Carrie Walker, Board of Public Utilities Chair

Published: September 26th, 2019

WHEREAS, the Incorporated County of Los Alamos, New Mexico ("County") operates a Department of Public Utilities to provide utility services to its citizens; and

WHEREAS, County utilizes a Board of Public Utilities ("BPU") to oversee the Department of Public Utilities; and

WHEREAS, among the responsibilities of the BPU is ensuring that the proper utilization of existing operating funds, capital and personnel resources in order to maintain an acceptable level of service; and

WHEREAS, the BPU is also charged with identifying and planning any needed expansion and extensions of the existing utility system; and

WHEREAS, the BPU must further ensure the effective and harmonious operation of the Utilities Department using County resources; and

WHEREAS, it is the further duty of the BPU to prepare a plan for routine operations, capital expansion of the systems and replacement activities; and

WHEREAS, while engaging in this planning activity, the BPU has recognized routine operating cost increases resulting from inflationary pressures that must be covered through revenues in order to maintain appropriate levels of service to the citizens of the County; and

WHEREAS, while engaging in this planning activity, the BPU has also come to realize that County must engage in capital upgrades to the sanitary sewer system in order to maintain appropriate levels of service to the citizens of the County.
