DRAFT

Communication and Transparency	
Ongoing Improvement in Communication and Transparency in County Policy Setting	
Increasing the Amount and Types of Housing Options	
This includes a variety of housing options for all segments of the community, from affordable, entry level, and live-work housing to new options for those interested in downsizing or moving closer to central areas of the community.	
Enhancing Support and Opportunities for the Local Business Environment	
This includes appropriate support for existing businesses, growing new businesses, and supporting technology start-ups and spin-offs.	
Addressing Long-Term Building Vacancies in Key Areas of Our Community	
Land availability in Los Alamos County, and in particular the downtown areas, is limited and there is a desire to work towards better utilization, opportunities for new businesses, and improved aesthetics.	
Protecting and Maintaining Our Open Spaces, Recreational, and Cultural Amenities	
Los Alamos County open spaces and cultural attractions are greatly valued by the community provide opportunities for recreational and economic growth; appropriately allocating resources to ensure their health and sustainability is important to our citizens.	
Supporting Social Services Improvement	
Behavioral, mental and physical health and social services are important quality of life components; there are key areas where appropriate types and levels of county support could help address current needs.	
Investing in Infrastructure	
Appropriately balancing maintenance of existing infrastructure with new investment in county utilities, roads, facilities and amenities will help improve environmental stewardship, sustainability, and quality of life.	X
Planning for Appropriate Levels of County Services	
Making sure we understand the level of services our citizens want will allow us to make appropriate investments in processes and staff to achieve them.	X
