*Note - In this report, we have compiled tourism-related mentions feautring Los Alamos and surrounding attractions that are likely to draw in visitors. From a tourism standpoint, not all local news may be included. While we send the news releases to outlets and reporters whose interests are in line with the subject matter and follow up with pitch calls to ensure they have received the release, as well as to pitch them on featuring Los Alamos, it is at the discretion of news rooms and news directors to determine which stories are picked up and placed in the news.

Reach: The number of people who saw any of your Page posts.

Monthly Engagements: The number of times people have engaged with your posts through likes, comments and shares.

Followers: The number of people who follow the page and receive updates in their newsfeed.

Instagram Engagements: The number of times people have engaged with your posts through likes and comments.

ws Circulation Audience and News Ad Value is generated through Meltwater and SimilarWeb

^{*}PR Value is determined by multiplying the News Ad Value by 3, this a public relations industry standard (which takes into account third party opinion values and strategic messaging).
