Department of Public Utilities

Significant FY24 Accomplishments – Electric Production

- The County entered a contract with Foxtail Flats to purchase 170 MW of solar and 80 MW of 4-hour battery storage to go online in 2026.
- DPU has acquired 3 electric vehicles in its fleet and has a goal to acquire 2 more in FY2026.
- The County's first two DC fast chargers for electric vehicles were installed under the direction of Electric Production and in cooperation with Electric Distribution.
- The demolition of the San Juan Generating Station and mine reclamation activities commenced.
- All reserves required for the electric fund were funded through the \$58 million UNIPER settlement.
- There were no findings in the FY2023 Power Pool Audit performed in FY2024.

ATTACHMENT E

Significant FY24 Accomplishments – Electric Distribution

- The System Average Interruption Duration Index (SAIDI) dropped from 64 minutes down to 15 minutes over the fiscal year, staying below the 60-minute department goal for nine of those months.
- \$1,052 per mile was spent on tree trimming as a percent of miles of overhead line.
- The department's standby quarters were completely renovated for our crews. They were finished up with new furniture and energy efficient appliances.
- The new cable pulling machine was used to install cable on all projects, including the Totavi Street project, and was used to install two new 1000MCM feeders between LANL and the new LASS.

Department of Public Utilities

Significant FY24 Accomplishments – Gas

- Caused by a spike in natural gas commodity prices in the middle of FY2023, the sunset recovery rate for gas was established to repay the gas fund and was retired by March 2024, more than a year ahead of its anticipated end date.
- Increased cathodic protection values on steel pipelines by adding anodes to meet industry requirements.
- Eliminated townsite isolated steel gas pipeline sections that had not been removed when pipes around them were replaced with polyethylene pipes that increased system reliability.

Department of Public Utilities

Significant FY24 Accomplishments – Water Production

- Built in 1962, the Barranca Tank #2 got a new coat of paint! The epoxy coated paint will extend the tank's life by another 50+ years. The finished tank was featured in the 2025 Tnemec Tank of the Year calendar.
- \$900,000 in State funding was awarded to the Jemez Mountain Fire Protection/Camp May Waterline Project. This is in addition to the previously awarded \$7M. This important initiative is a collaborative effort among DPU, Los Alamos County, United States Forest Service, DOE/LANL, and Pajarito Ski Area.
- Phase II of the Bayo Booster Tank Project was completed, giving the County storage space for an additional 810,000 gallons of non-potable water.
- DPU staff took the initiative to start transitioning to heat pumps for heating/cooling in the Water Production facilities, moving away from propane and high-draw resistive heaters.
- The TA-55 waterline on Los Alamos National Laboratory property was relocated into Pajarito Road.

Department of Public Utilities

Significant FY24 Accomplishments – Water Distribution

- A revenue transfer of \$1.3 million from County Council allowed DPU to complete capital utility improvements, in coordination with road improvements by Public Works, in the Rose Street neighborhood.
- DPU rehabilitated ten pressure reducing valve (PRV) stations.
- DPU replaced out-of-service fire hydrants noted in the hydrant testing program.

Department of Public Utilities

Significant FY24 Accomplishments – Wastewater

- The White Rock Water Resource Reclamation Facility (WRRF) replaced the original White Rock wastewater plant that was built in 1966. The ribbon cutting ceremony was held on November 6, 2024.
- DPU commissioned a new tertiary treatment process at the Los Alamos wastewater treatment plant and achieved Class-1a effluent standards.
- DPU implemented new control and alarm SCADA on collection lift stations.

Department of Public Utilities

Budget Summary

- The FY2026 proposed expenditure budget is \$107.3 million as compared to \$100.7 million in FY2025 adopted budget. This is a \$6.6 million or 6.2% increase over the prior year. FTE's remain unchanged at 107.65 for FY2026
- The major contributors to the increase in the proposed budget are labor (\$740k); capital expenditures (\$1.2 million); debt service (\$1.4 million); electric production/purchased power costs (\$4 million).
- The FY2026 proposed Joint Utility Fund budgets include the effect of planned rate changes previously approved by the Board of Public Utilities (BPU) and the County Council for a 6% increase in retail water rates and a 5% increase in wholesale potable and non-potable water as well as a 5.5% increase in gas rates.
- The FY2026 budget includes planned increases in wastewater and electric. DPU will return for approval in May (introduction) and June (ordinance hearing). The proposed increases are:
 - 7% increase in wastewater rates. BPU and Council previously approved 2% increase for FY26 and DPU will return for approval of an additional 5% increase for a total of 7% ahead of July 2025.
 - 9% increase in electric rates.

Community Development Department

Significant Accomplishments

ATTACHMENT E

CDD is proud of the progress we've made over the last year to implement Council Strategic Goals and Vision related to:

Quality Governance, Operational Excellence, Economic Vitality, and Quality of Life.

- **Building Safety**
 - IAS Reaccreditation: CDD Building Safety Division received reaccreditation reaffirming its status as the only International Accreditation Service - accredited jurisdiction in the state of New Mexico – underscoring its commitment to excellence in safety, customer services, and technical knowledge.
 - Contractor and Small Business Training Series.
- **Administration**
 - Staff Recruitment, Development, & Training: Targeted recruitment to fill key positions, train existing staff on process improvements and customer service.
 - EnerGov system upgrades and training.
 - Budget oversight and management.
- **Economic Development**
 - Management and distribution of ARPA program funds - ~\$2 million.
 - Launched VisitLosAlamos.org updated website in support of small businesses and tourism.
- **Planning**
 - Review, assessment, and refinement of recent changes to Chapter 16 – e.g., Amendment for errors and omissions and minor zone map.
- **Housing**
 - Adoption of Affordable Housing Plan.
 - Contract with Santa Fe Community Housing Trust for affordable housing homebuyer and rehabilitation services

Community Development Department

Significant Accomplishments

Quality Governance – Communication and Engagement, Intergovernmental and Regional Relations, and Fiscal Stewardship

- **Marketing and Communication:** Economic Development launched the updated VisitLosAlamos.org website. Additionally, they led and collaborated marketing efforts on events such as ScienceFest, Halloween, Bear Fest, and Winterfest.
- **Regional Relations:** Support LANL, Regional Economic Development Initiative (REDI), in addition to local councils of gov't and surrounding communities to increase tourism and economic growth.
- **Economic Support for Small Business:** Distribution of ~\$2 million of Federal American Rescue Plan Act (ARPA) funds to qualifying local businesses.
- **Economic Support for Housing Funding:** Provided oversight and allocation of state supported affordable housing grant funding for the North Mesa transportation and infrastructure study.
- **New Businesses:** Processed 120 new business licenses and 853 business license renewals.

