Artificial Turf and Site Improvements

Feasibility Study

Consideration of opportunities for artificial turf use, accessibility, field realignment and facility improvements at North Mesa Sports Complex and Overlook Park.

- Community and Staff engagement process informed the recommendations for field realignment, synthetic turf products and installation options, maintenance, management, and site improvements, including accessibility, amenities, alternative energy use, and lighting.
- Requesting the adoption of the Artificial Turf and Site Improvements Feasibility Study as a tool to guide future decision making regarding North Mesa and Overlook Park.

Revisions to the final version of the report

Per comments received from staff:

- ✓ Added “and site improvements” to the title
- ✓ Added “accessibility” to the subtitle.
- ✓ Corrected all instances of study title throughout the report

Review & Approval Process

- **September 11th:** Parks & Recreation Board presentation (completed).
- **September 18th:** Environmental Sustainability Board presentation (completed).
- **October 9th:** Parks & Recreation Board – respond to PRB and ESB questions/comments/concerns.
- **October 28th:** Final report presented for consideration and approval by County Council
- **November 18th:** Requesting the adoption of the final report.

The background of the slide is a close-up, high-resolution image of green grass. The blades are vibrant green and densely packed, creating a textured, natural-looking surface. In the center of the slide, there is a semi-transparent white rectangular box with a thin dark border. Inside this box, the word "Questions?" is written in a bold, dark blue, sans-serif font.

Questions?
