### **General Information**

All County Board and Commission members must be residents of Los Alamos County. Lodgers' Tax Advisory Board members, except the at-large community member, do <u>not</u> need to be residents if they are employed/represent an attraction or hotel.

Once a resident fills out and submits this application, an interview is scheduled with the B&C's County Council liaison, the relevant staff liaison, and the B&C Chair. After the interviews, the applicants' names are presented to the full Council during a regularly scheduled Council meeting, where a vote is taken regarding the appointment of each applicant. Each applicant will be notified if they are appointed or not.

Only on-line applications will be considered.

## **Interests & Experiences**

Which Boards would you like to apply for?

Personnel: Submitted

Why would you like to serve on this particular Board or Commission?

I have enjoyed serving on the Personnel Board. This is an especially interesting time as employees get back to work (or not) following COVID, and we also have a new HR manager, opening up the possibility for new and more flexible approaches in responding to changes in society.

What volunteer or professional activities have you participated in that could apply to this appointment?

As Assistant Library Manager, I did most of the HR work for the Los Alamos County Library System. I am quite familiar with the County Personnel Rules. I also earned my Masters in Public Administration degree within the last ten years, and have thus taken classes in Human Resources in the Public Sector. I have also graduated from Leadership Los Alamos. I currently also volunteer as a docent for the Los Alamos History Museum and the Manhattan Project National Historical Park, as well as in the Friends of the Library Bookstore, the Technical Services Program in the Library, and for Self Help.

The time involved may be 10-15 hours per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?

Yes

What would you like to accomplish during your tenure on this Board or Commission? (Please identify any special interests you have that led you to become interested in serving on this Board or Commission.)

My interest is general, but one thing I can think of is that the issue of staff development / succession planning often gets put on a back burner as soon as budgets are tight. I would like to see more emphasis given to developing the current staff to better qualify them for leadership positions as opportunities open up. This is still my interest, as well as response to changes brought about in the workplace by COVID.

Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.

As a County retiree, I am familiar with some HR staff members, but fewer and fewer as the years go by.

Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?

## No

#	Question/Documented Response
1	Since you are re-applying for this position, you must feel that the Board or Commission actions are worthwhile. What do you consider to be the positive aspects of the position? The negative?
	Positive things about Personnel Board is listening to issues from employees and applicants. Ex. Employees belief that getting things in the open to communicate the importance of family time versus OT. Emphasize that LAC is a great place to work. Wants to make sure it stays that way for people.
2	What has the Board or Commission accomplished during your term? What have you been able to contribute to the accomplishments that you are pleased with?
	The Board operates at a higher level. Employee survey was an accomplishment to gain perspective on input and other data results. Opportunity as a prior employee to see the input from employees and provide realism about the County, not inference.
3	What do you believe are the greatest issues facing the Board or Commission for which you've applied and how do you feel this
	Board or Commission can contribute to the resolution of these issues? [Note to interview panel: If the answer to this question appears to be off base with Council's goals or directives, please explore a little more.]
	Huge issues facing the Board is to maintain a full Board. Received 2 resignations and potentially a 3rd. Had only 4 members which is a challenge getting a quorum. If someone was to appeal an HR issue, the Board is able to assist.
4	Now that you've served on this board or commission, how do you perceive the role of County Boards and Commissions in local government? Do you have suggestions for better operation of this board or commission? Of operations of the Board and Commission system in general?
	Personnel Board is Advisory and can make recommendations, but doesn't set up rules. It would be an improvement to meet in person (COVID-19).

5	Based on your experience serving on this board or commission, please share your thoughts on the communication methods between this Board and Council? How can we improve?
	Last year, Izraelevitz came to every meeting. County Councilor's participation is important to answer questions and B&C luncheons. If the information wasn't quite understood, or more information is available in between meetings. Guidance on rules of order and procedure.
6	Have you attended any training sessions related to your duties and responsibilities as a board member? Is there any training that you feel the County could provide to improve the effectiveness or efficiency of the board or commission system, as a whole, or of board or commission members individually?
	1 on 1 with HR manager and attendance of parliamentary procedure. Experience is a great teacher. OJT helps, and Commission lunches are helpful. Councilor guidance.
7	What suggestions/comments would you like to offer in connection with your Board or Commission service so far?
	Important and good experience to serve on a Board. Not ready to cut ties with the County.
8	The purpose of this question is to make sure you are aware that, as a member of a Los Alamos County Board or Commission, your written communications, including e-mails, are public records (even if produced on your personal computer), and as such are subject to the New Mexico Inspection of Public Records Act. If any of these public records are requested for review/inspection under the Act you may need to produce them. Is this a deterrent to your willingness to continue serving on this Board? Not a deterrent. She saves every email she ever got.
9	If this board decides (or is required) to "live stream" their meeting, will this be a deterrent to your willingness to continue serving on the board?
	No. It will not be a deterrent. Not concerned about live streaming.
10	Do you have any questions of the interview panel?
	No questions.
11	[Interview panel: Ask questions you think necessary for clarification of the answers this applicant provided on their application form or during this interview.]
	How do you think the County Councilor liaison is important for the Board.
Note	s and the second s

Thank the applicant for their feedback on the B&C system, and their willingness to continue serving as a Board or Commission member.
