

**General Information**

All County Board and Commission members must be residents of Los Alamos County. Lodgers' Tax Advisory Board members, except the at-large community member, do not need to be residents if they are employed/represent an attraction or hotel.

Once a resident fills out and submits this application, an interview is scheduled with the B&C's County Council liaison, the relevant staff liaison, and the B&C Chair. After the interviews, the applicants' names are presented to the full Council during a regularly scheduled Council meeting, where a vote is taken regarding the appointment of each applicant. Each applicant will be notified if they are appointed or not.

Only on-line applications will be considered.

## **Interests & Experiences**

**Why would you like to serve on this particular Board or Commission?**

---

Los Alamos is a vibrant, beautiful and highly capable county, and I'd like to be able to give back to it.

**What would you like to accomplish during your tenure on this Board or Commission? (Please identify any special interests you have that led you to become interested in serving on this Board or Commission.)**

---

I'd like to be able to contribute in a meaningful way about the present and future energy needs and usage of Los Alamos County. We have an abundance of energy resources available to us, and I'd like to be able to provide analyses and other information to policy makers to help them with their decisions.

**Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.**

---

Several years ago, I worked with one of the county Councilors, Dr. David Reagor when we were in the same organization at Los Alamos National Laboratory. In recent months, he and I spoke about this position opening up, and that if I were interested in it, I could apply. I saw the advertisement and link in the LA Daily Post.

**What volunteer or professional activities have you participated in that could apply to this appointment?**

---

I have 37+ years of professional experience in many topics relating to electrical power, energy systems, energy usage and storage, and management of energy systems. This experience could be used to help policy makers.

**The time involved may be 10-15 hours per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?**

---

yes, I'm able to volunteer.

**Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?**

---

none.

---
