

## Community Services Department Boards and Commissions

### Los Alamos County Art in PUBLIC Places BOARD Policies and Guidelines

This policy was voted on and approved by the APP BOARD on January 23, 2025, and Los Alamos County Council on \_\_\_\_\_, 2025.

#### Purpose

These policies and guidelines are adopted by the Los Alamos County ("County") Art in Public Places Advisory BOARD, ("APP" or "BOARD"), for the purpose of establishing procedures for implementing Los Alamos County Code ("Code") [Chapter 8, Article II, Sections 8-31 through 8-34](#) and [Chapter 20, Article III, Sections 20-363 through 20-365](#).

#### Policy

The APPB is a standing BOARD of the County and is responsible for making recommendations to the County Council ("Council") for selection, ACQUISITION, placement, and DISPOSAL of public ART, plus general management of the County's Public ART COLLECTION.

#### Definitions

**ACQUISITION:** The inclusion of artwork in the permanent PUBLIC art COLLECTION of the County by commissioning, purchase, or donation.

**ART or WORK OF ART:** Any non-ephemeral work of visual art, and may include landscaping and landscape design. See also County Code Chapter 20.

**ART IN PUBLIC PLACES ACCOUNT:** A special County fund, as provided in [County Code Chapter 20, Article III](#), established to facilitate the purchase, placement, and maintenance of the County's public COLLECTION of ART.

**BOARD:** The Art in Public Places BOARD, as defined in the Los Alamos County Code.

**COLLECTION:** Consists of ART purchased with ART in Public Places funds and/or WORKS OF ART donated to Los Alamos County through the Art in Public Places BOARD.

**DISPOSAL OR DISPOSITION:** The permanent removal of public ART from the County's public ART COLLECTION (formally called "deaccessioning").

**PUBLIC and COMMUNITY MEMBERS:** Those who are exposed to the County's public ART COLLECTION.

## **I. Purpose and Objectives**

The BOARD, according to Los Alamos County Code of Ordinances, is charged with the following functions, powers, and duties:

- 1) Recommend to Council the ACQUISITION and maintenance of all WORKS OF ART funded from the ART IN PUBLIC PLACES ACCOUNT;
- 2) Recommend to Council the public sites selected for the display of ART funded from the ART IN PUBLIC PLACES ACCOUNT and establish criteria to be used in the selection of the artists or the WORK OF ART desired;
- 3) Provide advice to Council on the proposed removal, relocation or alteration of any public facility or WORKS OF ART funded from the ART IN PUBLIC PLACES ACCOUNT;
- 4) Recommend to Council programs and policies to further the development and public awareness of public art;
- 5) Seek private donations for the County to supplement the ART IN PUBLIC PLACES ACCOUNT and advise the Council regarding additional sources of funding for public ART;
- 6) Recommend necessary policies and procedures to include, but not be limited to, criteria for selection of artists, procedures for artistic competitions, selection of public locations for ART equitably distributed throughout the community, and recommendations for the maintenance of ART funded by the ART IN PUBLIC PLACES ACCOUNT;
- 7) Recommend a policy to coordinate with the County's capital improvements program and other County activities to ensure that WORKS OF ART funded by the ART IN PUBLIC PLACES ACCOUNT are properly integrated into the community and do not pose excessive maintenance costs or public health risk and do not unduly encumber public lands; and
- 8) Perform additional related duties as may be assigned by Council or requested by the County Manager

The BOARD shall also encourage the integration of Public Art into the architecture of municipal structures and public spaces and shall strive to enhance the community visually.

The BOARD will address its purpose and objectives by recommending the ACQUISITION and maintenance of various WORKS OF ART, including creating and maintaining labels or plaques to identify the WORK OF ART. This will be accomplished through:

1. Ongoing review and evaluation of appropriate ART for County structures, both indoor and outdoor, by:
  - a. Working with the PUBLIC and COMMUNITY MEMBERS of the proposed location;
  - b. Fostering collaboration between artists, architects, or engineers; and
  - c. Considering factors in the site selection process to ensure substantial public access, specifically, not in private offices of public officials or in inaccessible public areas.
2. Recommending the selection of appropriate ART through a new ACQUISITION or from the existing County Public ART COLLECTION.
3. Ensuring that the recommended ACQUISITION, placement, and DISPOSAL of WORKS OF ART are governed by carefully designed procedures to enhance the PUBLIC's viewing of ART.

