LOS ALAMOS

**INCORPORATED COUNTY OF LOS ALAMOS
SERVICES AGREEMENT**

This **SERVICES AGREEMENT** ("Agreement") is entered into by and between the **Incorporated County of Los Alamos**, an incorporated county of the State of New Mexico ("County"), and **Albuquerque Asphalt, Inc.**, a New Mexico corporation ("Contractor"), collectively (the "Parties"), to be effective for all purposes June 26, 2024 ("Effective Date").

WHEREAS, County is in need of On-Call Services for Roadway Repair and Construction for Public Works Traffic and Streets Division ("Facility"); and

WHEREAS, Section 31-3(b)(4) of the County Code of Ordinances allows procurement of services and construction with a person that has a contract with the State of New Mexico or any other New Mexico governmental entity, for the item, services or construction meeting the same standards and specifications as the items to be procured; and

WHEREAS, Contractor is a party to the State of New Mexico's General Services Department Purchasing Statewide Price Agreement 10-80500-20-16874; and

WHEREAS, the County Council approved this Agreement at a public meeting held on June 25, 2024; and

WHEREAS, Contractor shall provide the Services, as described below, to County.

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, County and Contractor agree as follows:

SECTION A. SERVICES:

1. General.

- a. Contractor shall supply on-call construction, installation, maintenance, and replacement work to the County on an as-needed basis (hereafter "Services") at the prices listed in Compensation Rate Schedule, attached hereto as Exhibit A, and made a part hereof for all purposes. County reserves the right, at its sole discretion, to separately quote or bid any construction project pursuant to the provisions of this Agreement. Contractor shall supply all materials, and specialty rental equipment.
- b. All work performed under this Agreement shall conform to the New Mexico Department of Transportation ("NMDOT") Standard Specifications for Highway and Bridge Construction, special provisions, standard drawings and supplemental specifications (current editions), which are available on the NMDOT website, at the following link: <http://dot.state.nm.us/content/nmdot/en/Standards.html>.
- c. Contractor shall ensure that the products used in conjunction with this Agreement have been submitted and approved through the NMDOT Product Evaluation Program prior to placement on a project.
- d. Contractor shall provide competent supervision and skilled personnel to perform all work covered by this Agreement.

- e. Contractor shall be responsible for all cleanup work on the project site and at the equipment storage areas prior to the final inspection and acceptance.
- f. Mobilization shall be in conformance with the rates in Exhibit A and shall be on a per mile basis. Mileage shall be measured and paid from the Contractor's designated base station to the job site or when applicable mileage will be measured from an existing job site to the new job site and payment shall be for whichever distance is less. No payment shall be made for the Contractor's return to their designated base station. County's Traffic and Streets Manager or their designee shall approve the distance used for payment and their decision shall be final.
- g. Hauling of material shall be billed on a per hour or per ton mile basis in conformance with the rates in Exhibit A. County's Traffic and Streets Manager or their designee shall approve the distance and time used for payment and their decision shall be final.
- h. Projects requiring traffic control must conform to the Manual of Uniform Traffic Control Devices and must be approved by Los Alamos County Traffic Division staff prior to work commencing. If a single traffic control plan can be used for multiple areas, the County may approve this practice. If appropriate and acceptable, the traffic control plan should list each area covered by the single plan that applies. Traffic permit fees shall be waived by the County, for County projects.
- i. Contractor shall furnish to County a one (1) year warranty for workmanship after initial acceptance. If warranties are called for in the specifications or given by the manufacturer in excess of one (1) year, all defects shall be corrected as stated previously for the warranty period.

2. Task Order Process

- a. All Services shall be performed by Task Order. County will generally provide at least two (2) business days' notice, to alert and request Contractor to perform the Services required under any Task Order. Task Orders shall be scheduled for work around a regular five (5) day work week, Monday through Friday, forty (40) hours per week, unless otherwise agreed by both Parties.
- b. County's Project Manager shall request the Services of Contractor for individual or multiple projects through a written Request for Quote(s). Each written Request for Quote(s) shall identify the work and Services to be performed and a timeline for completion. A written Request for a Quote(s) may be as detailed or may include plans and specifications for the purpose of defining the specific Scope of Services within a Task Order, as County finds necessary to assure appropriate oversight of the Services to be performed.
- c. Upon the County's issuance of a written Request for Quote(s), Contractor shall provide a written, itemized quote for the task(s), work, and/or Services requested by Project Manager ("Quote"). The Quote shall provide, in writing, the proposed material costs, labor hours, and labor type necessary to complete the Services. Costs shall conform to the rates described in Exhibit A, Compensation Rate Schedule, as a fixed price. Any proposed progress billing and payment shall be provided by Contractor in the Quote and is subject to approval by County's Project Manager. Preparation and work performed to prepare Quotes shall be considered incidental to the awarded Task Order and not compensable. A sample Task Order is provided in Exhibit B, attached hereto, and made a part hereof for all purposes.
- d. If Contractor's Quote is signed by Contractor and acceptable to County, County's Project Manager shall provide Contractor with written approval ("Approved Task Order"). After receipt of the Approved Task Order, County and Contractor shall schedule the Services. Contractor is authorized to begin Services only upon receipt of the Approved Task Order.

- e. The Approved Task Order shall be adjusted only upon the written agreement of the County after a finding that a change to the Approved Task Order is necessary and justifiable. Contractor's failure to reasonably estimate the cost of completing the Services in the first instance, shall not be a justification for modifying the Approved Task Order. Modifications to the maximum amount for the Approved Task Order must be agreed upon by County prior to Contractor continuing the performance of Services. Amended Task Orders shall be identified with letters following the Task Order number, i. e. (TO1A, TO1B, etc.). In no event shall the total of the maximum amount for all Approved Task Orders exceed the maximum aggregate amount of compensation set forth herein unless modified in writing and mutually agreed upon by the Parties. Unanticipated events shall not necessarily form the basis for additional compensation to Contractor.
- f. Contractor shall take any and all actions to timely complete the Services agreed to in the Approved Task Order.
- g. This Agreement shall not provide Contractor with a guarantee that County will accept Contractor's Quotes or award Contractor Approved Task Orders. County reserves the right, at its sole discretion, to separately quote or bid any project. County's issuance of a written Request for Quote(s) is not a guarantee of work to Contractor. County, at its sole discretion, shall determine when Contractor's Services are required and shall issue written Request for Quote(s) as needed.

3. Pay of Prevailing Wages and Bond Requirements

- a. Individual Task Orders which exceed the state prevailing wage threshold shall be subject to a Wage Rate Decision. County shall obtain and provide the Wage Rate Decision and inform the Contractor prior to the preparation of the Task Order.
- b. Contract Performance Bonds and Payment Bonds: When an individual Task Order is awarded in excess of the state prevailing wage threshold, the following bonds or security shall be delivered to the County and shall become binding on the parties upon the execution of the individual Task Order. A sample Performance Bond and Payment Bond are attached hereto as Exhibit C, and made a part hereof for all purposes:
 - i. A performance bond satisfactory to the County, executed by a surety company authorized to do business in the state or otherwise secured in a manner satisfactory to the County, in an amount equal to one hundred (100%) percent of the price specified in the individual Task Order; and
 - ii. A payment bond satisfactory to the County, executed by a surety company authorized to do business in the state or otherwise secured in a manner satisfactory to the County, for the protection of all persons supplying labor and material to the contractor or its subcontractors for the performance of the work provided for in the individual Task Order. The bond shall be in an amount equal to one hundred (100%) percent of the price specified in the individual Task Order.

SECTION B. TERM: The term of this Agreement shall commence June 26, 2024, and shall continue through December 31, 2025, unless sooner terminated, as provided herein. The Agreement may be renewed by mutual agreement of the Parties, for an additional one (1) year term, consistent with applicable procurement and appropriations laws.

SECTION C. COMPENSATION:

- 1. Amount of Compensation.** County shall pay compensation for performance of the Services in accordance with the Compensation Rate Schedule set out in Exhibit A. Compensation for this Agreement shall not exceed FIVE MILLION AND NO/100 DOLLARS (\$5,000,000.00) over

the entire Term of this Agreement and which amount does not include applicable New Mexico gross receipts taxes ("NMGRT"). There shall be no reimbursable expenses (e.g., printing, travel, lodging, food, entertainment, etc.) allowed under this Agreement.

- 2. Total Not-to-Exceed Compensation Amount.** The Parties understand that County can only utilize Contractor's Services, as specified herein, throughout the Term of this Agreement, in a manner that does not surpass the total not-to-exceed compensation amount for Services originally estimated by County and specified in Section C(1) herein, unless approved by Amendment to this Agreement. Any increase to the not-to-exceed compensation amount provided herein must be authorized by an Amendment to this Agreement. It is the sole responsibility of Contractor to ensure that all work performed does not exceed the not-to-exceed amount of this Agreement and any subsequent Amendment. Any work performed under this Agreement by Contractor where the costs exceed the not-to-exceed amount is not a just and lawful debt payable to Contractor.
- 3. Invoices.** Contractor shall submit itemized invoices to County's Traffic and Streets Manager or designee showing amount of compensation due, amount of any NMGRT, and total amount payable. The invoice shall include a copy of the agreed upon and accepted pricing based on the attached Exhibit A. Payment of undisputed amounts shall be due and payable thirty (30) days after County's receipt of the invoice. Itemized invoices shall be submitted at the completion of Task Order/s unless the Traffic and Street Manager or their designee specifies differently in writing to the Contractor.

