

Statutes

19.30.2.8 TECHNIQUES/INTERVENTION:

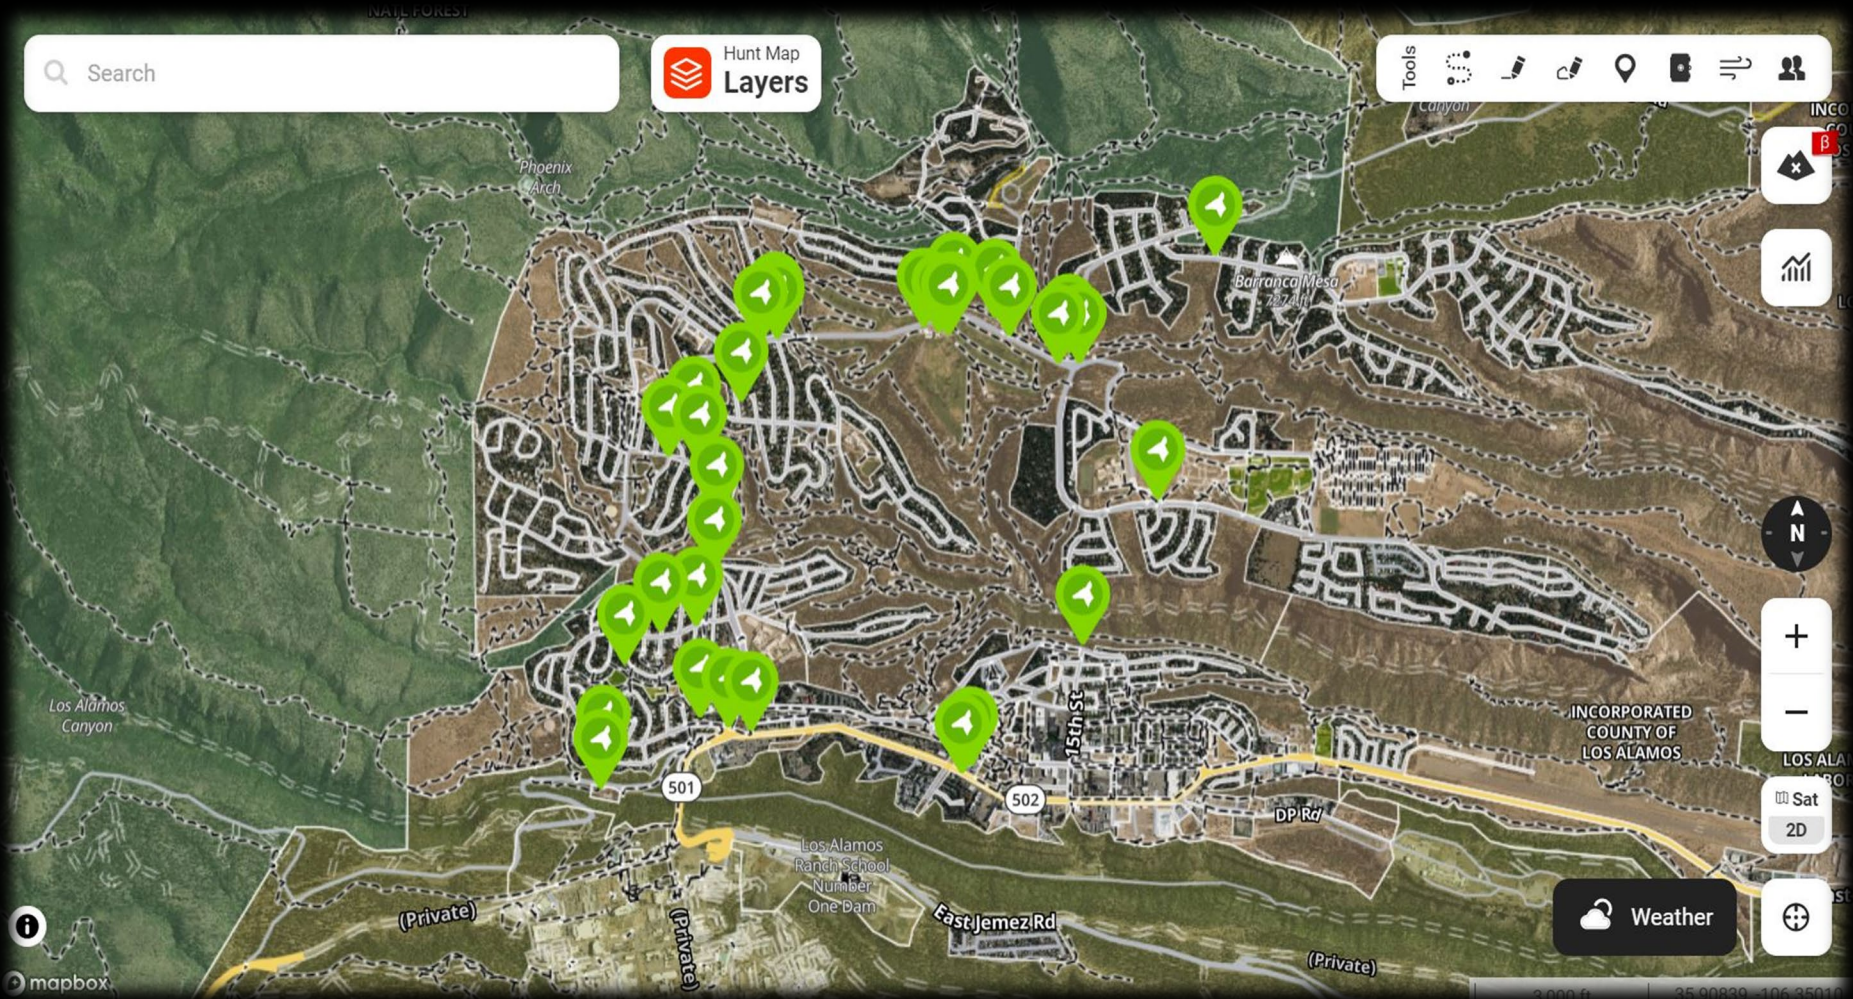

D. Causing a nuisance game animal problem: It shall be unlawful for any person, by their action or lack of action, whether intentionally or through negligence, to cause a nuisance game animal or depredation problem by baiting, feeding, or otherwise enticing game animals to an area, and such persons, if convicted, may be punished under 17-2-10 NMSA 1978. The department shall not be required to offer or provide interventions to depredation complaints caused by landowner, lessee, or employee of either violating this prohibition.

17-2-19. Enforcement of game laws; powers of conservation officers.

