

# LOS ALAMOS

where discoveries are made

## Aquatics

### **New Mexico Swimming 2019 Championship Meet – March 2<sup>nd</sup> & 3<sup>rd</sup>, 1199 attendees**

The Walkup Aquatic Center hosted the New Mexico “B” short course championship meet. This meet attracted novice swimmers and their families from all over the state.

### **Los Alamos High School Freshmen PE Kickoff – March 4<sup>th</sup>, 315 freshmen**

During the 3-week Freshman PE sessions, 9<sup>th</sup>-grade students learned hands-only CPR, safe rescue techniques, and stroke development. The final day of class included relay races and gutter-ball (a modified water polo game).

### **Spring Forward Warm Water Weekend – March 9 & 10<sup>th</sup>, 862 attendees**

Because it was the time-change weekend, the theme was “Spring Forward.” There was a floating island and a large, colorful flower scattered around the shallow end for kids and adults to enjoy.

### **Pre-Pi/Pirate Wacky Wednesday – March 13<sup>th</sup>, 42 attendees**

In honor of Pi Day, the Aquatic center hosted a Pre-Pi/Pirate Wacky Wednesday. There were pirate ships and pizza slices for the kids to enjoy. Pirate and slices of pizza inflatables in the water for the patrons.

### **Pajarito Mountain Ski Patrol Training – March 17<sup>th</sup>, 8 participants**

Pajarito Mountain Ski patrol conducted an in-water training at the Aquatic Center to cross-train their staff on immobilizing spinal injuries on the mountain.

### **Lifeguard Certification Training – March 25<sup>th</sup> through March 29<sup>th</sup>, 16 participants**

Lifeguard candidates participated at the Aquatic Centers lifeguard certification class, including Dan Erickson, the new PROS Manager. All of the candidates passed the class.

### **Recreation**

#### **Family Night at the Nature Center – March 20<sup>th</sup>, 110 attendees**

It was a packed house at the Nature Center where CSD employees took over the Nature Center and made S'mores and played games and watched a movie in the Planetarium with the kids.

## Golf

**Golf Course Opening Day – March 9<sup>th</sup> & 10<sup>th</sup>, 83 attendees / March 23 & 24, 133 attendees**

Golfers warm up as they ready themselves for their first round of golf for the year. The golf course opened the front nine holes and practice facility, with a lot of happy golfers dusting off their golf clubs and enjoying the sunshine.

## Parks

Removed six trees and approximately 30-40 pallets of retaining wall block and landscaping rock from the median where the roundabout will be constructed. The trees have been transplanted to the dog park, Main Gate Park and around town.

Parks crews removed the new solar holiday trees and have been busy trimming plantings around the pond to get it ready for the summer.

Crews were busy cleaning up debris after the wind storms, where trees fell down.

## **Open Space**

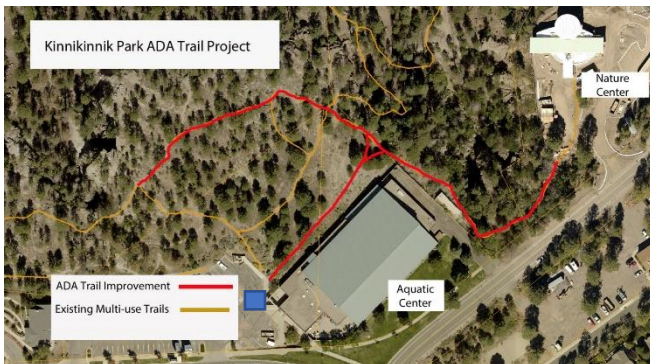

### **Hazard and Fallen Tree Mitigation**

Many trees have been cleared from trails throughout Los Alamos County Open Space after the winter storms.

## Kinnikinnik Park ADA Trail Improvement Project

Bids are being reviewed and once finalized, the project to improve the trail path will begin.

## On Call Environmental Consulting Services- Graduation Canyon Restoration Project

Natural Channel design completed a Schematic Design and Schedule for the upcoming project. Work will begin mid-April.
