### **PLEASE NOTE:**

**If you reside outside Los Alamos County, you are not eligible for appointment.**

Briefly state your reason(s) for wanting to serve on this committee and please give any background information and/or prior experience pertinent to this position.

I have lived in Los Alamos for over 30 years and would like to give back to our community. I have recently picked up the game of golf and love it. I love being outdoors on our beautiful golf course with beautiful views, while being with my friends and family. I believe being a part of GCAS would be a great way for me to give back to our community while working to improve and sustain our wonderful golf course facility.

Briefly state your understanding of the key issue(s) facing this subcommittee.

In the past years, we have had a lack of rain fall and the irrigation system for the golf courses seems to have its issues. I believe it was part of the CIP projects and while it is unsure what will happen to the CIP we need to continue to press forward with the irrigation system - if not the course will not be able to be sustained. We have seen the course drying out and struggling with the water issues and we need to ensure we have a planned, focused path forward so our golf course does not wither away. We also need to come up with an annual plan to review our rates, recommend and seek approval from the Parks and Rec Board and communicate the information to the community in a timely manner. I believe we can improve our food and beverage services at the golf course facility and would like to work with the appropriate staff/entities to improve these services.

Upon completing this form, please return to the address listed below.
