(Y/N)	Council Introduction Date	Council Consideration Date	Award Date		
Herman Manzanares	Los Alamos Lock & Key	Other	9/2/2025	Complete ADA accessibility upgrades to the building exterior, along with additional improvements including window replacements, new signage, and repainting.	\$100,000		9/4/2025	9/16/2025	The applicant's building is located in a residential zone. The zoning documentation submitted by the applicant does not match County records. The applicant has since withdrawn his application.	Fail	10/30/2025	Withdraw application via email 10/9/2025											
Sheetal Patel	LAC Hotel (Wingate)	Cultural and Recreational Tourism	9/3/2025	Upgrade the building exterior with new landscaping and parking lot improvements (including a BBQ area for guests), along with renovations to all common areas and guest rooms.	No Specified Sum		9/4/2025	9/16/2025	Applicant was informed of the requirement to demonstrate direct economic benefit to Los Alamos County, such as job creation or increased gross receipts tax revenue. The applicant indicated intent to reevaluate the initial request and identify a project that may qualify for eligibility. LAC Staff is awaiting submission of a revised application.	TBD	11/12/2025												
Laura Cruet	Pig & Fig	Food Service	9/3/2025	Replace HVAC system and all windows, upgrade outdated plumbing, and replace electrical panels.	\$100,000		9/4/2025	9/16/2025	LAC Staff met with applicant and explained eligibility requirements and need for direct economic impacts in the way of new job creation and/or increased GRT revenues to the County. Applicant plans to revise request and resubmit.	TBD	11/12/2025												
Chris Daniels, CEO	LA YMCA	Other	9/3/2025	Repair or replace stucco, plumbing, flooring, and ceilings.	No Specified Sum		9/4/2025	9/15/2025	LAC staff informed the applicant that the proposed project is not an eligible use of LEDA funds. The applicant stated that the YMCA plans to initiate a capital campaign and intends to resubmit a LEDA funding request in the future (date TBD).	Fail	10/30/2025												
Dawn Cline	Aspen Copies	Other	9/4/2025	The applicant is seeking LEDA Retail funds to purchase used reprographic equipment for her existing business.	\$20,000		9/4/2025	9/19/2025	LAC Staff met with applicant to discuss the eligibility requirements. Applicant intends to submit Part 2 application requesting funding to purchase used repro equipment from another vendor closing their business. In a follow-up conversation at Applicant's business on 10/17, further discussion was had regarding the need to demonstrate direct economic impact from use of the funds and options for securing the grant.	Fail	10/07/2025 Eil in person	11/14/2025	Sent letters on 11/21/2025 and 12/17/2025 to her on how she could estimate future sales.										
Steven DiMarino	Musculoskeletal Specialists	Personal & Health Care	9/4/2025	The applicant is seeking funding assistance to secure an affordable, permanent location for their existing business.	No Specified Sum		9/12/2025	9/18/2025	LAC staff met with the applicant to review eligibility requirements and the need to demonstrate direct economic impacts through new job creation and/or increased gross receipts tax (GRT) revenue to the County. The applicant plans to submit a revised application proposing the development of a part-time training facility.	TBD	11/12/2025												
Michelle Talley	Inspired Jewellers-555 Oppenheimer	Other	9/4/2025	The applicant is seeking funds for a project that involves replacement of the existing roof, repairs to existing stucco, replacement of several windows, and upgrades to the existing HVAC system.	No Specified Sum		9/4/2025	9/16/2025	LAC Staff informed applicant that the proposed project was not an eligible use of LEDA funds.	TBD	11/12/2025												
Cullan Yuan	Meishiyuan 1c dba Yuans Dumplings	Food Service	9/4/2025	The applicant is seeking LEDA Retail funds to purchase new restaurant equipment and an "Air Curtain" to accommodate expanded outdoor dining.	\$60,000		9/4/2025	9/15/2025	LAC staff met with the applicant to review eligibility requirements and the need to demonstrate direct economic impacts through new job creation and/or increased gross receipts tax (GRT) revenue to the County. The applicant has submitted an application; however, additional information was requested. The application is pending committee review.	Pass	10/30/2025	10/1/2025	10/4/2025, 10/06/2025, 11/05/2025	Staff met with the applicant on 11/19/2025 via zoom. The discussion focused on the requirements and obligations of the PPA. Cullan and he said he's going to talk over these requirements with his wife and would contact staff when he returns to Los Alamos in early 2026.	Met with Mr. Yuan. He said he asked that we withdraw the application at this time due to concerns with collateral and performance obligations. 1/1/2026								
Loren Valdez	Valdez Insurance	Other	9/4/2025	The applicant is seeking funds to expand office space. Request requires renovations, FF&E upgrades, and new signage.	\$60,000		9/4/2025	9/17/2025	LAC Staff informed applicant that the proposed project was not an eligible use of LEDA funds.	Fail	10/30/2025												
Margarita Guarin	Building Owner 555 Oppenheimer	Other	9/5/2025	The project request included replacement of the existing roof and repairs to existing stucco. The applicant noted that all tenants of 555 Oppenheimer would benefit from these improvements.	\$40,000		9/5/2025	9/15/2025	LAC Staff informed applicant that the proposed project was not an eligible use of LEDA funds.	Fail	10/30/2025												
Laura Heitch	High Mesa Dental	Personal & Health Care	9/8/2025	The project request included replacement of the existing roof and repairs to existing stucco. The applicant noted that all tenants of 555 Oppenheimer would benefit from these improvements.	\$30,000		9/8/2025	9/15/2025	LAC Staff informed applicant that the proposed project was not an eligible use of LEDA funds.	Fail	10/30/2025												
Lisbeth Lueninghoner/Philip Kumborg (Property Owner)	LA Steam Lab	Other	9/10/2025	The applicant is interested in improving the outdoor area on one side of the building to construct a patio that would provide additional instructional space and seating.	\$40,000		9/11/2025	9/17/2025	LAC Staff met with the applicant to review LEDA Retail eligibility requirements and discuss the need to demonstrate direct economic impacts. The applicant's business type does not qualify for LEDA Retail funding; however, staff is coordinating with the applicant to explore a regular LEDA application. The project provides community benefits but does not meet the specific LEDA Retail category criteria. Follow-up from the applicant is pending.	Fail	9/17/2025	4/27/2026	04/29/2026 sent an email to the applicant requesting that she submit a regular LEDA application, as her request does not fall within the four eligible categories for the Retail LEDA program. I also provided her with an analysis of the materials she submitted.										
Diane Rascon	Venusto Salon	Personal & Health Care	9/10/2025	The applicant plans to expand into an adjacent available space to accommodate additional employees and offer an expanded range of personal care services.	\$80,000		9/11/2025	9/19/2025	LAC staff met with the applicant to review eligibility requirements and the need to demonstrate direct economic impacts through new job creation and/or increased gross receipts tax (GRT) revenue to the County. Application submission is pending.	Pass	11/12/2025	3/19/2026			Requested a meeting to look over documents with applicant. I also provided her with an analysis of the materials she submitted.								
Thomas Salazar	LA Coop Market	Food Service	9/15/2025	We are interested in purchasing new equipment to help us increase deli sales, bring more customers into our store, and hire more employees. We would like to buy a new oven to prepare food faster, start a new hot sandwich program, as well as make improvements to our produce department.	\$100,000		9/17/2025	9/26/2025	LAC staff met with the applicant to review eligibility requirements and the need to demonstrate direct economic impacts through new job creation and/or increased gross receipts tax (GRT) revenue to the County. At the time of the initial meeting, it was unclear whether the original proposal would meet the program's economic development impact requirements. The applicant is reconsidering the request to better align the project with program criteria.	Pass	11/12/2025	Submitted on 12/8/2025	3/2/2026	On 12/9/2025, staff requested additional information regarding GRT and number of employees for the past 2 years. Applicant submitted the requested information the next day. Application to be reviewed by committee in the coming weeks.	Please let us know when you have an payment plan and agreement with the IRS regarding the disputed penalties and fees you have outstanding. 03/03/2026	Finance requests tax returns to determine legal structure. Also, request a revision of the proposal to reflect a realistic job growth projection and/or a reasonable gross receipts tax (GRT) return. A satisfactory return could include the creation of one new job within two years, with approximately 25 % growth by year 3. The revision might also show the applicant's ability to expand catering services and explain how this expansion will contribute to revenue and job growth. The applicant must clearly identify what is being offered as collateral to support the request. Left messages with local and national Co-op organizations.							