Operational Excellence – Effective, Efficient, and Reliable Services, Employee Recruitment and Retention. Although CDD is essentially a regulatory department providing oversight and compliance with County Council adopted Land Use, Life & Safety, and other Regulatory Codes, staff strives to work with our customers in a proactive solutions minded manner.

- **High Quality Service and Employee Recruitment and Retention:**
 - Ongoing outreach by the Building Safety Division to provide information and training sessions on: Building and Energy Code compliance, change of use requirements, the permitting and application process, etc.
 - Economic Development engagement with the small business community which included a survey of local businesses highlighting a combination of economic pressures, staffing and change of use challenges, and infrastructure and leasable space concerns. In response, the department is expanding its support to attract new capital investment, facilitate development partnerships with the local business community, refine the development review process, and retain and attract businesses. They also piloted a fall coupon book to promote local businesses at state events.

Using the Council Strategic Objectives, Los Alamos Master Plan, Downtown Master Plans, Comprehensive Plan, Affordable Housing Plan, Tourism Strategic Plan, and Economic Vitality Strategic Plan, we propose the following FY26 Budget Priorities:

Quality of Life – Addressing Housing Needs

- Following the adoption of the Affordable Housing Plan in August 2024, the CDD aims to develop between 1,300 and 2,400 new housing units from 2024 to 2029. This includes targets for affordable housing and programs for homebuyer assistance and home rehabilitation.
- Continue to provide high quality service for functions that are regulatory in nature, such as license approvals, code updates, the Comprehensive Plan, etc. This includes engaging with contractors and businesses early on in their process to help provide the necessary guidance to expedite the review process.
- Offering more workshops to help the public better understand processes and procedures.

Economic Vitality – Economic Development and Local Businesses

- Efforts are underway to implement plans for the White Rock Metropolitan Redevelopment Area (MRA). Additionally, consideration of the East Downtown Los Alamos MRA could aim to stimulate redevelopment and economic growth in these areas.
- Promotion and collaboration with local businesses who serve the 19,857 residents, along with 10,900 daily commuters.
- Increased promotion of Los Alamos County through marketing efforts for an estimated 475,000 tourists.

COMMUNITY SERVICES DEPARTMENT (CSD)

Community Services Department

Significant Accomplishments

CSD is proud of the progress we've made impacting Council Strategic Goals- Objectives- and the CSD Road Map all aligning with our Integrated Master Plan.

Operational Excellence- Effective, Efficient, and Reliable Services- Improve organization reach & impact

- **CAPRA Accreditation:** CSD received CAPRA accreditation at the National Recreation & Parks Association Convention in Atlanta, GA. The only one in New Mexico.
- **Staff Development & Training:** Focused staff training on continuous improvement and mental health. Over 40 CSD staff completed Youth Mental Health First Aid training.

Community Services Department

Significant Accomplishments

ATTACHMENT E

Operational Excellence- Infrastructure Asset Management- Maintain and improve existing facilities and amenities

- **Infrastructure and Facility Improvements:** CSD completed improvements at Bomber, Hope, and Dara Jones athletic fields, WR Skatepark along with enhancements to the Golf Course. Other projects in process are Brewer Arena, Artificial Turf Study, Athletic Field Renovations, and Athletic Court Renovations with community input sessions. Additionally, a Pickleball Noise Study was conducted.
- **Cemetery Ordinance and Fee Structure Revisions:** With the support of County Council, the Cemetery Ordinance was repealed and replaced, and the fee structure was revised. This includes the introduction of a non-resident fee and increased charges for cemetery plots and burials to ensure perpetual care.
- **Cartegraph Asset Management Software Implementation:** Began implementation of software across the parks and open space system that will enhance the tracking of labor, equipment, and material costs, while also enabling data-driven master planning and streamlined project management through a work order asset system.

Community Services Department ATTACHMENT E

Significant Accomplishments

Quality of Life- Health, Wellbeing and Social Services- Integration of health, wellness and social services programs for all ages

- **Health, Safety, and Social Support Initiatives:** Social Services expanded health, safety, and social support by providing opioid overdose training, Narcan distribution, and launching a homelessness outreach program to connect individuals with essential services. SSD also finalized the Comprehensive Health Plan and expanded behavioral health and youth support services.
- **Community Outreach & Education:** SSD outreach at community events included the Grandparents and Kin Raising Children, ChamberFest and ScienceFest events; putting on a series of networking and outreach opportunities to highlight Recovery Week and participating in the Older Adult Health Fair and Older Adult Summit. Introduced evening hours at the library.
- **Collaboration & Community Conversations:** SSD collaborated with JJAB, LAPS, and the Courts to host three Community Conversations throughout 2024, reaching hundreds of community members with the intention to create opportunities for learning, reflection, and connection. CSD continued collaboration with Hawk Hangout, that supports connection-making, reducing social isolation, and building healthy relationships with “askable adults.”

