(m) Performing Duties. The Governmental Unit will faithfully and punctually perform all duties with respect to the System required by the Constitution and laws of the State and the regulations, policies or ordinances and resolutions of the Governmental Unit relating to the System and this Loan Agreement, including, but not limited to, making and collecting reasonable and sufficient rates and charges for services rendered or furnished by the System as required by this Loan Agreement and the proper segregation and application of the Gross Revenues.

(n) Other Liens. Except for any Senior Obligations and Parity Obligations listed in the Term Sheet, there are no liens or encumbrances of any nature whatsoever, on or against the System or the Gross Revenues or Net Revenues on parity with or senior to the lien of this Loan Agreement.

Section 2.3 Representations, Covenants and Warranties of the Finance Authority. The Finance Authority represents, covenants and warrants for the benefit of the Governmental Unit:

(a) Legal Status and Authorization of Loan Agreement. The Finance Authority is a public body politic and corporate constituting a governmental instrumentality, separate and apart from the State, duly organized and created under and pursuant to the laws of the State, particularly the Finance Authority Act. The Finance Authority has all necessary power and authority to enter into and perform and observe the covenants and agreements on its part contained in this Loan Agreement and has duly authorized the execution and delivery of this Loan Agreement.

(b) No Breach or Default Caused by Loan Agreement. Neither the execution and delivery of this Loan Agreement, nor the fulfillment of or compliance with the terms and conditions of this Loan Agreement, nor the consummation of the transactions contemplated in this Loan Agreement, conflicts with or results in a breach of the terms, conditions and provisions of any restriction or any agreement or instrument to which the Finance Authority is a party or by which the Finance Authority is bound or constitutes a default under any of the foregoing and will not conflict with or constitute a violation of any constitutional or statutory provision or order, rule, regulation, decree or ordinance of any court, government or governmental authority having

jurisdiction over the Finance Authority, or its property and which conflict or violation will have a material adverse effect on the Finance Authority or the financing of the Project.

(c) No Litigation. To the knowledge of the Finance Authority, there is no litigation or proceeding pending or threatened against the Finance Authority or any other person affecting the right of the Finance Authority to execute or deliver this Loan Agreement or to comply with its obligations under this Loan Agreement. To the knowledge of the Finance Authority, neither the execution and delivery of this Loan Agreement by the Finance Authority, nor compliance by the Finance Authority with its obligations under this Loan Agreement, requires the approval of any regulatory body, or any other entity, which approval has not been obtained.

(d) Legal, Valid and Binding Obligations. This Loan Agreement constitutes a legal, valid and binding obligation of the Finance Authority enforceable in accordance with its terms.

ARTICLE III LOAN AGREEMENT TERM

The Loan Agreement Term shall commence on the Closing Date and shall not terminate until the Governmental Unit's obligations under this Loan Agreement have been paid in full or provision for payment of this Loan Agreement has been made pursuant to Article VIII hereof.

ARTICLE IV LOAN; APPLICATION OF MONEYS

Section 4.1 Application of Loan Agreement Proceeds.

(a) On the Closing Date, the amount shown on the Term Sheet as the Aggregate Program Amount shall be made available for disbursement by the Finance Authority to the Governmental Unit pursuant to Section 6.2 of this Loan Agreement at the request of the Governmental Unit and as needed by the Governmental Unit to implement the Project.

(b) The Final Requisition shall be submitted by the Governmental Unit within twenty seven (27) months following the Closing Date, except only as otherwise approved in writing by an Authorized Officer of the Finance Authority, based on the Governmental Unit's demonstration, to the reasonable satisfaction of the Authorized Officer of the Finance Authority, that unanticipated circumstances beyond the control of the Governmental Unit resulted in delaying the acquisition and completion of the Project, and submission of the Governmental Unit's Final Requisition.

Section 4.2 Disbursements; Approval of Payment Requests. The Governmental Unit shall transmit payment requisitions in the form attached to this Loan Agreement as Exhibit "C" and the supporting documentation required pursuant to Exhibit "C" to the Finance Authority. The Finance Authority or its designee shall review each requisition for compliance with (i) the Project's construction plans and specifications, and (ii) all applicable state and federal laws, rules and regulations, and shall approve or disapprove the requisition accordingly. The Finance Authority shall cause Approved Requisitions to be paid from the State Drinking Water Revolving Loan Fund.

Section 4.3 Expense Fund Deposit. The Finance Authority shall determine the amount of the Expense Fund Component at the time of each payment to the Governmental Unit pursuant to Section 6.2 of this Loan Agreement and deposit such amount to the Expense Fund.

