To Whom It May Concern,

I want to lend my support to honoring Hope Wagner Jaramillo by renaming Minors A to Hope Field at the WR Overlook Sports Complex. Hope was a cherished mentor to many generations of players and a wonderful contributor in our community. Please count our family of four as supporters of the proposition.

Thank you,

Subject: Renaming of Minors A to Hope Field

Sirs:

As a longtime Little League volunteer in Los Alamos county, I support the renaming of Minors A Field to Hope Field. As District Administrator for the Los Alamos/Santa Fe/Espanola/Pojoaque Little Leagues, I have had the privilege of working with Hope Jaramillo at numerous District, State, and Regional Little League tournaments hosted at the North Mesa Complex and Overlook Park. Hope would work at these tournaments for every single day of the tournaments. She would be one of the first volunteers at the fields, and one of the last to leave each day. In addition, it was not uncommon to see her coach both an upper division and a lower division girls softball team for Los Alamos Little League.

Thank you,
Francisco M. Guerra
District Administrator, New Mexico Little League District 1

Subject: Support for Hope Jaramillo Field

Dear Committee,

I believe that naming a field in honor of Hope Jaramillo would be a great idea. Softball has been apart of my life for 10+ years and Hope has always supported me and softball. She would do anything she could for her softball girls and was an amazing roll model and coach. Hope spread love in anyway she could through softball. With the high school jv softball tournaments she would have team bonding activities for all the teams that came to this tournament. This small thing she did for us softball girls made a big impact on all of the teams and was something we all looked forward to. There was countless things that she did for all the softball girls and the softball organization. She touched many and will be missed dearly. I fully support the naming of the field in Hope's honor. It is such a fitting tribute and I would be honored to play on her field. Thank you.

Our family has been involved with Los Alamos softball and baseball for over ten years. During that time, we had the pleasure to meet and work with Hope Jaramillo. Hope was incredibly dedicated to the youth of Los Alamos and spent countless hours in volunteering. My daughter was coached by Hope and also played in the JV tournament that Hope organized and ran each year. We were so saddened by her death but were encouraged by this request to rename the softball field in her honor. We fully support this naming and look forward to watching future softball games played at Hope Field.

Thank you,

The Matteson family

Please consider renaming the field, on second thought, just rename it to Hope Field. This is the right thing to do, she was an inspiration to youth athletes. This is a no-brainer.

Thanks

Subject: Hope Jaramillo

I had the distinct honor and privilege to get to know Hope very well when she came to work for my company for the last 8 or so years of her life. The woman was an inspiration to me, and I'm sure to her coworkers as well as we watched her deal with her long battle with cancer.

There was never a single day, not one, where she let her battle put her in a bad mood or cause people to feel sorry for her. She did not want pity. Sure, there were days when it was obvious she was tired and there were a few days we suggested she go home to rest, or that she was too tired to come to work, but no matter how tired Hope was, she always had an upbeat attitude and a smile on her face. She was in a word "Amazing". I count her as the most inspirational person I've ever known.

Then there is her love of softball! She simply loved the game. She played it, coached it, taught her daughters it, and watched it. Having seen her at work, there is no doubt in my mind, Hope had a huge lasting impact on many young girls who were fortunate enough to have been around her on a softball field.

I think it is only fitting that a field be named in her honor and I would personally be honored to pay for any signage associated with any such change.

Sincerely,

Bruce Norman

Subject: Field renaming

Dear committee:

As a resident of White Rock & regular visitor to Overlook Park, I unequivocally support renaming Minors A field in memory of Hope Jaramillo. I knew Hope for many years and was always impressed with her dedication to our community and the children who live here. Even in the midst of her illness, she was always positive, cheerful, and talking about how much she enjoyed helping kids. In my opinion, no downside exists to the renaming - it would not be displacing the name of another person - and it would pay tribute to someone that richly deserves it. Thank you in advance for your consideration.

Sincerely, Wendy M. Hoffman

To Whom it May Concern;

Yes! Please, by all means rename Minors A in honor of Hope Jaramillo. She was a fantastic coach, mentor, and a great member of this county. I think she deserves this small honor for all that she gave our kids and community.

Sincerely,
Chris Rittner

Good afternoon,

I am writing in support of renaming the Minors A softball field at Overlook Park to Hope Field. Mrs Jaramillo was an ardent supporter of softball and girls in Los Alamos, her presence was always a positive one and she has been sorely missed.

I would like to say that I support renaming Minor A field to Hope Field.

A town is an inanimate entity. It is its people that give it life and personality. Renaming this field will keep the spirit of Hope Jaramillo alive as an inspiration to others.

Thank you for considering this issue.