## **II. ACQUISITION, Donation, and DISPOSAL**

The BOARD will prepare a recommendation with a rationale and cost estimate to Council for the ACQUISITION or DISPOSAL of public ART. The final decision regarding ACQUISITION or DISPOSAL will be by Council action after consideration of the APP recommendations.

### **ACQUISITIONS**

As each public ART piece may differ in size, scope, nature, format, and location, the BOARD may recommend purchasing a completed WORK OF ART, commissioning a WORK OF ART, holding a competition to select a WORK OF ART, or creating some other appropriate mode of selection.

If the WORK OF ART is to be purchased and placed in conjunction with a County project, the BOARD shall consult with the appropriate County staff and the project architect, if any, and involve them in the selection process as necessary. The BOARD may request Council advance approval to purchase a WORK OF ART at a juried show.

1. Minimum Criteria: According to Code, the BOARD will consider the following minimum criteria in the selection of WORKS OF ART:
  - a. The WORK OF ART must be located in a public place with public visibility and impact.
  - b. The WORK OF ART shall have a permanence generally of at least twenty (20) years, and shall be likely to remain a thing of value for this time period given appropriate site selection and maintenance.
  - c. The work of art shall enhance the environment of the County.

2. Additional Criteria: In addition to the minimum standards, the BOARD may also consider the following:
  - a. Quality of the workmanship
  - b. Reputation and/or recognition of the artist or artists.
  - c. Appropriateness of the ART for the proposed location.
  - d. Maintenance requirements for the ART.
  - e. Environmental factors (weather, noise, light, etc.).
  - f. Security factors (theft, vandalism, etc.).
  - g. PUBLIC safety
  - h. PUBLIC comment, including but not limited to surveys

In order to support public awareness of the County's ART COLLECTION, all art pieces in the COLLECTION will be catalogued in an online Public Art Archive database. The ART IN PUBLIC PLACES ACCOUNT will fund this database per Sec. 20-365 of the County's code. This database will be updated as needed when new art is purchased, donated, moved, relocated or disposed.

The BOARD will consult with the County Attorney to prepare a purchase agreement or purchase order, if needed. To the extent possible, a legal instrument of conveyance, transferring the title of the artwork and clearly defining the rights and responsibilities of all parties shall be made and maintained for all WORKS OF ART in the public COLLECTION. In general, WORKS OF ART shall be acquired without legal restrictions regarding future use and DISPOSAL, except with respect to copyrights and certain clearly defined residual rights that may be part of the agreement with the artist.

### **Donations**

1. **Donations of Art** to the County's ART COLLECTION are to be guided by the County's WORKS OF ART donations policy as provided in Appendix A. The BOARD is responsible for conducting basic research to determine whether the piece is unique or widely available for purchase by the public, and to evaluate the potential benefit to the County before accepting any donation.
2. **Donation of Cash** to the ART IN PUBLIC PLACES FUND can be added to the ART IN PUBLIC PLACES FUND and used, budgeted, and appropriated in the same manner as all other APPB funds. In general, cash donations or gifts will only be accepted without restrictions. If a cash contribution or donation is proposed to be earmarked for a particular project, the BOARD, in consultation with the County Manager, will determine if the proposed project/WORK OF ART is reasonable depending on the circumstances and is in accordance with the objectives and intent of the County's public ART program.

### **DISPOSAL**

1. A recommendation for DISPOSAL of any public ART work can come to APP from any person, source, or BOARD member. The BOARD, in an open public meeting, will decide whether to proceed with recommending the DISPOSAL of the public ART work or to dismiss the proposed DISPOSAL. Generally, a WORK OF ART may be considered for DISPOSAL if one or more of the following conditions apply:

