## **Interests & Experiences**

**Which Boards would you like to apply for?**

---

Community Development Advisory: Submitted

**Why would you like to serve on this particular Board or Commission?**

---

Because I believe the people as a whole in our community do not feel heard and I would love to help to assist in helping both sides reach and perhaps see a middle ground.

**What volunteer or professional activities have you participated in that could apply to this appointment?**

---

In my previous hometown of Virginia Beach, I would volunteer with the local HOA to identify the needs of homes that required substantial assistance and work in conjunction with the local churches to help get some of the work completed.

**The time involved may be 10-15 hours per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?**

---

Yes, and if it exceeded 15 hours I would still be able to serve and maintain my present duties as well.

**What would you like to accomplish during your tenure on this Board or Commission?  
(Please identify any special interests you have that led you to become interested in serving  
on this Board or Commission.)**

---

I would like to accomplish a sense of community both with the citizens and with the council. We are a small town, and while we do have a need for the CDD we also need the citizens to feel like they are also being respected throughout the process.

**Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.**

---

No, I have never met any of the members personally. Only in attending the council meetings.

**Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?**

---

No