Community Services Department ATTACHMENT E

Significant Accomplishments

Quality of Life- Health, Wellbeing and Social Services- Need more programming for families, youth, middle schoolers, and teens

- **4th of July Event at Overlook Park:** The Recreation Division hosted Los Alamos' first-ever drone light show, adding a unique and spectacular experience for the community.
- **Aquatic Center Operations:** Despite facing staffing shortages, the Aquatic Center successfully maintained its full operational hours, remaining open until 7 p.m. on weekdays and on Saturdays.
- **Expansion of Roller-Skating Programs:** The Recreation Division expanded its offerings by acquiring a full set of quad and inline skates, allowing for a new roller-skating program at the Ice Rink during the summer months.
- **Ice Rink Operations:** The Ice Rink successfully completed another full season with the support of a temporary chiller. The permanent chiller has been contracted for construction and is expected to be installed in the summer of 2025.

Community Services Department

Significant Accomplishments

ATTACHMENT E

Quality of Life- Health, Wellbeing, and Social Services- Upgrade and increase volunteer program

- **Environmental and Outdoor Initiatives:** Created a Seed Library at both library locations in partnership with Los Alamos Seed Stewards and PEEC. Strengthened the Trails and Open Space Volunteer days, leading to increased participation in trail maintenance, erosion control, hazardous tree removal, and park and open space projects.

Quality of Life- Health, Wellbeing, and Social Services- Support offerings that improve cultural, educational, lifelong learning & social development

- **Library's New Streaming Service:** Introduced Kanopy, a streaming video service that provides patrons with access to thousands of movies and TV shows, enhancing the library's digital offerings.
- **Expansion of the Library of Things:** Added a variety of non-traditional items for checkout, including portable DVD players, zero-waste kits, paper shredders, and additional museum passes.

Community Services Department

Significant Accomplishments

ATTACHMENT E

Quality of Life- Inclusion, Access, Belonging- Increase ADA accessibility at all facilities

- **Kinnikinnick ADA Accessible Trail Project:** Converted a 0.25-mile section of the existing trail into an ADA-compliant, crusher fine trail based on US Forest Service standards. The project is supported by a \$65K matching grant from the NM Outdoor Recreation Trails + Grant program and aligns with ADA requirements. The trail is part of the County's ongoing effort to ensure inclusive access for all community members.

Environmental Stewardship- Natural Resource Protection- Consolidate & update the Open Space & Trails Management Plan

- **Open Space and Trails Management Plan:** This plan will identify current County services, review and update relevant documents, and consolidate them into one cohesive guide. Several community engagement meetings have taken place, and the plan is slated to be finalized in Summer 2025.

ATTACHMENT E

Using the Council Strategic Objectives, CSD Integrated Master Plan, ADA Audit and Transition Plan, Library Strategic Plan, and the Community Health Plan we propose the following FY26 Budget Priorities:

Quality of Life- Open Space, Parks and Recreation- Maintain and improve existing facilities

- Continue to implement the Integrated Master Plan and ADA Audit/Transition Plan through capital projects of field renovations, athletic court renovations, playgrounds, Brewer Arena, Artificial Turf Study, North Mesa Picnic and Recreation Area Master Plans and Deer Fencing at the Rose Garden.
- Requesting additional staff to maintain and protect the investment at the Golf Course, Athletic Fields and Trails/Open Space.

Quality of Life- Inclusion, Access, Belonging- Need more programming for families, youth, middle schoolers, and teens

- Providing 1800+ events/programs across the divisions.
- Increasing events to include more ice hockey & roller-skating.
- Boosting volunteer participation in park and open space projects by simplifying the registration process and enhancing our outreach to engage interested participants.

Community Services Department

Budget Highlights

Quality of Life- Health, Wellbeing, and Social Services- Address mental health issues by developing partnerships with Social Services and other organizations

- Increase JJAB services to provide more programs for juveniles to include continued coordination, development, administration, and evaluation, and professional services related to mental health, substance abuse and suicide prevention.
- Using \$50K from SSD Contracted Funds to implement an LSW/MSW Intern program affiliated with NM State to provide clinical work for students seeking this designation.
- Provide a Program Specialist to focus on outreach as noted in the Community Health Plan and allow for the case manager to add more capacity for individual assistance.

