Attachment A

Place an X in the column on the right if the Council priority is related to the work of the Board or Commission:

Quality Governance	
Quality governance is participatory, consensus-oriented, transparent, accountable, effective, efficient, and re-	sponsive
to the present and future needs of stakeholders.	
Communication and Engagement	
Inform, educate, and solicit feedback from the community and boards and commissions on County projects, policies, and priorities to promote a culture of open communication and collaboration and foster exceptional customer service.	
Intergovernmental, Tribal, and Regional Relations	
Collaborate and problem-solve with the County's major employers; community partner organizations; neighboring Pueblos; and regional, state, and national governmental entities.	
Fiscal Stewardship	
Maintain fiscal sustainability, transparency, and compliance with applicable budgetary and financial regulatory standards.	
Operational Excellence Operational excellence involves having structures, processes, standards, and oversight in place to ensure that services are efficiently delivered within available resources and that services continuously improve. Effective, Efficient, and Reliable Services	t effective
Deliver customer-focused, accessible, reliable, and sustainable services to the community through sound financial management, collaborative decision-making, and efficient implementation.	
Infrastructure Asset Management	
Evaluate the County's assets and infrastructure and prioritize funding to first maintain and protect those investments and second to inform new investments.	
Employee Recruitment and Retention	
Attract and employ diverse and highly qualified staff; retain staff through development opportunities, compensation, and benefits; and promote staff to address increasingly complex challenges.	
Economic Vitality Economic vitality encompasses the ability of the community to diversify, develop, grow, and sustain the man elements necessary for a local economy to flourish.	ny
Housing	
Increase the capacity for new housing development and the amount and variety of housing types to meet the needs of a changing and growing population, particularly middle- and lower-income households.	
Local Business	
Encourage the retention of existing businesses, facilitate the startup of new businesses, and assist in opportunities for growth.	
Downtown Revitalization	
Revitalize the downtown areas of Los Alamos and White Rock by facilitating development opportunities in accordance with the downtown master plans.	
Tourism and Special Events	
Sponsor special events, support major employer and community events, and promote tourism by enhancing amenities, utilizing facilities and contract services, and encouraging overnight stays.	
Community Broadband	
Provide community broadband as a basic essential service that will enable reliable high-speed internet services throughout the County at competitive pricing.	

Quality of Life Quality of life is a reflection of general well-being and the degree to which community members are healthy,
comfortable, welcomed, included, and able to enjoy the activities of daily living. Health, Wellbeing, and Social Services
Improve access to behavioral, mental, and physical health and social services and amenities to address dentified issues and promote wellbeing in the region.
Diversity, Equity, and Inclusivity
Promote diversity, equity, and inclusivity through community awareness training, targeted events, and expanded opportunities for diverse interests.
Mobility
Improve and expand access to, and all-ability accommodations for, alternative modes of travel including bublic transit, cycling, and walking amenities and services.
Educational, Historical, and Cultural Amenities
Promote educational and cultural opportunities, in coordination with community partners, and provide for the preservation and restoration of historic buildings and the protection of archaeological sites.
Open Space, Parks, and Recreation
Manage County open space and maintain and improve parks and recreation facilities, trails, and amenities as defined by adopted plans and approved projects.
Public Safety
Ensure overall community safety through proactive and sustained implementation of police, fire hazard mitigation, and emergency response plans.
Environmental Stewardship Environmental stewardship is the responsible use and protection of the natural environment through active participation in conservation efforts and sustainable practices in coordination with community and organizational partners.
Natural Resource Protection
Take actions to protect the wildlife and wildland interface, safeguard water, and mitigate tree loss in the community.
Greenhouse Gas Reduction
Establish targets for achieving net-zero greenhouse gas emissions and integrate sustainability and resiliency practices into County policies and operations.
Carbon-Neutral Energy Supply
Achieve carbon neutrality in electrical supply by 2040 through diversified carbon-free electric sourcing and phase out natural gas supply by 2070 through energy-efficient, all-electric buildings.
Water Conservation
Reduce potable water use and increase non-potable water use and water harvesting for irrigation where suitable.
Waste Management
Manage waste responsibly by diversion of solid waste from landfills through recycling, re-use, composting, and waste reduction programs and zero-waste education campaigns; and pursue efficient ong-term solutions for disposal of solid waste.