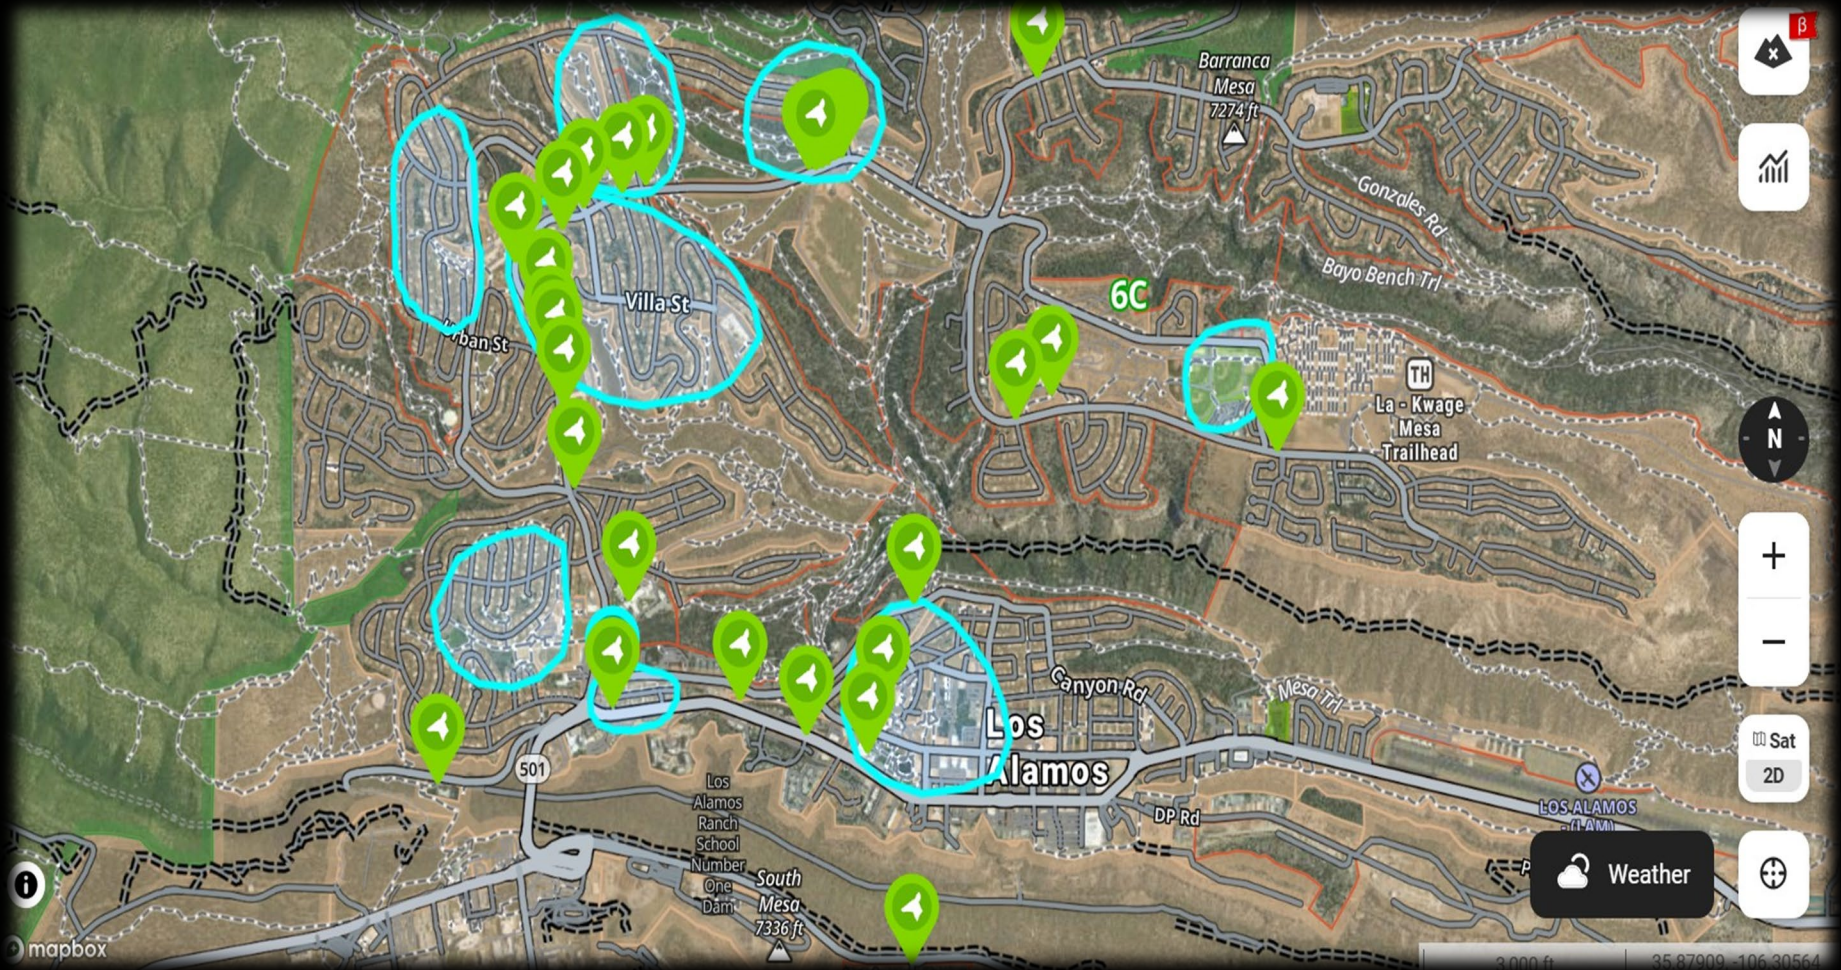

A. The director of the department of game and fish, each conservation officer, each sheriff in his respective county and each member of the New Mexico state police shall enforce Chapter 17 NMSA 1978 and shall:
