RE: Discover Los Alamos LTAB's Tourism Visitation Report for the month of March 2026.

Dear Ellyn,

Here is my tourism report for March 2026. Visitation has increased during March because of spring break. Visitors were unfortunately turned away from Bandelier National Monument due to filled parking lots and hopefully visitors then visited Los Alamos instead. The delay in getting this report completed was due to attractions not having visitation numbers available.

Sincerely,

Melanie Peña
