

**INCORPORATED COUNTY OF LOS ALAMOS, NEW MEXICO
FINAL ADOPTION OF FY2026-2030 INFRASTRUCTURE CAPITAL IMPROVEMENT PLAN (ICIP)**

TRANSMITTAL TO THE DEPARTMENT OF FINANCE AND ADMINISTRATION

Resolved: The Incorporated County of Los Alamos, New Mexico recognizes that the financing of public capital projects has become a major concern in New Mexico and nationally, and in times of scarce resources, it is necessary to find new financing mechanisms and maximize the use of existing resources. It also recognizes systematic capital improvements planning is an effective tool for communities to define their development needs, establish priorities and pursue concrete actions and strategies to achieve necessary project development, and that this process contributes to local and regional efforts in project identification and selection in short and long range capital planning efforts.

The County Council of the Incorporated County of Los Alamos, New Mexico, has adopted the attached updated Infrastructure Capital Improvement Plan, and it is intended that the Plan be a working document and is the first of many steps toward improving rational, long range capital planning and budgeting for New Mexico's infrastructure.
