## Interests & Experiences

**Which Boards would you like to apply for?**

Personnel: Submitted

**Why would you like to serve on this particular Board or Commission?**

Over the last several years, I have learned about the different boards that exist in the county and have been exploring opportunities to volunteer on these boards. The personnel board would be my first board to volunteer on, but I hope to become involved in many different boards in the future. I think the personnel board is a good starting point because the county personnel are the core of all county operations. Within the scope of this board, I hope to help ensure the county staff are happy and good at their jobs. Selfishly, I also hope to learn more about the people that contribute to making Los Alamos what it is.

**What volunteer or professional activities have you participated in that could apply to this appointment?**

I graduated from Leadership Los Alamos in May 2018. During LLA, I learned a lot about Los Alamos County, including the different boards that serve important roles in the operation of the county. My experience with Leadership Los Alamos is a main motivator for me to apply to this board, which would be my first county board.

**The time involved may be 10-15 hours per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?**

---

Yes.

**What would you like to accomplish during your tenure on this Board or Commission?  
(Please identify any special interests you have that led you to become interested in serving on this Board or Commission.)**

---

My goals are broad. As described above, my serving on this board will be as much an educational experience to me as it will be a community service. Within the scope of the board, I hope to help ensure community personnel are qualified and happy in their positions. I also hope to learn more about the people who do the good work of running the day-to-day operations for the county.

**Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.**

---

I know several members of this board through Leadership Los Alamos, but this familiarity is not associated with this board.

**Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?**

---

No.
