Body

On August 3, 2017, David Fox submitted a petition on behalf of 8 people, at least 5 of whom are registered voters of Los Alamos County, requesting that Los Alamos County Council assign to the Transportation Board the evaluation of NM126 highway's current status, estimated costs of its completion, and the extent of outreach needed to develop support of other affected counties and entities in order to build regional support, and the extent of public support in Los Alamos for such a project. Mr. Fox submitted background information as part of his request. This information is contained in Attachment A.

As further background information, two letters of support are shown in Attachments B and C. These letters, dated September 2015, are from then-Council Chair Kristin Henderson and then-Transportation Board Chair Randall Ryti to the New Mexico Department of Transportation respectfully requesting consideration to complete paving of the last eight miles of NM 126.

As provided for in the Los Alamos County Code, the Council shall place on the agenda of its next regular meeting the subject of any written request signed by five or more qualified voters of the County and presented to the county clerk at least ten (10) days prior to that meeting. This item is being placed on the Council agenda for acknowledgement and possible discussion and/or action.
