1. Why would you like to serve on this particular Board?

Los Alamos County is a unique county that offers its residents and visitors the beauty of the Pajarito Plateau and Jemez Mountains, a community focus on science and education, and rich history and new Manhattan Project National Monument. As a result, Los Alamos has a bright future as the community evolves and grows. I am applying for this board to contribute to the community, help preserve and improve open spaces, parks, and recreational spaces, improve the quality of life for Los Alamos families, and help the county grow sustainably while still attracting visitors/tourists and making the town as attractive as possible for current and new residents. I am an avid golfer, skier, trail runner and race participant, including organizer of the 1st Race for her Life in Los Alamos, and coach of youth league sports (LAYLAX).

2. What volunteer or professional activities have you participated in that could apply to this appointment?

I have been involved in the following volunteer positions:

Coach of LAYLAX youth lacrosse

Organizer of Relay for Life runs

President, treasurer and young leader of Hadassah Women's organization

Member of Los Alamos Golf Association, and active participant in Los Alamos golf community (leagues, tournaments)

In my professional job, I am a scientist at the Laboratory, and have been an active mentor to peers and numerous students and post-doctoral fellows. I managed the Detonation Physics team and LANL gas gun facilities for 12 years, and am a program manager that supports ~100 scientists

3. The time involved may be 10-15 hrs per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?

Yes

4. What would you like to accomplish during your tenure on this Board or Commission? (Please identify any special interests you have that led you to become interested in serving on this Board or Commission.)

I would like to see proposed improvements in recreational facilities come to fruition, and for the community to be more engaged in parks and recreation and what the many facilities and parks within Los Alamos have to offer.

I am particularly interested in the Golf Course, pool improvements, dog park and additional park spaces for families.

5. Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.

No

6. Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?

No
