable amount of time;
2. Coordinate with other transportation systems that operate within Los Alamos County so that the public systems operate as a single system;
3. Consolidate transit systems where possible so the funds are utilized more efficiently;
4. Maximize the efficiencies within the system;
5. Provide an alternative mode of transportation which is appropriate for this community; and
6. Enhance other modes of transportation through the transit system.

Objectives:

The objectives of Atomic City Transit are to:

1. Establish effective routes in each of the residential communities with routes directly to the employer bases (Downtown and LANL).
2. Establish routes that will be fluid so they can be easily restructured, as needed to be efficient and effective.
3. Establish effective working relationships with New Mexico Park and Ride, North Central Regional Transit District, LANL and the Betty Ehart Senior Center so that routes and schedules are coordinated as much as possible.
4. Establish intelligent technology systems that will improve the efficiencies of all services.
5. Research alternative fuel buses such as hybrids, fuel cell or electric, as appropriate. Determine what type would be acceptable for the Los Alamos community and over time convert the system to alternative fuel buses if a cost-benefit analysis indicates an advantage.

6. Ensure that buses have bike racks, bus stops and shelters have ADA access, and transit centers have appropriate rider amenities such as benches, bike lockers, trash cans, bathrooms, parking, real-time transit information and effective pedestrian access.

Brief Description of Transit Program

Service Area:

For the local public transportation program, the service area incorporates all of Los Alamos County, which includes the communities of Los Alamos and White Rock.

Route Design:

Routes are designed on a timed transfer system similar to how packages are distributed by Federal Express. Routes come together at the Transit Center where passengers can then transfer to other routes.

It is the goal of Atomic City Transit to ensure that the elderly, mobility limited, low-income and school age children are well served. It is also a goal to serve those citizens who have a choice in transportation modes, for example, those that are environmentally conscious, financially prudent and health aware. Due to these demographics the County's transit system is reliable, coordinated, consolidated, rapid and direct.

Schedule:

Schedule includes:

- Hourly service on five neighborhood routes (Main Hill to/from White Rock, Truck Route to/from White Rock, Canyon/Central, Barranca Mesa and North Mesa) between 6:00 a.m. and 7:00 p.m.
- Twice an hour service on one neighborhood route (North Mesa) during peak periods.

- Service every 30 minutes on two routes (Downtown Circulator and North Community) between 6:00 a.m. and 7:00 p.m.
- Service every 15 minutes on the Downtown Circulator during peak periods.
- ADA Complementary Paratransit Service for individuals with disabilities during the same days and hours of the fixed route service.
- Dial-a-Ride service for the general public between 6:30 p.m. and 9:00 p.m. Monday through Friday.
- Seasonal service between White Rock and Bandelier National Monument 7 days per week from approximately 9:00 a.m. to 5:10 p.m. Frequency is every 30 minutes on weekdays and 20 minutes on weekends.
- Afternoon Express service operates only on school days and is open to the general public. In addition to scheduled drop off locations, Afternoon Express buses drop riders off at other marked bus stops along each of the routes, with the exception of bus stops located on Trinity Drive.

Fare Structure:

All Atomic City Transit services are free to the general public.

Advertising/Marketing:

The following marketing efforts, as well as others, are ongoing:

- Logo and Tag Line developed and used consistently for brand awareness;
- Buses painted uniformly;
- Presentations given to various community groups;
- www.AtomicCityTransit.com website promoted and updated regularly;
- Schedule available in numerous locations throughout community—Professional Ride Guide in development;
- Various ads run in local newspaper, radio station and at local movie theatre;
- Annual Earth Day Ridership Contest coordinated with Los Alamos National Laboratory;
- Bus Safety Training Program presented to all Los Alamos Public Schools.

CUSTOMER SERVICE POLICY

Atomic City Transit (ACT) is committed to providing safe, accessible, professional, & timely services for all customers. Such service can only be provided when passengers respect & follow certain courtesy & safety rules. Passenger safety & welfare is contingent upon all passengers abiding by this Customer Service Policy. Therefore, please obey the following rules while using this service:

- 1. Observing Instructions:** The driver is responsible for the safety & welfare of the passengers riding inside the transit vehicle. Therefore, passengers shall abide by the instructions of the driver at all times.
- 2. Courtesy & Behavior:** Passengers are expected to act in a courteous manner at all times while riding in the vehicle. Any passenger who is verbally or physically abusive to other passengers or to the driver will be asked to exit the vehicle immediately.
- 3. Boarding the Vehicle:** Prior to boarding any transit vehicle, first allow all exiting passengers to get off the bus.
- 4. Inside Seat:** Move to an inside seat & place your belongings on your lap so other riders may use the seat next to you.
- 5. Feet Off the Seats:** Passengers are to keep their feet off the seats & remain seated while the bus is in motion.
- 6. Exiting the Vehicle:** Do not attempt to stand or exit the vehicle until it comes to a complete stop.

7. Profane Language: Any person using profane language on the bus, towards the driver, towards other passengers, or even where other passengers can hear it, may be asked to exit the vehicle immediately.

8. Horseplay & Fighting: Passengers must refrain from horseplay or fighting on the vehicle or while boarding & exiting the vehicle. In the event of such activity, the driver will immediately stop the vehicle & ask the passenger to exit the vehicle immediately. If deemed necessary, the driver will contact the police.

9. Lost or Stolen Property: Passengers are expected to maintain control of their possessions while riding in the vehicle. ACT is not responsible for any lost or stolen property.

10. Food & Beverages: All drinks must have spill proof lids. Please clean up your food, drinks, & garbage prior to exiting the bus.

11. Good Personal Hygiene: Passengers are asked to maintain good personal hygiene so as not to offend other passengers.

12. Alcoholic Beverages & Illegal Drugs: Open alcoholic beverage containers & illegal drugs are not permitted on the vehicles. Any person found in possession of such items will be reported to the police.

13. Under the Influence: At the discretion of the driver, any person who appears to be intoxicated or under the influence of drugs or alcohol may be denied service or asked to exit the vehicle.

14. Illegal Weapons: Illegal weapons or any other device carried with the intent of causing bodily harm to another individual are not allowed on any vehicle at any time. Any person found in possession of an illegal weapon or device will be reported to the police.

15. Vandalism: Any vandalism to the vehicle, either interior or exterior, will result in the passenger's suspension from using the service.

16. Tobacco Free Zone: All vehicles are tobacco free. The use of tobacco of any kind is not permitted on the vehicles.

17. Trash Removal: Passengers are to remove all their trash upon exiting the vehicle.

18. Dial-A-Ride Buckle Up: On all Dial-a-Ride vehicles, passengers must buckle up prior to the driver proceeding with the trip.

19. Service Animals: Only service animals accompanying individuals with disabilities will be allowed on the vehicles.

20. Emergency Instructions: In the event of an emergency, all passengers are to explicitly follow the instructions given by the driver. If a vehicle evacuation is deemed necessary, the driver will instruct passengers with the appropriate actions.

As a passenger, if you see any violation of this policy by other passengers, immediately report it to the driver.

Because the safety & welfare of all passengers is important to ACT, services will be denied to any person who places other passengers or the driver at risk. Any passenger who violates these rules may be prohibited from using this service.

RIDER TIPS

Here are some tips that will help you have a safe & enjoyable ride on Atomic City Transit (ACT). If your children ride, please review this policy with them & teach them these tips.

- **Review Routes & Be Early:** Review the schedule & be at your bus stop location five minutes before the bus arrival time. If it's dark, stand in a lit area.
- **Never Run For the Bus:** If you are late to your stop, never run for the bus or into the street to catch it. At this point, you will need to wait until the bus circulates back in order to ride.
- **Boarding the Bus:** Let the riders off the bus before you board. Quickly find a seat.
- **Body Parts & Objects:** Keep all body parts & objects inside the bus at all times.
- **Remind the Driver:** When the bus is about a half block away from your stop, inform the driver that you would like to exit the bus.
- **Exiting the Bus:** When exiting the bus, exit quickly but do not run. Take four steps away from the bus before walking to your destination.
- **Crossing the Street:** After exiting the bus, remember that you are now a pedestrian & the rules of the road apply. Always wait until the bus leaves before crossing the street.
- **Cross Behind the Bus:** If you are crossing the street after exiting the bus, wait until the bus leaves & cross behind the bus; never in front.
- **Surrounding Traffic Does Not Stop:** When the bus is stopped, surrounding traffic is still moving. Never step in front of moving traffic.
- **Bike Racks:** Always notify the driver before you stow your bike & notify again when you are going to remove your bike from the rack. Put the rack in the up position after removing your bike.

- **Standing Room Only:** Please offer your seat to an elderly or disabled person when there is standing room only. Then move quickly to the back of the bus & hold onto the rail.