LOS ALAMOS FIRE DEPARTMENT

Fire Department

Significant Accomplishments

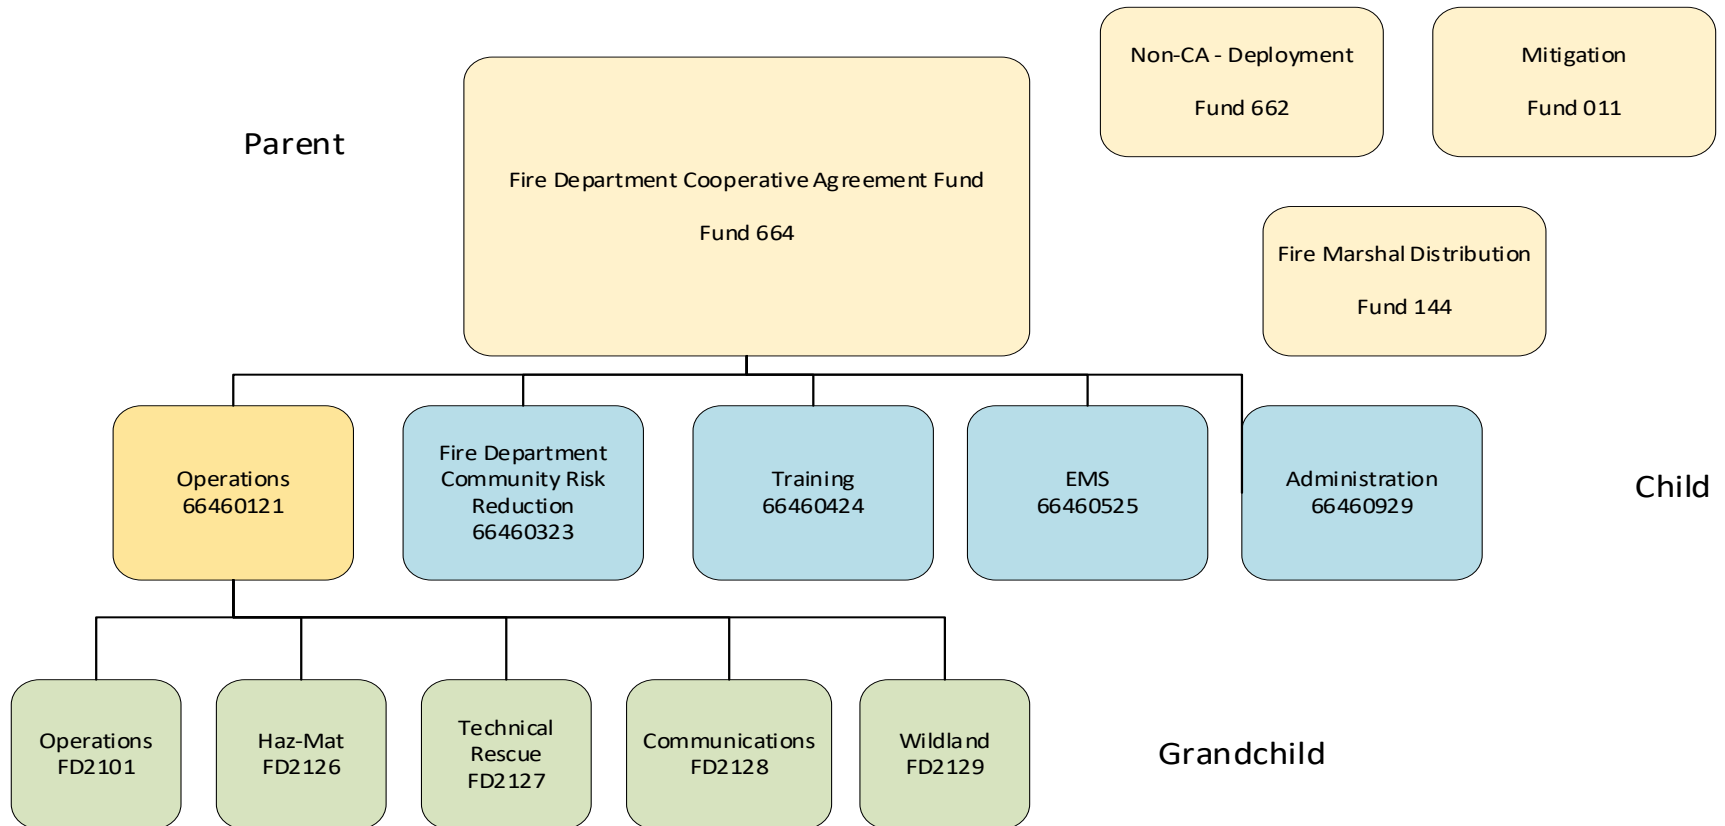

- Training
 - Rollout of Active Shooter Program.
 - ISO Training Requirements Met.
 - Progress on Company Officer Training Program.
- Wildland
 - The department's wildland division assisted both in-state and nationally by deploying to six (6) separate fires.
- Water Supply
 - 82.6% in hydrant testing and inspection
- The department has continued work on the Station 4 replacement design, completed the location study, and is currently working with planning and zoning before the project is sent out for the construction bid process.

