Dear Mr. Olinger,

Since the County assumed ownership of the local transit system in October 2007, we have been operating a successful system with tremendous growth in ridership. The County recognizes the valuable contribution of Atomic City Transit to the community and will continue to support this service in the future, as long as funding is available.

For Federal Fiscal Year 2021, the County is committed to matching the federal transit funds received through the New Mexico Department of Transportation to fund an ACT Assist paratransit replacement vehicle as follows:

Federal Share	\$115,991
<u>Local Share</u>	<u>\$ 28,998</u>
Total	\$144,989

Thank you for your continued support and assistance, which is a contributing factor to the overall success of Atomic City Transit.

Sincerely,

Harry Burgess
County Manager
