  - c. Utilize the County's process for receiving and timely processing of numerous and voluminous requests, which may produce large volumes of records in different file formats, and read, analyze, and sort within a timely manner to produce responsive records to the requester.
  - d. Utilize Excel Reporting Log to record new, carryovers (requests older than fifteen days without completion) and closed IPRA/FOIA requests received, processed, and completed.
  - e. Utilize the County's established workflow process for accepting new requests while managing multiple requests simultaneously from start to finish.

#### **4. TASK ORDER PROCESS**

- a. All Services shall be performed by Task Order. County shall make reasonable efforts to generally provide at least two (2) business days' notice to Consultant for the Services required under any Task Order. The Task Order shall be priced by Consultant on a regular five (5) day schedule, Monday through Friday, forty (40) hours per week, unless otherwise agreed by both Parties.
- b. County's Project Manager shall request the Services of Consultant for individual or multiple projects through a Request for Quote(s). Each Request for Quote shall identify the work and Services to be performed and a timeline for Project completion. A Request for Quote may be as detailed as County finds necessary to assure appropriate oversight of the services to be performed. A sample Task Order is provided in Exhibit B.
- c. Upon the County's issuance of a Request for Quote, within one (1) business day Consultant shall provide a written, itemized Quote for the task(s), work, and/or services requested by County's Project Manager ("Quote"). The Quote shall provide, in writing, the proposed material costs, labor hours, and labor type necessary to complete the Task Order. Cost shall conform to the rates identified in Exhibit A, as a not-to-exceed price. Any progress billing and payment shall be provided by Consultant in the Quote and is subject to approval by County's Project Manager. Preparation and work performed to prepare Quotes shall be considered incidental to the Agreement and not compensable.
- d. If Consultant's Quote is signed by Consultant and acceptable to County, County's Project Manager shall provide Consultant with written approval ("Approved Task Order"). After receipt of the Approved Task Order, Consultant is authorized to begin work only upon receipt of the Approved Task Order.
- e. If the Consultant is unable to provide, in the determination of the Project Manager, the full scope of the Proposed Task Order work, the Project Manager may alter, change, modify, or cancel the Request for Quote before Services commence. The Approved Task Order shall be adjusted only upon the written agreement of the County after a finding that a change to the Task Order is necessary and justifiable. Consultant's failure to reasonably estimate the cost of completing the task in the first instance shall not be a justification for modifying the Approved Task Order. Modifications to the maximum amount for the Approved Task Order shall be agreed upon by County prior to Consultant continuing the performance of Services. In no event shall the total of the maximum amount for all Approved Task Orders exceed the maximum amount of compensation set forth in this Agreement unless modified by County. Unanticipated events, such as natural phenomena, shall not form the basis for additional compensation to Consultant.

- f. Consultant must take any and all actions to timely complete the work agreed to in the Approved Task Order.
- g. This Agreement will not provide Consultant with a guarantee that County will accept Consultant's Quotes and award Consultant Approved Task Orders. County reserves the right, at its sole discretion, to separately quote or bid any project. County's issuance of a Request for Quote is not a guarantee of work to Consultant. County, at its sole discretion, shall determine when Consultant's Services are required and shall issue written Request for Quotes as needed.
- h. Consultant may be required to attend meetings, depositions, and court hearings in relation to Services provided. County shall identify the meetings and Consultant shall include the costs for attendance in the maximum amount of the Task Order, based on the hourly rates identified in Exhibit A. In the event that it is determined after issuance of the Task Order that meeting attendance is required, County shall inform Consultant of such, and Consultant shall bill the County accordingly, based on the hourly rates identified in Exhibit A.

**SECTION B. TERM:** The term of this Agreement shall commence December 13, 2023, and shall continue through December 12, 2025, unless sooner terminated, as provided herein.