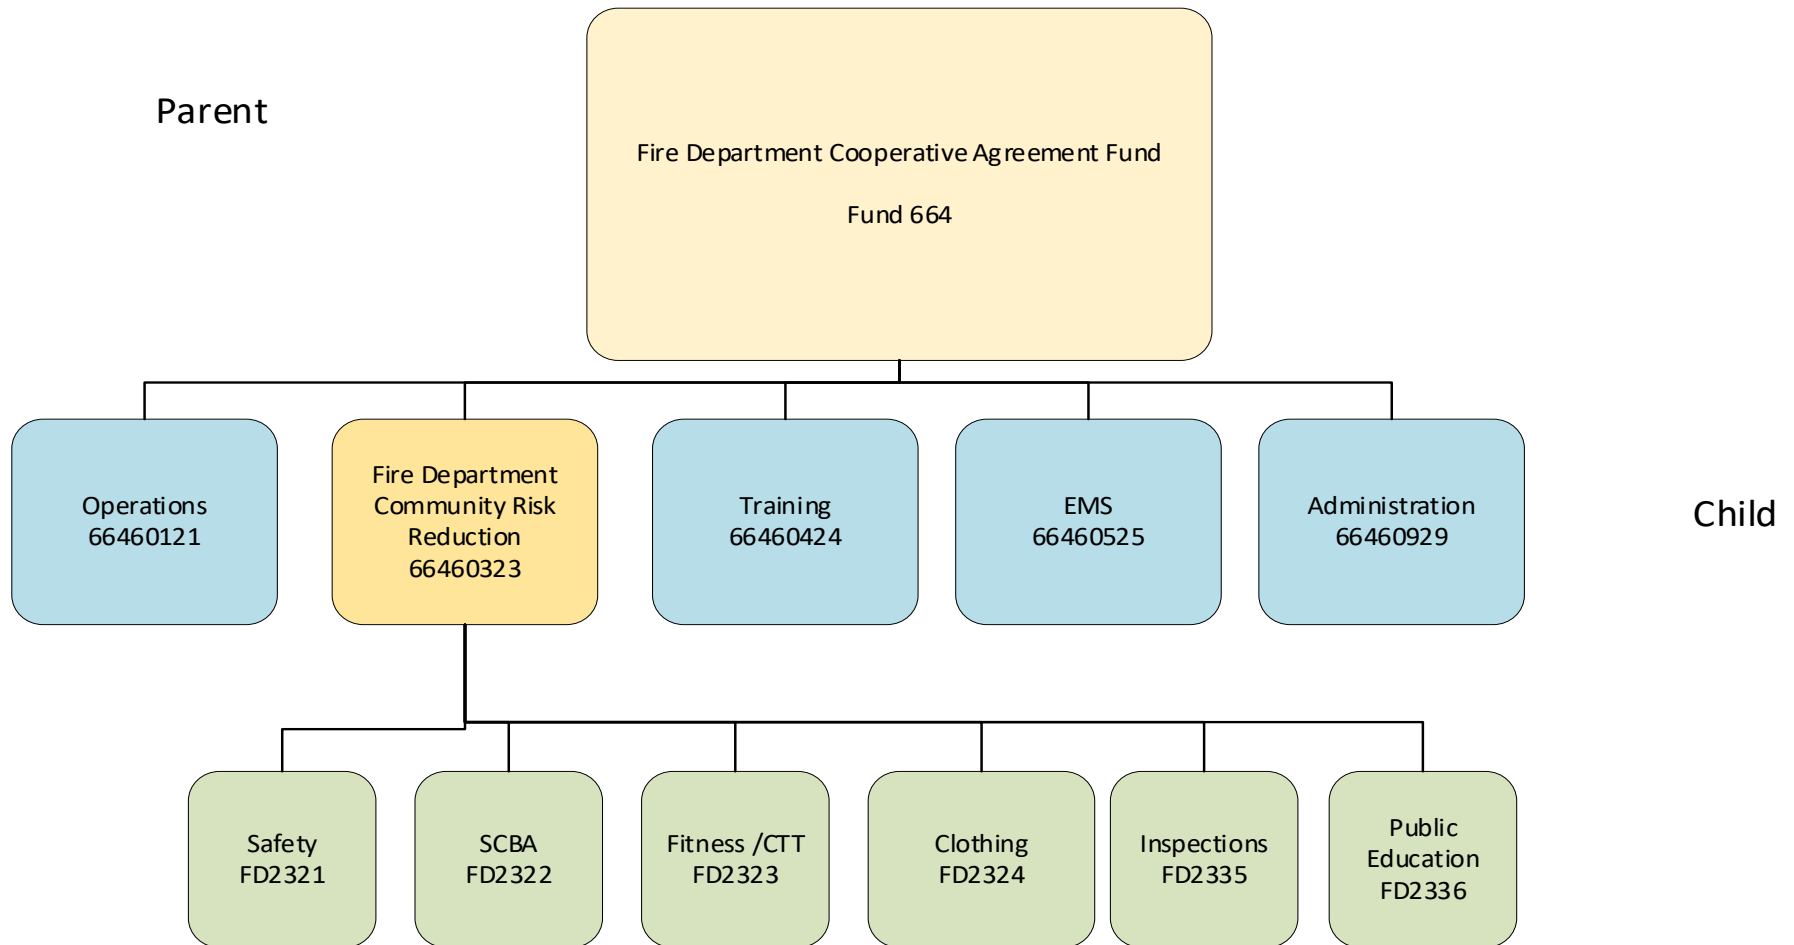

Fire Department

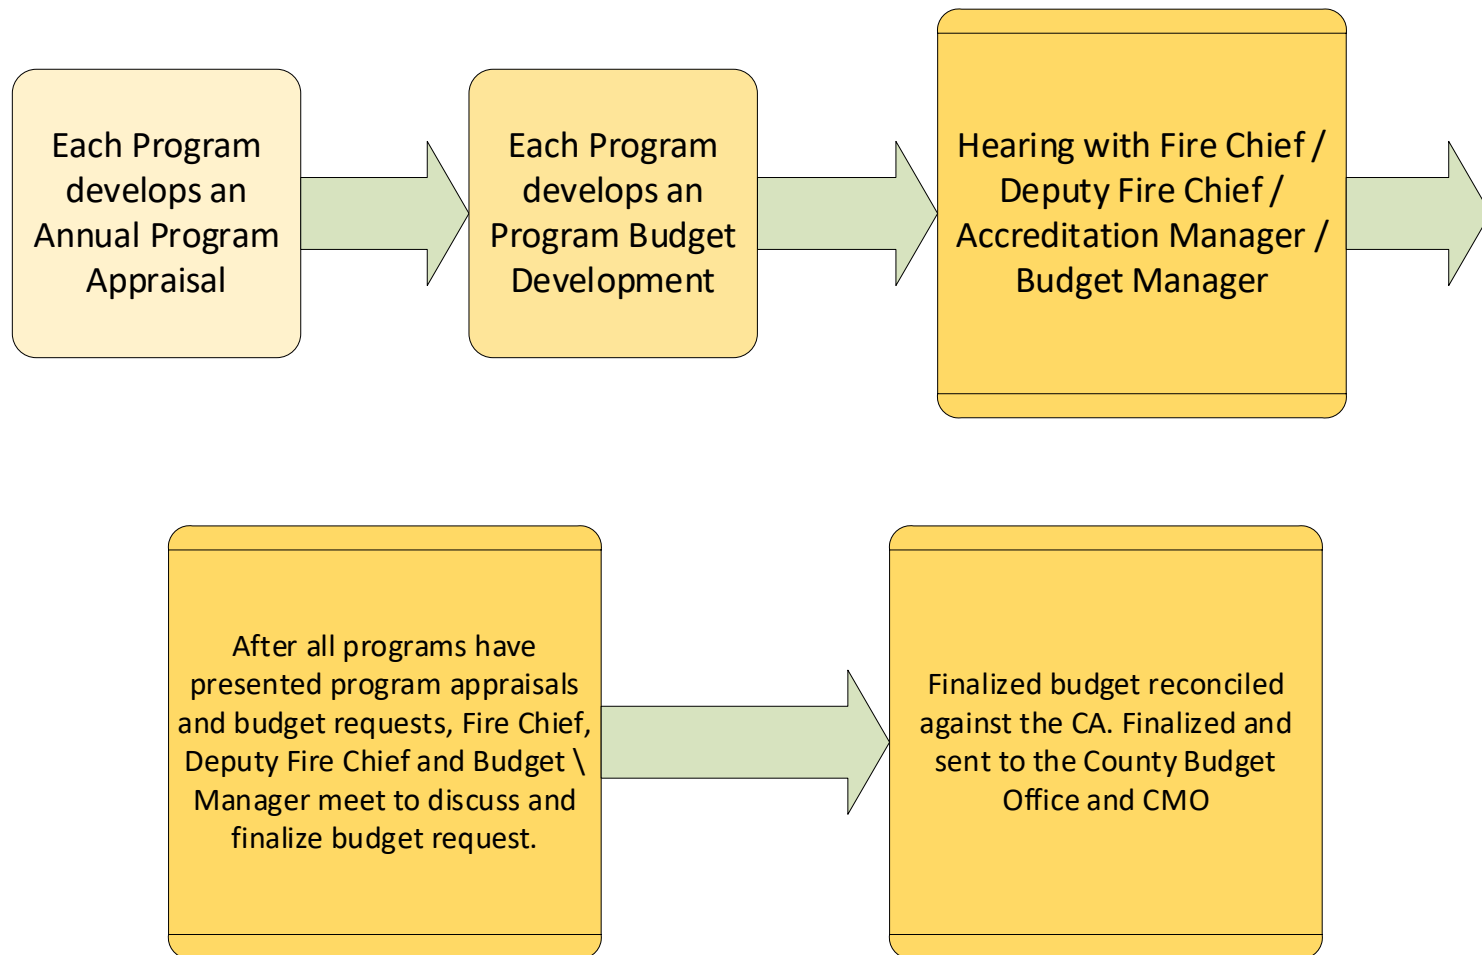

Budget Highlights

- The budget as proposed will allow LAFD to deliver emergency services at the level required by our Cooperative Agreement with DOE/NNSA and the high level that is expected by Los Alamos County residents. In addition to addressing the strategic goals identified in the five-year Community Driven Strategic Plan, the budget will facilitate action on the strategic and specific recommendations made in the department's fifth successful accreditation through the Commission on Fire Accreditation International.
- The budget will facilitate ongoing radio system updates, the purchase of personal protective equipment (PPE) for firefighter safety, continue efforts to mitigate forests to enhance safety from wildfire, continue efforts to stay up to date with emergency medical training and equipment, remain capable of effectively responding to technical rescue incidents, and provide the necessary tools and equipment to effectively respond to a hazardous materials incident.
- The budget is developed in correlation with the 10-year cooperative agreement with DOE/NNSA and the county and department are currently in negotiations with DOE-NNSA for a new 10-year agreement to start on January 1, 2024. The current staffing levels are the initial request based on the new Baseline Needs Assessment (BNA) and the request for DOE-NNSA.

LOS ALAMOS POLICE DEPARTMENT

Police Department

Significant Accomplishments

- Los Alamos Police Department held a pd wide training with guest speaker Captain D. Michael Abrashoff of the U.S. Navy and author of the book, "It's Your Ship". This training was focused on team building and mission goals.
- Los Alamos Police Department continue to be a heavy contributor to the Law Enforcement Torch Run for Special Olympics. This year officers participated in a run to Buffalo Thunder where the torch was passed to the next agency to complete their leg of the run.
- The Los Alamos Police Department held its 1st Annual Citizen's Police Academy in May of 2024. Topics covered during the academy included Accreditation, School Resource Officer's role, Investigations and Evidence Collection, Virtual Reality Scenarios, and Special Operations such as Bomb/Tactical/K9 Teams.
- The Los Alamos Emergency Management team is a valuable part of the Police Department and county as well. Their involvement in the county spans many roles such as disaster preparedness, providing and allocating resources, grant management and aiding all first responders to improve public safety. This year Deputy Emergency Manager Cody Ulrich completed the FEMA Advanced Academy.

