I appreciate being recommended by the Los Alamos DWI Planning Council for appointment by the Los Alamos County Council for membership to the DWI Council.

Why do you want to be appointed to the DWI Planning Council?

NMDFA requires that a representative from the Los Alamos County Finance Office who oversees grant compliance continue to serve as a voting member of the DWI Planning Council. This was reaffirmed in a recent meeting with DFA Program Manager April Salazar. In addition to my role in Finance, I also have many years working in a nonprofit environment, overseeing delivery of programmatic services similar to those offered by the DWI Program.

What knowledge and experience do you bring to this position?

Experience with grants management, finance, budgeting, compliance and years of experience in social services programs.

What do you think are the best things presently being done to reduce drunk driving?

Prevention programs are vital to reducing drunk driving. I believe DWI funding should continue to emphasize prevention and early intervention services, especially for teens and young adults.

Do you have any suggestions for what could be done to further reduce drunk driving?

I believe prevention is a long term strategy that can be effective, but only if best practice models are used. I would like to see the County grow its prevention services, either through offering in-house direct services or through contracting with various partners.