SECTION D. TAXES: Contractor shall be solely responsible for timely and correctly billing, collecting and remitting all NMGRT levied on the amounts payable under this Agreement.

SECTION E. STATUS OF CONTRACTOR, STAFF, AND PERSONNEL: This Agreement calls for the performance of services by Contractor as an independent contractor. Contractor is not an agent or employee of County and shall not be considered an employee of County for any purpose. Contractor, its agents, or employees shall make no representation that they are County employees, nor shall they create the appearance of being employees by using a job or position title on a name plate, business cards, or in any other manner, bearing County's name or logo. Neither Contractor nor any employee of Contractor shall be entitled to any benefits or compensation other than the compensation specified herein. Contractor shall have no authority to bind County to any agreement, contract, duty, or obligation. Contractor shall make no representations that are intended to, or create the appearance of, binding County to any agreement, contract, duty, or obligation. Contractor shall have full power to continue any outside employment or business, to employ and discharge its employees or associates as it deems appropriate without interference from County; provided, however, that Contractor shall at all times during the term of this Agreement maintain the ability to perform the obligations in a professional, timely, and reliable manner.

SECTION F. STANDARD OF PERFORMANCE: Contractor agrees and represents that it has and shall maintain the personnel, experience, and knowledge necessary to qualify it for the particular duties to be performed under this Agreement. Contractor shall perform the Services described herein in accordance with a standard that meets the industry standard of care for performance of the Services.

SECTION G. DELIVERABLES AND USE OF DOCUMENTS: All deliverables involving intellectual property rights, if any, required under this Agreement, including material, products, reports, policies, procedures, software improvements, databases, and any other products and

processes, whether in written or electronic form, shall remain the exclusive property of and shall inure to the benefit of County as works for hire; Contractor shall not use, sell, disclose, or obtain any other compensation for such works for hire. In addition, Contractor may not, with regard to all work, work product, deliverables, or works for hire required by this Agreement, apply for, in its name or otherwise, any copyright, patent, or other property right, and acknowledges that any such property right created or developed remains the exclusive right of County. Contractor shall not use deliverables in any manner for any other purpose without the express written consent of County.

SECTION H. EMPLOYEES AND SUB-CONTRACTORS: Contractor shall be solely responsible for payment of wages, salary, or benefits to any and all employees or contractors retained by Contractor in the performance of the Services. Contractor agrees to indemnify, defend, and hold harmless County for any and all claims that may arise from Contractor's relationship to its employees and subcontractors.

SECTION I. INSURANCE: Contractor shall obtain and maintain insurance of the types and in the amounts set out below throughout the term of this Agreement with an insurer acceptable to County. Contractor shall assure that all subcontractors maintain like insurance. Compliance with the terms and conditions of this Section is a condition precedent to County's obligation to pay compensation for the Services, and Contractor shall not provide any Services under this Agreement unless and until Contractor has met the requirements of this Section. County requires Certificates of Insurance, or other evidence acceptable to County, stating that Contractor has met its obligation to obtain and maintain insurance and to assure that subcontractors maintain like insurance. Should any of the policies described below be cancelled before the expiration date thereof, notice shall be delivered in accordance with the policy provisions. General Liability Insurance and Automobile Liability Insurance shall name County as an additional insured.

1. **General Liability Insurance:** ONE MILLION DOLLARS (\$1,000,000.00) per occurrence; TWO MILLION DOLLARS (\$2,000,000.00) aggregate.
2. **Workers' Compensation:** In an amount as may be required by law. County may immediately terminate this Agreement if Contractor fails to comply with the Worker's Compensation Act and applicable rules when required to do so.
3. **Automobile Liability Insurance for Contractor and its Employees:** ONE MILLION DOLLARS (\$1,000,000.00) combined single limit per occurrence; TWO MILLION DOLLARS (\$2,000,000.00) aggregate on any owned, and/or non-owned motor vehicles used in performing Services under this Agreement.

SECTION J. RECORDS: Contractor shall maintain, throughout the term of this Agreement and for a period of six (6) years thereafter, records that indicate the date, time, and nature of the services rendered. Contractor shall make available, for inspection by County, all records, books of account, memoranda, and other documents pertaining to County at any reasonable time upon request.

SECTION K. DUTY TO ABIDE: Contractor shall abide by all applicable federal, state, and local laws, regulations, and policies and shall perform the Services in accordance with all applicable laws, regulations, and policies during the term of this Agreement.

SECTION L. NON-DISCRIMINATION: During the term of this Agreement, Contractor shall not discriminate against any employee or applicant for an employment position to be used in the performance of the obligations of Contractor under this Agreement, with regard to race, color,

religion, sex, age, ethnicity, national origin, sexual orientation or gender identity, disability, or veteran status.

