

RULES AND REGULATIONS
REVISION 2006
LOS ALAMOS COUNTY
BOARD OF PUBLIC UTILITIES

PREFACE

The following rules and regulations for electric, gas, water, and sewer service have been adopted by the Los Alamos County Board of Public Utilities pursuant to the ~~Los Alamos Public Code~~ Los Alamos County Code of Ordinances, Section 14-8-1 and 14-1-11 Section 40-45. These rules were updated in their entirety in have been updated through May 2006. Subsequently, when rules are changed, their revision dates are noted in the footers of those sections.

These rules and regulations are to be used in conjunction with the Los Alamos County Code of Ordinances and Los Alamos County Utility Department Construction Standards.

The rules and regulations are divided into major sections to include the general Rules that apply to the entire utility and a section for each specific utility. The major sections include General Rule, Electric, Gas, Water, Sewer, Subdivision, and Fee Schedule. Appendix I is included for reference and are not a formal inclusion of the rules.

Each rule is numbered using the designation for that section. Each rule number consists of two parts separated by a dash. The figure before the dash refers to the Section, i.e., GR for General Rule Section. The figure after the dash refers to the position of the part within the rule. Thus, the second rule of the GR section is numbered GR-2 and the first part of that rule is numbered GR-2.01. Under this system, each rule is identified with its section and each part is identified within its rule. New rules and parts within rules can be inserted in their proper place by using the decimal system.
