The councilors talked about the effectiveness of Darren the DARE Lion. Councilor Kristine Coblentz stated she felt that there were no evidence that the DARE Lion robot would prevent children and teens from drinking, doing drugs, or drinking and driving. The DARE Program itself has not shown to help decrease the number of youth from partaking in drugs.

The councilors agreed and decided that Sgt. Benjamin Irving should come to the next meeting and present to the council the evidence of the program and the real benefits of having Darren the DARE lion robot.

A motion was made by Chair Juanita McNiel, seconded by Vice-Chair Lauren Smith, that the DWI funding request made by Los Alamos Police Department for the Darren the DARE Lion robot be tabled until Sgt. Benjamin Irving presents to the board.

The Councilors reviewed the funding request and did make it clear that the Senior Appreciation Night was a great program that does help seniors stay out of trouble on Graduation night. They felt that if the YMCA wanted continued support that they should present a survey to have the participants take to give feedback on the event. Questioning what they would actually be doing if there weren't there, is the program a good way to keep them out of trouble, and if they liked the program. The councilors told Eli to report back to the YMCA as he does work closely with them and to share the results of the survey.

A motion was made by Councilor Jordan Redmond, seconded by Chair Juanita McNiel, that DWI approve the Senior Appreciation Night Funding request of \$4200.42 with the contingency that a survey is pushed to the seniors participating that night and the survey results be shared with the DWI Counsel.

Motion passed 6-0

Councilor Eli Argo abstained because of his employment with YMCA.

After Greg White made the comment about the questionable movie choices, Councilor Eli Argo talked to the councilors and Greg White about the process to select movies. Teens are given a survey as to what their choices of movies would be if the Teen Center showed them. Then the top five movies are reviewed by the Teen Center staff and they pick two to show. The movies selected are ones that the teens themselves pick and do enjoy watching.

A motion was made by Vice-Chair Lauren Smith, seconded by Councilor Rachel Mohr-Richards, that the DWI approve the funding request for the Midnight Movies with the contingency to have the participants take a survey and the results be shared with the DWI Council.
