5. BOARD BUSINESS

11903-19

Discuss the 2019 Recycler of the Year

Presenters: Lisa Bakosi

Attachments: [B - Recycler of the Year Nomination Followup Questions](#)

The ESB discussed the 2019 Recycler of the Year Award and made revisions to the award including categories and criteria to better align with waste reduction goals. Instead of two categories the ESB expanded it to five categories: Schools, Businesses, Non-Profit Organizations, Small Businesses and Restaurants.

Member Barns received a comment about the questions for Recycler of the Year Nominee that it had too many questions. The ESB shortened the questions to six questions instead of eleven.

Member Rogers suggested to change the title of the award to Zero Waste Champion. All members were in agreement.

11904-19**Compost Operator Certification Presentation by Joshua Levings**

Presenters: Lisa Bakosi

The Zero Waste team presented their findings from visiting local restaurants to understand how to help reduce (primarily) food waste. With the conclusion that restaurants are eager for the County's proposed food-waste composting, they want the County to re-offer energy audits, want more recycle dumpsters more conveniently located closer to their businesses as well as cardboard dumpsters for each individual business.

6. REPORTS**A. Chair's Report - Lisa Bakosi**

ESB Chair Bakosi thanked everyone for their time and efforts working towards sustainability. She met with the Co-op manager and found out that starting on Earth Day they will offer 15% off their bulk items, then once a month after that.

B. Board Member Reports

Member Barns received a comment from a resident regarding county vehicles idling while on the job. She wanted to know if there was any rules or regulations about idling cars.

C. Liaison's Reports**1). Board of Public Utilities - Sue Barns**

Member Barns reported on the SMART meters that will be kicking off in June. The expectation of the first installments in August or September. The Board of Public Utilities had nine applicants for one open seat. The utilities manager Tim Glasco will be retiring this summer. Billing is getting better but there is still a lot of issues with the billing system and with the mobile app interface. There were ten water break lines due to the ground thawing and corrosion. They started to test the new water well in Otowi well #2 but NMED wanted proof that the water that will be pumped out is safe before they test with the pumping system. In the May meeting there will be a presentation on community solar garden and they want to increase solar at the landfill. The June meeting will include the quarterly conservation report.