Elizabeth Ortega/Philip Kumborg	LA Visiting Nurses	Personal & Health Care	9/17/2025	The applicant is requesting LEDA funds to purchase new equipment for physical therapists (TENS units), replace broken equipment used to monitor premature infant oxygen, and update aging technical equipment utilized by skilled nurses, home health aides, and physical therapists both in the office and in the field.	\$40,000		9/19/2025	9/26/2025	LAC staff met with the applicant to review eligibility requirements and the need to demonstrate direct economic impacts through new job creation and/or increased gross receipts tax (GRT) revenue to the County. The applicant explained that new and improved equipment would enable LAVINS to serve more patients per day, thereby enhancing community services and increasing revenue. Application submission is pending.	Pass	11/12/2025	Withdraw application via email 11/18/2025											
Janet Lovato	VE Holdings NM LLC	Food Service	9/19/2025	Applicant intends to renovate and remodel existing building into a "third space" food service establishment and create a food truck park in the existing parking lot on site including installing pedestals/hook-ups for the vendors.	\$100,000		9/22/2025	9/23/2025	LAC staff met with Ms. Lovato to review program requirements and confirmed that her proposal appears to be a good fit, provided she can demonstrate the required economic development impact through job creation and increased gross receipts tax (GRT) revenue. The applicant indicated that she intends to submit a Part 2 application after receiving initial feedback from her design professional.	Pass	11/12/2025		1/15/2026										
Gisel Martinez	Muy Sabas	Food Service	9/24/2025	The applicant is requesting LEDA Retail funds to implement energy-efficient upgrades, including LED lighting and improved ventilation. The applicant believes these improvements will reduce utility costs and align with LAC's sustainability goals. In addition, the applicant proposes to develop a smart retail/vending component to provide customers with fresh, ready-to-go options.	\$80,000		9/26/2025	10/9/2025	LAC staff met with the applicant to review program requirements and discuss project eligibility. The applicant is revising the funding request to align with program criteria. Application submission is pending.	TBD	11/12/2025												
Byron Robinson	Nambe Drugs	Personal & Health Care	10/3/2025	The applicant is seeking LEDA Retail funds to relocate and expand the existing retail pharmacy to include vaccination space and compounding rooms, thereby enhancing the range of clinical services available to the community.	\$100,000		10/3/2025	10/8/2025	Applicant rescheduling pre-app; TBD for late October Staff met with applicant to review program requirements and discuss project eligibility. The applicant will send in a full application. He contacted LAC on 12/03/2025 saying he was still working on the application. He asked if he could apply also for a LEDA loan. I sent him the application.	Pass	11/13/2025	3/9/2026	Requested letter of credit from applicant 03/11/2026 for collateral.										
Ufemia Bernal Rios	Fiori e Sale	Food Service Cultural & Recreational Tourism	11/14/2025	Fiori e Sale will upgrade its kitchen equipment and improve the dining area to increase capacity, speed service, and enhance the customer experience. These improvements support local economic growth and help us serve more residents and visitors.	\$40,000		11/17/2025	11/24/2025	LAC staff met with the applicant to review program requirements and discuss project eligibility. The applicant is revising the funding request to align with program criteria. Application submission is pending.	TBD	11/24/2025 with application	2/2/2026	3/30/2026 applicant submitted payroll tax filings with form 941 for 4 quarters of 2025.		Applicant was informed that we need confirmation that the required payroll tax filings, including Form 941, have to be completed and current before we can move forward.	Application is on hold until financial questions have been resolved.							
Jonathon LeDuc	Wheedel LLC	Personal & Health Care	2/3/2026	Improvement for 2301 Trinity Dr. This will include ADA ramps access, ADA bathrooms, Sign improvements.	\$60,000		03/05/2026 and 3/11/2026		Asked Applicant to apply with a Regular LEDA application. Applied 04/29/2026.						Applicant has been directed toward filing out a regular LEDA application.								
American Legion americanlegion@gmail.com	American Legion Post 90	Food Service Cultural & Recreational Tourism	4/23/2026	Facility improvements at American Legion Post 90, including facade upgrades, patio development, and parking lot repairs to enhance safety, accessibility, and support increased community use and local economic activity.	\$100,000		4/27/2026	5/4/2026