Police Department Budget Highlights

- The Police Department budget is designed to sustain and enhance our existing capacity to provide professional law enforcement service to our citizens and visitors. Funding is utilized to ensure Police Department employees are properly trained, equipped, and staffed to provide safe, efficient, ethical, and professional law enforcement services. The Police Department will continue to leverage our funding with community partnership and collaboration to sustain Los Alamos as one of the safest communities in the nation.
- Creation of a specialized traffic unit within our police department to address pressing traffic-related concerns in our community. With the rise in commuters, traffic violations, accidents, and congestion, the establishment of a dedicated team focused on traffic enforcement and education would significantly enhance public safety and improve the efficiency of our operations.
- Acquiring speed cameras would help to enhance road safety and improve traffic management within our community. Speeding is a significant concern, contributing to accidents and violations. Speed cameras serve as both a deterrent and an enforcement tool, encouraging drivers to comply with speed limits while providing valuable data to monitor traffic patterns. Implementing speed cameras would enable us to address these issues proactively and efficiently.

Addressing Council's Goals & Objectives

ATTACHMENT E

Public Works informs, educates, and engages community members on County projects and collaborates with our regional partners to program projects and capitalize on funding opportunities that benefit the community.

Public Works is a leader in waste reduction and landfill diversion programs through recycling and composting while also seeking more sustainable fleet options and methods of building and maintaining infrastructure.

Public Works improves mobility through improvements to infrastructure and expanding access to alternative modes of travel including public transit, cycling, and walking amenities and services.

Public Works fosters exceptional customer service, seeks process improvements, and values and develops its employees to reliably deliver services, effectively maintain public assets, and to continuously improve to anticipate and meet future needs.

Public Works provides leadership with the planning, development, and technical review of housing, tourism and economic development initiatives.

