

MANHATTAN PROJECT NATIONAL HISTORICAL PARK

ATTACHMENT A

PARK PURPOSE

Managed in partnership by the Department of Energy and the National Park Service, Manhattan Project National Historical Park **preserves and interprets** the nationally significant historic sites, stories, and legacies associated with the top-secret race to develop an atomic weapon during World War II and provides access to these sites consistent with the mission of the Department of Energy.

MANHATTAN PROJECT NATIONAL HISTORICAL PARK

- **preserve and protect, for the benefit of present and future generations**, the nationally significant historic resources associated with the Manhattan Project;
- **improve public understanding** of the Manhattan Project and its legacy **through interpretation** of the historic resources associated with the Manhattan Project;
- **enhance public access** to the Park established under the Act consistent with protection of public safety, national security, and other aspects of the DOE's mission; and
- **assist the DOE, communities, historical societies, and other interested organizations and individuals in efforts to preserve and protect** the historically significant resources associated with the Manhattan Project