- a. It has received consistent adverse reactions on the part of the PUBLIC.
  - b. It is duplicative in the County's public ART COLLECTION.
  - c. It possesses faults of design or workmanship.
  - d. It requires excessive or unreasonable maintenance.
  - e. It is damaged irreparably or to an extent where repair is unreasonable or impractical.
  - f. It represents a threat to public safety or unduly encumbers public land.
  - g. A suitable place for display no longer exists.
  - h. The work is not, or is rarely, displayed.
2. If APP decides to proceed with recommending to Council the DISPOSAL of a work of public ART, the BOARD will:
- a. Gather information from the PUBLIC and COMMUNITY MEMBERS and discuss the results at an APP meeting. If possible, the artist whose work is being considered for DISPOSAL will be notified by reasonable means of the meeting.
  - b. If the BOARD decides to recommend DISPOSAL of the ART work, a plan for the path forward will be developed reflecting input from the PUBLIC and COMMUNITY MEMBERS and the artist. The role of the artist is advisory only. The current monetary value of the ART work, if available, will be included in the plan along with a description of the applicable conditions listed above.
  - c. Notify the Council liaison of the recommended plan for Council approval and DISPOSITION. DISPOSAL of any public WORK OF ART requires Council approval, so the BOARD Chair, the Council liaison, and the staff liaison will formulate a plan and path forward for final Council decision.
3. DISPOSAL by any means of County-owned public ART shall comply with all applicable County and State legal requirements.

### **III. Placement, Movement, or Relocation of ART**

The BOARD is charged with the duty to recommend to Council the placement, movement, or relocation of all public ART from one public building or site to another. The BOARD's recommendation to Council will generally include the method by which the WORKS OF ART will be moved, handled, or stored, the dates of expected movement, the length of storage, where applicable, and the method for reinstalling the ART. Once approved by Council, the BOARD will assist the staff liaison in coordinating the movement, storage, and/or relocation of ART to ensure proper handling and care.

### **IV. Maintenance, Repair, and Restoration of ART**

The Board shall recommend to Council the general requirements for maintenance, repair, or restoration of all County-owned WORKS OF ART.

If the COLLECTION needs maintenance, repair, and/or restoration, the BOARD will prepare a recommendation with a rationale and cost estimate to Council for the specific maintenance, repair or restoration. The final decision regarding maintenance, repair or restoration will be by Council action after consideration of APP's recommendations.

An agreement with a contractor or contractors to provide outdoor sculpture, indoor cleaning and maintenance services to assess the condition of, clean, maintain, restore and repair the COLLECTION should be maintained in order to help keep the COLLECTION in good condition.

## **V. Plaques and Identification Signs**

To the extent practicable, APP will comply with the current County's Graphic Standards related to identifying County-owned WORKS OF ART. All new and replacement plaques identifying artworks in the Los Alamos County COLLECTION should be designed in alignment with general guidelines used by New Mexico public ART collections, museums, and cultural institutions, as well as adhering to Los Alamos County's specific plaque guidelines.

## Appendix A

### Artwork Donations to the Los Alamos County Public Art Collection Policy

#### Purpose

In addition to artwork purchased for the Los Alamos Public ART COLLECTION, the County may accept donations of ART. The purpose of this policy is to establish procedures for the acceptance or rejection of these donations. This policy only applies to artwork donation offers made through the Art in Public Places BOARD ("BOARD").

#### Policy

It is the BOARD's policy that when any gifts or donations of ART are proposed to the BOARD for placement within any County facility (interior or exterior) or any other Public space, such proposals of gift or donations shall be evaluated by the BOARD, the respective County department, and the County Council using the procedures listed in this policy.

#### Exemptions to this Policy

1. Portable artworks on short-term loan to Los Alamos County shall not be subject to review under this policy [i.e., temporary exhibitions, generally 60 days or less].
2. Donations of artwork made directly to other County divisions shall not be subject to this policy unless specifically requested.

#### Criteria for Acceptance of Donations

**Aesthetics** - Visual criteria shall include consideration of the following:

1. Artistic merit of the WORK OF ART, including consideration of its artistic social and/or historical significance, as evidenced by Form A - Intent to Donate (which shall include a written description and drawings and/or photographs of the proposed artwork);
2. Artist's background, as evidenced by Form A - Intent to Donate (which shall include information about the artist plus slides/photographs or other visual examples of past work and a resume, if possible);
3. Compatibility of the WORK OF ART within the context of the County's COLLECTION;
4. Warranty of originality of existing artwork (**only original works or limited editions shall be considered**);
5. Ability of the work to meet the BOARD's criteria for quality of workmanship and permanence; and
6. Verification that any permanently attached text components (including signage and/or plaques) for the artwork will not violate the requirements of Los Alamos County regulations relating to the displaying of non-commercial signs in public places. As noted under "Special Conditions," the artwork shall not contain/display anything that can be construed as advertising.

