I further move that Council direct the County Manager to execute the grant agreement. I further move that Council approve Budget Revision 2021-06 as summarized on attachment C and that the attachment be made a part of the minutes of this meeting.

County Manager's Recommendation

The County Manager recommends that Council approve the request to accept Fiscal Year 2021 E911 Grant Agreement from the Department of Finance and Administration and the budget revision as requested.

Body

The Enhanced 911 (E911) Act, NMSA 1978, Section 63-9D-1 will enhance the 911 telephone emergency system and is necessary to expand the benefits of the basic 911 emergency telephone number, to achieve a faster response time which minimizes the loss of life and property, provides automatic routing to the appropriate public safety answering point ("PSAP"), provides immediate visual display of the location and telephone number of the caller and curtails abuse of the emergency system by documenting callers.

There currently is no application process for the E911 grant. The Department of Finance and Administration (DFA) notifies the Los Alamos County Police Department of the award amount each year. A summary of the budget revision is included on Attachment C.

Alternatives

The alternative to accepting the grant agreement is not having the necessary funds to upgrade the 911 system equipment. Additionally, by not accepting the grant agreement there may not be funding to maintain the County's 911 system.

Fiscal and Staff Impact/Planned Item

The grant does not require a match.
