1	Along with enjoying a work of art on Barranca Mesa it would be nice if this parcel would be developed so we could enjoy it more.	5/29/2025 1:17 PM
2	Needs park equipment but not too near homes that back up to the bare area	5/29/2025 10:01 AM
3	I've enjoyed the existing plaques and captions on deer trap. I'm concerned that the stated intent would alter the character of a neighborhood parcel where kids have been playing for years. They enjoy the open space. I'd like to see more detail about the size of the proposed features. There isn't enough information in this email.	5/28/2025 8:47 PM
4	The current land is used by the residents as a natural resource, especially for the kids to play in an undeveloped piece of property.	5/24/2025 12:33 PM
5	If a work of art can include a dog pot by the sidewalk I'm in!	5/23/2025 5:32 PM
6	I don't feel deprived by not having art on Barranca.	5/23/2025 2:24 PM
7	This "park"needs to be turned into an actual park. It has most recently been storage for dirt and heavy equipment. Art is great, but first it should be made nice.	5/19/2025 9:46 PM
8	I support functional art that can both enhance the environment and/or educate AND provide a recreational opportunity.	5/19/2025 9:39 PM
9	Do the plaques on Deer Trap not count as art?	5/19/2025 7:46 AM
10	Depends on what it is	5/17/2025 8:35 PM
11	It depends on the art, where it is placed, who it supports, and how appropriate it is for an area.	5/17/2025 5:51 PM

Art in Public Places: Homesteaders Project - Los Pueblos Park

12	As a Barranca Mesa teen, I have grown up riding my bike along this quick and fun route we call "The Bike Park". It holds happy memories and a fun time just as it is. However, as long as this "work of art" doesn't block any bike trails, and as long as installing it doesn't rip up the park, it would be ok.	5/17/2025 8:55 AM
13	Make it beautiful! Put some landscaping in around it too.	5/17/2025 8:51 AM
14	Dinosaurs to match the Dinosaurs park would be great	5/16/2025 8:43 PM
15	Provided it is impactful and not stupidly expensive	5/15/2025 5:20 PM
16	Develop the park to include a dog area.	5/15/2025 2:30 PM

1	Not just stuck at 500 Los Pueblos with nothing else useful around	5/29/2025 10:01 AM
2	The plaques on deer trap pay tribute well to the history of the homesteaders.	5/28/2025 8:47 PM
3	Maybe a cabin replica for picnics or playground with apparatus mimicking tools or vehicles of the period. A plaque telling the story of the family with an image of them would be appropriate as well.	5/19/2025 9:39 PM
4	Slight preference for updating/maintaining the existing plaques on Deer Trap trailhead	5/19/2025 7:46 AM
5	Look at my previous comment.	5/17/2025 5:51 PM
6	I don't want the bike park ruined.	5/17/2025 8:55 AM
7	That's the theme downtown LA (statues , historical)	5/16/2025 8:43 PM
8	Not appropriate location for art unless entire parcel improved	5/15/2025 12:25 PM

1	Define development. Just a statute would not be sufficient	5/29/2025 10:01 AM
2	The open space currently provided by this parcel appropriately serves the neighborhood. An art installation would not be seen by very many people. It's hard to believe people not living on Barranca would make the trip to see it.	5/28/2025 8:47 PM
3	This would be huge mistake as it is cherished by the nearby residents as it now stands. Development would take away from its current and decades old use.	5/24/2025 12:33 PM
4	Maybe place to sit, a dog pot by the sidewalk, etc, would be nice	5/23/2025 5:32 PM
5	I don't think the neighborhood can handle the additional traffic and general disruptions for a full park. I don't necessarily mind a statue and some native plants and landscaping work but beyond that parking and additional traffic is likely to be disruptive to those with homes in the area. The park next to the elementary school is suitable for the mesa and I think adding more maintenance and traffic for a similar setup is not worth the costs or disruption to the neighborhoods.	5/23/2025 2:24 PM
6	It's difficult to support the development without a site plan.	5/20/2025 6:33 PM
7	This long-neglected space needs a plan for development, after which (or part of that planning) appropriate art should be considered. Don't put the cart before the horse...	5/19/2025 9:46 PM
8	It needs to be developed. Just putting a statue there is not appropriate or sufficient.	5/19/2025 9:39 PM
9	Depends on the details	5/17/2025 8:35 PM
10	The lot provides a safe, wild space for neighborhood children and adults to explore.	5/17/2025 5:51 PM

