Submitted At: 8:25am 10-19-24

On October 9th in White Rock, we lost another high school student, Jaden Lloyd. In view of this, and seeing Council's quick action to bring traffic safety up so quickly following the death of Charlie McMillan on September 6th, I ask that a discussion of behavioral health issues with possible action be added in the near future on Council's agenda.

ROAD & TRAFFIC SAFETY DISCUSSION

Incorporated County of Los Alamos

Police Chief, Dino Sgambellone &
Public Works Director, Juan Rael

Los Alamos County Council
Work Session

October 22, 2024

Los Alamos County Council
Work Session
October 22, 2024
Item 6.D
Attachment A

Supports Council Goals

- Quality of Life
 - Mobility
 - Public Safety

Existing LAPD Strategies

Existing strategies combine enforcement, education, and prevention.

- Enforcement activities including traffic citations and warnings, DUI checkpoints, traffic safety operations.
- Educational outreach through press releases, website development, annual report data, public discussion/presentation.
- Preventative engagement to include programmatic initiatives, community partnerships, County department collaborations, and CodeRed alerts.

Potential Enhancements to Traffic Safety Strategies

Automated Speed Enforcement is a potential strategy designed to reduce serious accidents and fatalities through a reduction in overall speed.

- Evidence-based
- ABQ is seeing 80% reduction in incidents of dangerous speeding
- Infrastructure required

A local Ordinance banning the use of handheld phones while driving is a potential strategy to impact traffic safety.

- Many studies have shown the use of a cell phone while driving increases the risk of accident
- Many times, it is hard to know the “why”

Safety Statistics

- 6 fatal accidents in County since December 2016
- 62 vehicle versus wildlife in 2023; 48 in 2024 through September

Fatal Crash Locations – Last 8 Years

Coordination

NMDOT: Recent Discussions

Partnership-Driven Solutions

- Emphasizing the importance of collaborative efforts

Regional Collaboration

Key Stakeholders

- Los Alamos National Laboratory (LANL)
- New Mexico Department of Transportation (NMDOT)
- San Ildefonso Pueblo
- Santa Fe County
- New Mexico Department of Game and Fish (NMDGF)

Standards-Based Approach

- Commitment to evaluations aligned with national engineering standards

Recommended Next Steps

Return to Council for Consideration of New Local Ordinances

- Speed Camera
- Cell phone use in County

Evaluating the Feasibility of Immediate Improvements:

- Rumble Strips on NM 502 (LAC/NMDOT)
- Review of NM 502 Speed Limits (LAC/NMDOT)

Public Involvement

- Engaging in coordination efforts with:
 - Residents and Commuters (Townhall and Survey)
 - Los Alamos National Laboratory (LANL)
 - New Mexico Department of Transportation (NMDOT)
 - San Ildefonso Pueblo
 - Santa Fe County

Funding Opportunities

- Develop budget options for consideration during Council Budget Hearings (April 2025)