Budget Highlights

ATTACHMENT E

The Public Works budget reflects our commitment to maintaining and improving vital infrastructure while providing quality and reliable essential services for our community. Key highlights include:

- **Administrative** budget supports the administration of the Adopt-a-Road program, the Transportation Board and associated public meetings and special events.
- **Airport** budget includes an operational and two grant related funds that support airport administration, infrastructure maintenance (runway, taxiways, navigation & lighting systems and terminal building) and capital improvements. *With the new Fuel Farm complete, the budget now includes expenditures and revenues for the purchase and sale of aviation fuel.*
- **Capital Projects & Facilities** budget supports the maintenance of 47 County buildings comprised of 623,920 square feet of gross floor area including the delivery of capital projects and major facility renovations associated with the CIP and MFM Programs.
- **Custodial Maintenance** budget provides for daily cleaning utilizing environmentally friendly products, floor maintenance, window washing, and pest control of county facilities, to ensure all facilities meet health and safety standards while also supporting event reservations and activities.
- **Engineering** budget provides for project delivery that includes the study, design, and construction of multimodal transportation CIP projects including surveying and mapping support to all county departments.

Public Works Department

Budget Highlights

ATTACHMENT E

- **Fleet** operational budget supports the maintenance and repair of 637 light and heavy-duty vehicles and pieces of equipment while the Equipment Replacement Fund provides for their periodic replacement. Equipment replacement expenditures increased slightly; however, a healthy reserve balance is maintained for emergency losses and inflationary spikes.
- **Environmental Services** budget supports a sustainable community by providing a wide array of waste management and curb side recycling services as well as services at the Eco Station, seven days a week.
 - Increases associated with new contracts for refuse transport, landfill use and bear carts are reflected in the Professional/Contractual Services item; bear cart expenditures were also reclassified from the Materials/Supplies item.
 - Capital Outlay decreased with the removal of the anticipated loan for a compost facility; will be deferred to a future fiscal year.
- **Traffic & Streets** the combined operational, Pavement Preservation and Traffic Signals & Lighting budgets support roadway and right-of-way maintenance, including snow removal, vegetation control, streetlights, traffic signals, traffic signs, lane striping and pavement markings.
- **Transit** budget is comprised of the operational and several grant related funds that supports diverse public transportation services, including fixed-route transit, demand response, and paratransit along with seasonal transit to the nearby Bandelier National Monument.

COUNTY ASSESSOR

County Assessor

Significant Accomplishments

- Our **CAMA system** successfully met **IAAO standards** for sales ratio studies using **Automated Valuation Models (AVMs)**. Our AVMs are recognized as industry-leading and cutting-edge.
- The **Los Alamos County Assessor's Office** undergoes an annual evaluation by the **New Mexico State Property Tax Division** to assess its functions and identify potential improvements. The office has been **commended for excellence** in enforcing the **New Mexico property tax code** and maintaining high operational standards. Notably, **Los Alamos is one of the few counties that does not require a corrective action plan**.
- We introduced **Electronic Notices of Value (E-Notices)**, an **eco-friendly, convenient, and user-friendly** service for property owners to access their Notices of Valuation anytime. This online repository allows for future reference and ensures transparency by providing detailed breakdowns of valuations, exemptions, and classifications. Notices are mailed by **April 1st** annually and continuously updated.
- The **Los Alamos County Assessor's Office** actively engaged in community events, including the **Fair & Rodeo, Farmer's Market, County Customer Appreciation Day, and National Assessor's Day**. We also collaborated with the **New Mexico Department of Veteran Services** to assist property owners in applying for **valuation exemptions** and to provide valuable tax-related information.

County Assessor

Budget Highlights

1. The FY26 Proposed Budget will assure the functions and the responsibilities of the County Assessor are met in accordance with the Property Tax Code [7-36-16D NMSA 1978].
2. The General Fund experienced an increase, attributed to Salaries, Employee Benefits, and Interfund Services (Vehicle maintenance and General Insurance)
3. The Property Valuation Fund experienced a decrease due to Salaries & Employee Benefits.

Los Alamos County Clerk's Office

A Commitment to Transparency,
Efficiency, and Fiscal Integrity

County Clerk

Budget Highlights

- In preparing the FY2026 budget, the Clerk's Office has largely adhered to the guidance provided by County Senior Management, limiting increases of each object code to 3%. The only exceptions are in Temporary/Casual Wages the Training Budget, and IDC's reflecting the new administration's commitment to workforce development.
- The increase in temporary staffing expenses accounts for extended working hours for Deputy Clerk-Casuals and Student Clerks and the employment of poll workers to support two election cycles.

County Clerk

Budget Highlights

— Increased Election Costs

- A 2023 amendment to State Statute doubled the daily rate allowable for election workers and provided that the rate may differentiate between presiding judge, election judges, election clerks and messengers.
- A 2018 ESRA conference paper estimates the minimum cost per voter at approximately \$8.
- With 15,955 registered voters in Los Alamos County, the estimated minimum cost per election is \$127,640. With two elections scheduled in the upcoming year, the projected minimum total cost is \$255,280.

County Clerk

Budget Highlights

- Temporary Election Worker Wages
 - The primary cost of running elections is wages for temporary election workers, who ensure smooth and secure operations.
 - Requested wages:
 - » \$106,995 for the 2025 Regular Local Election (RLE).
 - » \$123,957 for the 2026 Primary Election.
- The requested funding remains well below the national per-voter cost benchmark demonstrating a fiscally responsible approach.

County Clerk

Budget Highlights

- Based on recent election cycles, Los Alamos County has been required to conduct recounts in compliance with statutory provisions when the margin between candidates falls within a specified threshold. The FY2026 budget has been structured to ensure adequate resources for such contingencies.
- Additionally, through a Memorandum of Understanding (MOU) with the New Mexico Secretary of State's Office, the costs associated with election workers will be reimbursed.
- This investment not only ensures cost-effective election administration but also reinforces our commitment to maintaining the current high standards of election operations and striving for continuous improvement.