**Location** - Consideration shall be given to the following:

1. Appropriateness of the proposed site concerning the artwork's audience and physical environment;
2. Compliance with any Master Plans or other plans the County has developed about site location;
3. Identification of potential public safety concerns;
4. Proposed method of display (including any necessary base design: landscaping, lighting, utilities, anchoring);
5. Scale, form, content, color, and design of the artwork about the site;
6. Ecological impact (i.e., percentage of impervious cover, etc.);
7. Accessibility to the PUBLIC, including persons with disabilities; and
8. Compatibility with WORKS OF ART already in existence at the proposed site.

**Installation** - The standards to be considered for putting the artwork in place shall include:

1. Site requirements necessary for installation include, but are not limited to electricity, lighting, and water, including irrigation water. If the irrigation system needs to be relocated but is not feasible, then the effect of the irrigation water on the artwork must be taken into account;
2. Method of installation;
3. Transportation costs;
4. Storage requirements, if any; and
5. Maintenance requirements.

**Financial** - Financial criteria to be considered shall address the cost and availability of funding and shall include the following items:

1. All costs associated with fabrication and installation (including site preparation, plaque, and unveiling/dedication event, if any);
2. Source of funding and date funds are available (i.e., must funds be raised through private fundraising before the artwork can be installed or fabricated?); and
3. Estimated annual maintenance costs.

**Liability** – Added costs or liabilities the County may incur if the artwork is accepted, such as:

1. Susceptibility of the artwork(s) to normal wear and vandalism;
2. Potential risk to the PUBLIC;
3. Public access, in general, as well as compliance with ADA requirements; and
4. Any special insurance requirements.

**Timeliness** – Subjects of concern related to timeliness include:

1. Allowance of sufficient time for the normal review process by the affected department, the BOARD, the County Council, and any other affected parties; and
2. A failure by the donor to promptly respond to additional materials or information may be grounds to reject a gift or donation.

**Special Conditions** - Conditions imposed by the donor may not be compatible with the County's plans. Therefore, such conditions will be a factor in determining the advisability of accepting a proposed gift or donation

## **Procedures**

The following procedures have been established to provide a fair and consistent application of this policy.

1. The potential donor shall submit a completed Form A - "Intent to Donate Artwork" including the required attachments, to the BOARD's staff liaison. The staff liaison will schedule the proposal on the BOARD's agenda. The BOARD shall perform a preliminary review based on the "Aesthetics" criteria, listed above. If the BOARD determines that the donation does not meet the criteria, the process is concluded.
2. If the donation offer passes the review above, the BOARD will review the offer. Upon a recommendation to accept the donation, the staff liaison will be directed to contact all interested County departments affected by the decision for review and technical evaluation, when technical expertise is needed. The purpose of the departmental review is to determine the feasibility of accepting the artwork, i.e., the viability of the recommended location, maintenance costs, and other impacts. If the affected department(s) has a BOARD or Commission that is appropriate to involve, that BOARD or Commission should review and comment on the proposal.
3. If the proposed donation is deemed appropriate through the process outlined above, the BOARD shall either vote to make a recommendation to County Council to accept the donation, or vote to decline the donation as presented. The recommendation to County Council shall consider the input from all others involved in the review process; however, if the BOARD votes to decline the proposed donation, the process is concluded.
4. If the BOARD's review of the proposed donation results in a recommendation to accept the donation with modifications, the new design shall be resubmitted to the respective department for review before the BOARD takes its final

recommendation to the County Council.

5. When the artwork donation approval process has been successfully completed, the County and the donor shall enter into an Agreement for the Transfer and Placement of Artwork that legally conveys the title to the County and includes the appropriate warranty of originality. The Agreement shall also enumerate any conditions of the gift the County has agreed to accept and outline the responsibilities of each party concerning the donation, including installation and maintenance. In general, gifts may only be accepted without restrictions. Once installed, the artwork shall be added to the County's COLLECTION and covered under the County's insurance policies for the appraised value.
6. Until an agreement has been accepted by both the donor and the County, the donor may withdraw the offer of gift or donation.