Art in Public Places: Homesteaders Project - Los Pueblos Park

11	It has caused joy and fun just how it is.	5/17/2025 8:55 AM
12	Trees or dinosaurs (and trees)	5/16/2025 8:43 PM
13	I'd love to see a dog park and recreation area for kids and adults.	5/15/2025 5:25 PM
14	Given the housing challenges in Los Alamos, some consideration should be given to building housing on this lot.	5/15/2025 5:20 PM
15	Dog park and keep the bike trail that our kids used.	5/15/2025 2:30 PM
16	Depends on what the plans are	5/15/2025 1:20 PM

7	This lot has been bmx jumps since my childhood in the 80s and it should remain that way but I would support developing it into a formal pumptrack if no trees were removed	5/16/2025 2:34 PM

1	People whose back yards were on the space were angry. There would have to be times this could be used	5/29/2025 10:01 AM
2	I've lived close to the parcel since 1993. An open space fits well in this neighborhood. I think statues would be wasted here when keeping open space for kids would contribute to the friendly neighborhood vibe.	5/28/2025 8:52 PM
3	A little playground would be good for young families.	5/28/2025 7:06 AM
4	Leave this park in its natural state please.	5/24/2025 2:53 PM
5	This is one of the rare places in the neighborhood that is undeveloped for the use of our residents. There are many other parks within Barranca Mesa that are already developed. A statue could go at any one of those areas. Development of the site would only be to e beginning and add noise and light pollution to the neighborhood., and take away from the undeveloped resource that it currently provides.	5/24/2025 12:33 PM
6	There is already too much non-neighborhood traffic generated by Barranca Elementary. I support the homestead art, but only in the most minimal way - our area really doesn't nee anything that generates any more traffic. We definitely don't need an extra park. Let's put the money from that into maintaining the ones that the neighborhood already has.	5/23/2025 2:08 PM
7	This open space is small and rarely, to never, gets maintained by the county. I don't support picnic structure, playground or community garden. Barranca currently has two parks. This space is surrounded by homes which have dogs and I believe it could get loud. Thank you.	5/20/2025 6:34 PM
8	Come up with more ideas than just a sculpture of a homestead family.	5/19/2025 9:46 PM
9	Please advertise this better. One sign hung in bus stop that only a few people use (in front of park) is not adequate. A statue is not the best commemoration. Be more creative/impactful, and combine art with utility.	5/19/2025 9:39 PM
10	Please don't develop the land.	5/19/2025 8:38 PM
11	Please don't develop the land.	5/19/2025 6:44 PM
12	No	5/19/2025 5:09 PM
13	Homesteaders (and all of us) displaced Native Indigenous communities. My preference is for art that recognizes that.	5/19/2025 7:46 AM
14	With the increase of young families in Barranca Mesa we'd love a play ground and picnic area with BBQ pits	5/18/2025 8:19 AM
15	That area has traditionally been used by children and teens to make safe jumping bicycle jumping ramps and interesting bicycle dirt routes. I think having a wild space for children to explore is more important than art or any development.	5/17/2025 5:51 PM
16	The Bike Park is amazing just how it is, and I strongly discourage replacing the happiness it already has with a statue.	5/17/2025 8:55 AM
17	I love this idea. That plot of land needs so flowers too.	5/17/2025 8:52 AM
18	Dinosaurs los pueblos to match Dinosaurs park barranca is ideal , or trees	5/16/2025 8:43 PM
19	I'm	5/16/2025 2:34 PM
20	Place the statue at Deer Trap instead	5/16/2025 6:02 AM
21	Would prefer not to have a pickleball court	5/15/2025 8:05 PM

22	Focus on downtown development and existing infrastructure maintenance and replacement.	5/15/2025 6:50 PM
23	Affordable senior housing options are desperately needed in Los Alamos.	5/15/2025 5:20 PM
24	The deer enjoy the area. Keep a lot of it for the deer.	5/15/2025 2:30 PM
25	Where would people park if amenities such as picnic shelters are added? Also, late night gatherings of students or such would be inappropriate for the neighborhood.	5/15/2025 1:20 PM
26	I appreciated Joselyn and Betty taking time to talk with me about the project. I do not think art is needed here. Please find somewhere else	5/15/2025 10:50 AM