SECTION M. CHOICE OF LAW: The interpretation and enforcement of this Agreement shall be governed by and construed in accordance with the laws of the State of New Mexico.

SECTION N. VENUE, FORUM NON-CONVENIENS, EXCLUSIVE STATE JURISDICTION: County and Contractor knowingly, voluntarily, intentionally, and irrevocably agree that any and all legal proceedings related to this Agreement, or to any rights or any relationship between the parties arising therefrom, shall be solely and exclusively initiated, filed, tried, and maintained in the First Judicial District Court of the State of New Mexico. County and Contractor each expressly and irrevocably waive any right otherwise provided by any applicable law to remove the matter to any other state or federal venue, consents to the jurisdiction of the First Judicial District Court of the State of New Mexico in any such legal proceeding, waives any objection it may have to the laying of the jurisdiction of any such legal proceeding. County and Contractor also agree that this term is a material inducement for each to enter this Agreement, and that both County and Contractor warrant and represent that each have had the opportunity to review this term with legal counsel.

SECTION O. WAIVER OF JURY TRIAL: In the event of any action or proceeding, (including without limitation, any claim, counterclaim, cross-claim or third party claim) arising out of or, relating to this Agreement, or the transaction contemplated by this Agreement, County and Contractor KNOWINGLY, VOLUNTARILY, INTENTIONALLY, AND IRREVOCABLY WAIVE ANY RIGHT TO A JURY TRIAL, and agree that a court shall determine and adjudicate all issues of law and fact with a jury trial being expressly waived. County and Contractor also agree that this waiver of a jury trial was a material inducement for each to enter this Agreement, and that both County and Contractor warrant and represent that each have had the opportunity to review this jury waiver with legal counsel.

SECTION P. INDEMNITY: Contractor shall indemnify, defend, and hold harmless County, its Council members, employees, agents, and representatives, from and against all liability, claims, demands, actions (legal or equitable), damages, losses, costs, or expenses, including attorney fees, of any kind or nature, to the extent that the liability, claims, demands, actions, damages, losses, costs, and expenses are caused by, or arise out of, the acts or omissions of the Contractor or Contractor's officers, employees, agents representatives, and subcontractors in the performance or breach of the Services under this Agreement.

SECTION Q. FORCE MAJEURE: Neither County nor Contractor shall be liable for any delay in the performance of this Agreement, nor for any other breach, nor for any loss or damage arising from uncontrollable forces such as fire, theft, storm, war, or any other force majeure that could not have been reasonably avoided by exercise of due diligence; provided, however, that the Party failing to perform shall (i) as soon as possible, inform the other Party of the occurrence of the circumstances preventing or delaying the performance of its obligations, and describe at a reasonable level of detail the circumstances causing such delay, and (ii) exert reasonable efforts to eliminate, cure, or overcome any of such causes and to resume performance of its Services with all possible speed. In such event, the non-performing Party may be excused from any further performance or observance of the obligation(s) so affected for as long as such circumstances prevail and such Party continues to use its best efforts to recommence performance or observance whenever and to whatever extent possible without delay.

SECTION R. NON-ASSIGNMENT: Contractor shall not assign this Agreement or any privileges or obligations herein and shall not novate this Agreement to another without the prior written consent of the County Manager.

SECTION S. LICENSES: Contractor shall maintain all required licenses including, without limitation, all necessary professional and business licenses, throughout the term of this Agreement. Contractor shall require and shall assure that all of Contractor's employees and subcontractors maintain all required licenses including, without limitation, all necessary professional and business licenses.

SECTION T. PROHIBITED INTERESTS: Contractor agrees that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its services hereunder. Contractor further agrees that it shall not employ any person having such an interest to perform services under this Agreement. No County Council member or other elected official of County, or manager or employee of County shall solicit, demand, accept, or agree to accept, a gratuity or offer of employment contrary to Section 31-282 of the Los Alamos County Code.

SECTION U. TERMINATION:

1. **Generally.** The County Manager may terminate this Agreement with or without cause upon ten (10) days prior written notice to Contractor. Upon such termination, Contractor shall be paid for Services actually completed to the satisfaction of County at the rate set out in Section C. Contractor shall render a final report of the Services performed to the date of termination, and shall turn over to County originals of all materials prepared pursuant to this Agreement.
2. **Funding.** This Agreement shall terminate without further action by County on the first day of any County fiscal year for which funds to pay compensation hereunder are not appropriated by County Council. County shall make reasonable efforts to give Contractor at least ninety (90) days advance notice that funds have not been and are not expected to be appropriated for that purpose.

SECTION V. NOTICE: Unless otherwise provided in this Agreement, any notices required under this Agreement shall be made in writing. Notices shall be sent via 1) hand-delivery; 2) registered or certified mail; 3) a nationally recognized overnight courier service; or 4) electronic mail (with copy by mail or courier).
