|---------------------------------|---|
| Agenda No.: | 4.G.2 |
| Indexes (Council Goals): | DPU FY2020 - 5.0 Achieve Environmental Sustainability |
| Presenters: | James Alarid |
| Legislative File: | 11702-19 |

Title

Quarterly Conservation Program Update

Recommended Action

None

Staff Recommendation

None

Body

Summary of recent conservation activities will be presented which will include:

DPU sponsored 100% Electric Powered Float in the holiday light parade. A volunteer from the community has loan their Tesla to decorate as a float. The float will be titled "Santa's Solar Sleigh" with lots of solar lights and a giant sun on top. In addition, an update will be given on the Conservation Plan update.
