Which Boards would you like to apply for?

Transportation: Submitted

Why would you like to serve on this particular Board or Commission?

I have always been interested in Public Transportation. I am an avid ACT rider. I am also concerned about the development of this county, and want to get a better understanding of how roads and public transit impact that development

What volunteer or professional activities have you participated in that could apply to this appointment?

I have served on the County P&Z for 7 years, as well as the White Rock Implementation Committee for 3 years.

The time involved may be 10-15 hours per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?

yes

**What would you like to accomplish during your tenure on this Board or Commission?
(Please identify any special interests you have that led you to become interested in serving
on this Board or Commission.)**

I am (or was) familiar with the development plans for the county, and how those plans affected the economic growth of the county. Transportation can play a big role in economic development, as well as impact the quality of life within the county. I would like to be involved in a decision making process that affects the economic vitality- specifically in regards to transportation. Hopefully those decisions will have a positive impact.

Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.

Mr. Jon Bulthuis is my neighbor. I have had occasion to discuss the state and effectiveness of ACT from time to time with him.

Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?

no
