

Los Alamos Police Department

MEMORANDUM

To: Chief Sgambellone
From: Deputy Chief Morris
Date: August 23, 2022
Re: Liquor License Application # 1234862

Chief Sgambellone,

I have reviewed the application and conducted research on the premises in question (1315 Trinity Dr.) I located only one alcohol related LAPD incident on June 15th 2021 of a Driving While Intoxicated arrest using that address, however it was a traffic stop initiated on a vehicle and was not associated with the business.

The nearest school is Canyoncito Montessori at the United Church (2525 Canyon Rd.) and the distance from the premise application is 2737 ft. St. Job Orthodox Church (1319 Trinity Dr.) is 84.2 ft from the premise application, however within the application is a signed letter from Father Theophan Mackey of St. Job Orthodox Church dated 5/3/2022 and received from Alcoholic Beverage Control, ABC on 6/9/2022, which states the people and priest, "have no objection to the granting of a liquor license." The distance to the nearest Military installation is Kirtland Airforce Base, Albuquerque and it is approximately 100 miles away.

Due to the information listed above, the Los Alamos Police Department has no objections with this application at this time.

Respectfully,

Deputy Chief Oliver Morris