ARTICLE V
LOAN TO THE GOVERNMENTAL UNIT; PAYMENTS BY
THE GOVERNMENTAL UNIT

Section 5.1 Loan to the Governmental Unit; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The Finance Authority hereby lends to the Governmental Unit and the Governmental Unit hereby borrows from the Finance Authority an amount not to exceed the Maximum Principal Amount. The Governmental Unit promises to pay, but solely from the sources pledged herein, the Loan Agreement Payments as herein provided. Subject to any outstanding Parity Obligations and Senior Obligations, the Governmental Unit does hereby grant a lien on and a security interest in and does hereby convey, assign and pledge unto the Finance Authority and unto its successors in trust forever all right, title and interest of the Governmental Unit in and to (i) the Pledged Revenues to the extent required to pay the Loan Agreement Payments on a parity with any Parity Obligations and subordinate to any Senior Obligations, (ii) the Debt Service Account, and (iii) all other rights hereinafter granted, for the securing of the Governmental Unit's obligations under this Loan Agreement, including payment of the Loan Agreement Payments, provided, however, that if the Governmental Unit, its successors or assigns, shall pay, or cause to be paid, all Loan Agreement Payments at the time and in the manner contemplated by this Loan Agreement, or shall provide as permitted by Article VIII of this Loan Agreement for the payment thereof, and shall pay all other amounts due or to become due under this Loan Agreement in accordance with its terms and provisions then, upon such final payment, this Loan Agreement and the rights created thereby shall terminate; otherwise, this Loan Agreement shall remain in full force and effect. The Loan Agreement Payments shall, in the aggregate, be sufficient to pay the Aggregate Repayable Disbursements, as set forth in the Final Loan Agreement Payment Schedule.

Within five (5) days after each payment of an Approved Requisition during the Interim Period, the Finance Authority shall recalculate on the basis of the Aggregate Repayable Disbursements to that date the Interest Component and Administrative Fee Component next coming due as set out in Section 5.2(a)(i) of this Loan Agreement and shall provide written notice to the Governmental Unit of the recalculated Interest Component and Administrative Fee Component. Within thirty (30) days after the final disbursement, the Finance Authority shall provide a Final Loan Agreement Payment Schedule. The schedule of Loan Agreement Payments, assuming the disbursal of the entire Aggregate Program Amount within twenty-seven (27) months after the Closing Date, identified as the Interim Loan Agreement Payment Schedule, is attached to this Loan Agreement as Exhibit "B". The Finance Authority shall provide a Final Loan Agreement Payment Schedule following the final disbursement which shall supersede the schedule attached as Exhibit "B".

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Governmental Unit and the Finance Authority acknowledge and agree that the sources of the Loan Agreement Payments of the Governmental Unit hereunder are limited to the Pledged Revenues, and that the Loan Agreement shall constitute a special, limited obligation of the Governmental Unit. No provision of this Loan Agreement shall be construed or interpreted as

creating a general obligation or other indebtedness of the Governmental Unit or the State within the meaning of any constitutional or statutory debt limitation. No provision of this Loan Agreement shall be construed to pledge or to create a lien on any class or source of Governmental Unit moneys other than the Pledged Revenues, nor shall any provision of this Loan Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Governmental Unit moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Governmental Unit hereunder, the Pledged Revenues may be utilized by the Governmental Unit for any other purposes permitted by law and the laws of the State.

Section 5.2 Payment Obligations of Governmental Unit. The Debt Service Account shall be established and held by the Finance Authority or its designee on behalf of the Governmental Unit. All Loan Agreement Payments received by the Finance Authority or its designee pursuant to this Loan Agreement shall be accounted for and maintained by the Finance Authority or its designee in the Debt Service Account, which account shall be kept separate and apart from all other accounts of the Finance Authority. The amounts on deposit in the Debt Service Account shall be expended and used by the Finance Authority only in the manner and order of priority specified herein.

(a) As a charge and lien, but not an exclusive charge and lien, on the Pledged Revenues (on a parity with the lien on the Pledged Revenues created by any outstanding Parity Obligations and subordinate to any outstanding Senior Obligations), the Governmental Unit shall remit to the Finance Authority and the Finance Authority shall collect and deposit into the Debt Service Account from the Governmental Unit the Pledged Revenues in the manner specified herein.

(i) Payment of Interest Component and Administrative Fee Component during Interim Period.

(A) During the Interim Period, Interest and Administrative Fees shall accrue on the amount of Aggregate Repayable Disbursements, from the date of each Disbursement.

(B) During the Interim Period the Governmental Unit shall monthly, commencing on the first day of the month next following the first payment by the Finance Authority of an Approved Requisition, pay to the Finance Authority for deposit into the Debt Service Account such amount as is necessary, in monthly installments, to pay the Interest Component and Administrative Fee Component on the Aggregate Repayable Disbursements as of each Loan Agreement Payment Date.

(ii) Loan Agreement Payments Following the Interim Period. After the Interim Period, the Governmental Unit shall pay to the Finance Authority for deposit into the Debt Service Account the following amounts:

(A) Interest and Administrative Fee Components. Monthly, commencing on the first day of the month next following the final disbursement, the Governmental Unit shall pay to the Finance Authority for deposit into the Debt Service Account an amount in

equal monthly installments which is necessary to pay the first maturing Interest Component and Administrative Fee Component coming due on this Loan Agreement and monthly thereafter, commencing on each Loan Agreement Payment Date, one-sixth (1/6) of the amount necessary to pay the next maturing Interest Component and Administrative Fee Component on this Loan Agreement as described in the Final Loan Agreement Payment Schedule.

