RE: Discover Los Alamos LTAB's Tourism Visitation Report for the month of July 2025.

Dear Ellyn,

Here is my tourism report for the month of July 2025. All our attractions were lower in visitation this month as compared to previous years. No summer shuttles from the White Rock Visitor Center to Bandelier National Monument continues to impact our visitation with a large decline of visitors who are not coming into the center.

Sincerely,

Melanie Peña