County Clerk

Budget Highlights

- The recent implementation of the Records Management System (RMS) successfully digitized a significant volume of microfiche and digital data. Looking ahead to FY2026, the primary objective is to secure expertise to efficiently index and redact these documents, ensuring they are properly searchable for public access.
 - To keep costs manageable, we hope to leverage our Deputy Clerk-Casual employees to complete this work in-house.

County Clerk

Significant Accomplishments

- New Mexico ranks #1 in election administration according to the MIT Election Data and Science Lab's Elections Performance Index (EPI).
- Los Alamos County boasted the highest percentage of voter turnout by county in New Mexico in the 2024 General Election.
- For the 2024 General Election, Los Alamos saw a 75.3% voter turnout, with 12,323 total ballots cast. Of these, 8,246 were cast during early voting, 1,449 by mail, and 2,621 on election day.
- This General Election season, the County Clerk's Office introduced a Mobile Voting Unit designed to bring the voting process directly to the community, making it more accessible and convenient for all. The unit visited a range of locations—including senior centers, local high schools, and busy retail hubs—ensuring that voters of all ages and backgrounds had the opportunity to cast their ballots.
- The County Clerk's Office conducted a state-mandated recount and post-election audit, verifying that the results were accurate and matched the original count precisely.

County Clerk

Significant Accomplishments

- The Los Alamos County Clerk's Office worked with County IM Staff to update the Los Alamos Now app with comprehensive election related material. The app included details on polling locations, important dates, and sample ballots, making it easier than ever for residents to navigate the election process.
- The Clerk's Office is pleased to share that we've successfully integrated imported images from microfiche into our internal software and public website. These images are searchable by Document Number or Book/Page, though the general public may need additional assistance in locating specific deeds transferred from fiche.

COUNTY SHERIFF

County Sheriff

Significant Accomplishments

- The Sheriff's Department budget is designed to sustain and enhance management of the sex offender registry. All administrative duties and expenditures are centered around ensuring department employees are properly trained and equipped to provide efficient management of the registry.
- Currently, Los Alamos County has 6 registered sex offenders living within county limits.
- At the request of the New Mexico Department of Public Safety, Sheriff Jason Wardlow-Herrera, with the assistance of the Los Alamos Police Department, conducted verification house checks at all the residences of all registered sex offenders. These checks confirmed all offenders were in compliance with applicable regulations and acknowledged receipt of the sex offender guidelines. Desiree Miranda-Mendonca worked with six active sex offenders, completing 18 compliance registrations over 90 days each. The department is actively addressing all findings from the FBI and is collaborating with the LAPD Detention Center to use the LiveScan fingerprinting system for offender registration.

MUNICIPAL COURT

Municipal Court

Significant Accomplishments

COURT CLERKS:

- Court clerks attended a national training to learn how to better meet the needs of those in our community.
- The Courtroom maintains hybrid access to court, both online and in-person options. This allows greater access to justice. More compliance is met when defendants can be reached via email or phone.

PROBATION/PRE-TRIAL:

- Forty-four (44) people were served on pre-trial release. and
- Sixty-four (64) on probation.
- Three hundred and eighty-five (385) days were served on electronic monitoring in lieu of jail time.
- Pre-trial services began to utilize a needs assessment in alignment with a risk assessment to address issues faced by defendants.

COMMUNITYSERVICE:

- 31 weddings were performed at Ashley Pond
- 1,505 hours of community service were served.
- 92 number of Defensive Driving courses were completed.

Municipal Court

Significant Accomplishments

YOUTH/COMMUNITY PROGRAMS:

- One thousand, one hundred and one (1,101) youth attended the middle school pro-social activities called **Hawk Hangout** in FY24. After meeting with Los Alamos Public Schools and Los Alamos Police Department, the Municipal Court created a pro-social event to address risk taking behaviors in middle school youth. This is a collaboration with the YMCA, JJAB and Los Alamos Recreation Department.
- In collaboration with Los Alamos School District, Social Services, Los Alamos Family Council and JJAB, the Court began a series of Community Conversations focused on community education, mental health resources and substance abuse support. This led to a **youth summit** that was developed and supported by high school students. Over 160 community members attended a program.

TEEN COURT:

- One hundred (112) teens participated in the Teen Court Program.
- Teen Court is held every Wednesday afternoon, and we receive approximately 60 volunteers (7th-12th grade) who act as the attorneys, jury members or the judge.

Municipal Court

Budget Highlights

- The increase over the prior year's budget is based on the increases in salary and benefits and consolidating the bench warrant fund with the general budget.
- Continue support of the community with Teen Court, Probation and Pre-trial Release programing that serves Municipal, Magistrate and District Courts.
- Reduces jail expenses by offering Electronic Monitoring, Alcohol Monitoring and Drug Testing. New technology in drug testing was adapted to include fentanyl testing.
- By updating contracts for youth supports, Municipal Court has been able to expand harm reduction options by funding SMART recovery for juveniles and increased Grow Your Mind, a life skills program for 12–18-year-old students.

PROBATE COURT

Probate Court

Budget Summary

- In FY2026, the Probate Court will continue providing important public services, including estate probate and wedding ceremonies. Efforts to retain and retrieve records will also continue, helping the County Clerk respond to records requests more efficiently and support long-term archival needs.
- Salaries remain flat, while benefits costs have decreased due to adjustments in benefit selections and expenses. The rest of the budget has been increased by only 3%, following senior management guidance.

Probate Court

Significant Accomplishments

- Throughout FY2025, the Probate Court responded to several requests for additional explanation on the probate process, appointment scheduling, record searches, and provided documents to family members. In addition, the Court responded to Demands for Notice from financial institutions, life insurance companies, and law firms.
- In FY2025, the Probate Court will continue the services offered to the public for the probate of estates and performance of wedding ceremonies. The Probate Court will continue ongoing record retention and retrieval efforts, allowing the Probate Court, through the County Clerk, to more efficiently respond to records requests and perform long-term archival services.
