WHEREAS, the County Council finds that automated speed enforcement offers a high rate of detection, and in conjunction with education, traffic engineering, and law enforcement measures, it can significantly improve traffic safety and prevent traffic related injuries and fatalities; and

WHEREAS, the County Council declares that enforcing speed limits using automated speed enforcement systems on streets where speeding drivers negatively impact traffic safety is a reliable and cost-effective means to prevent further injuries and fatalities and would be in the public interest; and

WHEREAS, the County Council declares that speeding is a nuisance that must be abated by the assessment of fines and finds that the purpose of this amendment is to encourage traffic safety to the motoring public, bicyclists, and pedestrians; and

- (b) This Article does not abrogate or impair enforcement authority of existing traffic laws by a Police Officer.
- (c) Based on records obtained by either fixed or mobile CSDs, a Police Officer shall review all CSD evidence. If the Police Officer determines that a violation has occurred, the Police Officer shall cause a Fine Notification to be Delivered to the Registered Owner. The Registered Owner is strictly and vicariously liable for the violation unless one of the exceptions herein applies. If there is more than one Registered Owner, all Registered Owners shall be jointly and severally liable.
- (d) Fine Notification.
 - i. Form and Contents. The Fine Notification shall state and contain the name of the Registered Owner or owners, or Nominee, the Effective Date of the Fine Notification, the type of violation, the date, time and location of the violation, a picture of the violation, the license number of the vehicle, the name and identification of the issuing Police Officer, the amount of the fine, whether the fine is a first or subsequent offense, the response due date and the address of the Department. A new Fine Notification will be Delivered to the Nominee. The Effective Date of the Fine Notification sent to the Nominee is the day the Fine Notification is issued to the Nominee as indicated on the face of the new Fine Notification. If the Nominee successfully appeals the allegation that the Nominee was the Driver, the County may proceed against the Registered Owner by issuing a subsequent Fine Notification to the Registered Owner with the Effective Date being the date so indicated on the face of the subsequent Fine Notification. If the County cannot assert jurisdiction over the Nominee, the Registered Owner is responsible, subject to the remaining defenses available in this Article. Any Registered Owner who submits an Owner's Affidavit does so under penalty of perjury.
- (f) Default. If the Department does not receive payment of the fine, a Nomination, or a request for a hearing within thirty-five (35) days from the Effective Date, the Registered Owner is in Default. The Hearing Officer shall render a decision in writing and provide the decision to the Department and Respondent. A determination by the Hearing Officer shall not impose a total amount of penalties or fines in excess of that provided in this Article. If the Department prevails, the Respondent shall pay the fine within thirty (30) consecutive days from the date of the decision, or the Respondent may appeal the decision of the Hearing Officer to the First Judicial District Court within thirty (30) days of the decision and may recover the costs of filing the appeal if successful.

- (3) The evidence does not show that a violation was committed involving the subject vehicle.
- (4) The Respondent is the Registered Owner but was not driving the vehicle at the time of the violation. To assert the defense, the Registered Owner shall identify the actual Driver and comply with the Nomination provisions above.
- (5) The Registered Owner did not receive notice because the Fine Notification was not mailed to the address of record with the MVD.
