

General Information

All County Board and Commission members must be residents of Los Alamos County. Lodgers' Tax Advisory Board members, except the at-large community member, do not need to be residents if they are employed/represent an attraction or hotel.

Once a resident fills out and submits this application, an interview is scheduled with the B&C's County Council liaison, the relevant staff liaison, and the B&C Chair. After the interviews, the applicants' names are presented to the full Council during a regularly scheduled Council meeting, where a vote is taken regarding the appointment of each applicant. Each applicant will be notified if they are appointed or not.

Only on-line applications will be considered.

on this Board or Commission.)**

Helping adjust to the changing utilities "climate." The landscape is shifting rapidly and it's best we don't get left behind.

Peripherally both when working with the Conservation Commission and the Transportation Board.

**What volunteer or professional activities have you participated in that could apply to this
appointment?**

Hard to say. Large project management experience is often useful. The design of motors and peripheral systems for lightweight "drones" (including some consulting with projects at NASA Ames) familiarized me with battery/motor issues as they were at that time, and I have kept up in an amateur fashion.

**The time involved may be 10-15 hours per month or more. Are you able to serve the
volunteer hours and attend training needed to perform your duties as an appointee?**

So far, yes.

**Are there any issue or matters, financial or otherwise, that you are now or might become
involved in that may come before the Board or Commission for which you seek
appointment?**

None known.
