RE: Transmittal of Monthly Discover Los Alamos
LTAB's Tourism Visitation Report for the month of June.

Dear Kelly,

Attached is the submission of our monthly activity tourism report for the month of June 2020. As of March 12, 2020, New Mexico Governor Michelle Lujan Grisham has issued a series of public health and executive orders in an effort to mitigate the widespread community transmission of COVID-19. Both the Los Alamos and White Rock Visitor Centers and most of Los Alamos County attractions have been closed to the public since then. Discover Los Alamos staff has continued to send out visitor guides, return phone calls and emails as well as restock visitor guides in various kiosk locations.

Sincerely,

Melanie Peña
