Dear County Councilors,

Please accept my application to serve on the Los Alamos County Board of Registration. I recently completed my second two-year appointment to the Board and would be glad to serve on the Board for another two years.

Although the Board has a limited number of responsibilities, I feel that the Board has an important role in assuring the integrity of the voting and election process for the residents of Los Alamos County. I also found working with the County Clerk's Office and my fellow colleagues on the Board to be an enjoyable and pleasant experience. Thank you for considering my application.

Sincerely,

Cameron Counters

Ms Matteson,

I would like to be considered for a position on the Los Alamos County Board of Registration. I am a registered Libertarian Party Voter, and do not fall under any of the exclusions.

Thank you for your consideration.
