## General Information

All County Board and Commission members must be residents of Los Alamos County. Lodgers' Tax Advisory Board members, except the at-large community member, do not need to be residents if they are employed/represent an attraction or hotel.

Once a resident fills out and submits this application, an interview is scheduled with the B&C's County Council liaison, the relevant staff liaison, and the B&C Chair. After the interviews, the applicants' names are presented to the full Council during a regularly scheduled Council meeting, where a vote is taken regarding the appointment of each applicant. Each applicant will be notified if they are appointed or not.

Only on-line applications will be considered.

## Interests & Experiences

Which Boards would you like to apply for?

Parks and Recreation: Submitted

Why would you like to serve on this particular Board or Commission?

In general, I want to become more involved in decisions made within our community. Because of my involvement with trail maintenance in collaboration with the trail running and mountain biking clubs, I think I would be able to contribute much to this board.

What volunteer or professional activities have you participated in that could apply to this appointment?

I'm currently doing volunteer trail maintenance in Los Alamos County on Bandelier (Kevin Stillman) and USFS (Jennifer Sublett) land. I serve on the LA Food Co-op Board and the Los Alamos Retirement Community Board. I feel that my involvement on other boards in our community may be useful in making community decisions on this board.

The time involved may be 10-15 hours per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?

Yes.

What would you like to accomplish during your tenure on this Board or Commission? (Please identify any special interests you have that led you to become interested in serving on this Board or Commission.)

I would like to ensure that the trails are properly maintained, ensure that the parks are properly maintained and support the needs of our community, and determine a suitable location for and start work on a flow trail.

Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.

No.

Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?
