U.S. DEPARTMENT OF ENERGY
NATIONAL NUCLEAR SECURITY ADMINISTRATION**

PROJECT: Norton A-19 Tract/LANL Boundary Fence Los Alamos, NM

PURPOSE: Revise Exhibit A to Easement No. M24NA70474

This Supplemental Agreement, made and entered into on this date by and between **The Incorporated County of Los Alamos**, hereby known as the **Grantor**, and **The United States of America** by the **U.S. Department of Energy/National Nuclear Security Administration (DOE/NNSA)**, hereinafter referred to as **Grantee**:

WHEREAS, effective October 15, 2024, the Parties entered into such Easement for the construction, operation, maintenance, and repair of a fence within and along the Norton Transmission Line within Los Alamos County Tract A-19-B;

WHEREAS, the Grantee requires access to the substation easement exclusively for the purposes of operating, maintaining, and repairing the Norton Line (NL);

WHEREAS, the parties desire to update Exhibit A of this Easement to reflect the correct ownership of Tract A and C (Parcel No. 1037107480520 & 1037107351513);

NOW THEREFORE, these Parties, for the mutual benefits to be derived therefrom, covenant and agree that the said Easement is amended, as follows:

An additional exhibit sheet (attached), is hereby added to Exhibit A, to reflect the Incorporated County of Los Alamos' ownership of Tracts A and C. This supplement is intended to be read in conjunction with the original Exhibit A and does not replace it.

Except as provided herein, all terms and conditions of the document referred to above remain unchanged and in full force and effect.

The above terms and conditions are acknowledged and agreed upon as indicated by the signatures affixed below:
