

Zero Waste Champion of the Year Nominee Follow-up Questions

Name of Organization: _____

Contact Information: _____

Your organization has been nominated for the Zero Waste Champion of the Year award. Please describe this organization's efforts to reduce waste in our community by answering the questions below.

- 1. Tell us about your reuse and recycling program (including what materials are recycled) and your use of recycle and/or environmentally preferred supplies.**
- 2. Please describe how the organization has integrated environmental concerns into their products and services if applicable.**
- 3. Does the organization educate and support their consumers and/or employees in reducing waste or re-using or recycling materials? Please elaborate or provide examples.**
- 4. Does the organization have a mission that includes a positive environmental impact? Tell us about it.**
- 5. What else would you like us to know?**