(B) Principal Payments. Monthly, commencing on the first day of the month next following the final disbursement, the Governmental Unit shall pay to the Finance Authority for deposit into the Debt Service Account an amount in equal monthly installments which is necessary to pay the first maturing Principal Component; and thereafter on the first day of each month thereafter, one-twelfth (1/12) of the amount which is necessary to pay the next maturing Principal Component on this Loan Agreement during the Loan Agreement Term, as described in the Final Loan Agreement Payment Schedule.

(iii) Method of Payment. The Governmental Unit shall transfer each month to the Finance Authority, from Pledged Revenues, the amounts set forth in Subsections (i)(C), (ii)(A) and (ii)(B) of this Section 5.2(a) during the time that this Loan Agreement is outstanding, provided, that in the event of any default in making the Loan Agreement Payments by the Governmental Unit, the Finance Authority shall be entitled to seek payment of the amounts due through any of the remedies provided in Article X of this Loan Agreement.

(b) In the event that the balance of payments held in the Debt Service Account should exceed the amount needed to cover Loan Agreement Payments then due, the Finance Authority shall use the balance of the Pledged Revenues received, at the request of the Governmental Unit (i) to credit against upcoming Loan Agreement Payments, or (ii) to distribute to the Governmental Unit for any other purpose permitted by law.

Section 5.3 Manner of Payment. All payments of the Governmental Unit hereunder shall be paid in lawful money of the United States of America to the Finance Authority or its designee at the address designated in Section 11.1 of this Loan Agreement. The obligation of the Governmental Unit to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder, and payment hereunder shall not be abated through accident or unforeseen circumstances. Notwithstanding any dispute between the Governmental Unit, the Finance Authority or its designee, any vendor or any other person, the Governmental Unit shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Governmental Unit assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 5.4. Additional Parity Obligations Payable from Pledged Revenues. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Parity Obligations payable from Pledged Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any such additional Parity Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Parity Obligations but including parity refunding bonds and obligations which refund Subordinated Obligations as provided in

Section 5.5 hereof), the Governmental Unit shall obtain the written consent of the Finance Authority and it must be determined that:

(a) The Governmental Unit is then current in all of the accumulations required to be made into the Debt Service Account as provided in this Loan Agreement.

(b) No default shall exist in connection with any of the covenants or requirements of the Ordinance or this Loan Agreement.

(c) The Pledged Revenues received by or credited to the Governmental Unit for the Fiscal Year or for any twelve (12) consecutive months out of the twenty-four (24) months preceding the date of issuance of such additional Parity Obligations (the "Historic Test Period") shall have been sufficient to pay an amount representing one hundred twenty percent (120%) of the combined maximum annual principal, interest requirement and the Administrative Fee Component coming due in any subsequent Fiscal Year on the then outstanding Parity Obligations and the Parity Obligations proposed to be issued (excluding the accumulation of any reserves therefor).

(d) A written certification or opinion by the Governmental Unit's treasurer or chief financial officer or by an Independent Accountant that the Pledged Revenues for the Historic Test Period are sufficient to pay said amounts, shall be conclusively presumed to be accurate in determining the right of the Governmental Unit to authorize, issue, sell and deliver the Parity Obligations proposed to be issued.

(e) No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional bonds or other obligations payable from the Pledged Revenues constituting a lien upon such Pledged Revenues subordinate and junior to the lien of this Loan Agreement nor to prevent the issuance of bonds or other obligations refunding all or part of this Loan Agreement as permitted by Section 5.5 hereof.

(f) The Governmental Unit shall not issue bonds or other obligations payable from the Pledged Revenues having a lien thereon prior or superior to this Loan Agreement, without the written approval of the Finance Authority.

Section 5.5 Refunding Obligations Payable from Pledged Revenues. The provisions of Section 5.4 hereof are subject to the following exceptions:

(a) If at any time after the Closing Date, while this Loan Agreement, or any part thereof, is outstanding, the Governmental Unit shall find it desirable to refund any outstanding bonds or other outstanding obligations payable from the Pledged Revenues, this Loan Agreement, such bonds or other obligations, or any part thereof, may be refunded (but the holders of this Loan Agreement or bonds to be refunded may not be compelled to surrender this Loan Agreement or their bonds, unless this Loan Agreement, the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the Governmental Unit's option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Pledged Revenues is changed, except as provided in subparagraph (f) of Section 5.4 hereof and in subparagraphs (b) and (c) of this Section 5.5.

(b) No refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued on a parity with this Loan Agreement unless:

(i) The outstanding obligations so refunded have a lien on the Pledged Revenues on a parity with the lien thereon of this Loan Agreement and the refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with subparagraphs (a) through (f) of Section 5.4 of this Loan Agreement.

(c) The refunding bonds or other obligations so issued shall enjoy complete equality of lien on the Pledged Revenues with the portion of this Loan Agreement or any bonds or other obligations of the same issue which is not refunded, if any; and the holder or holders of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the holder or holders of this Loan Agreement or the bonds or other obligations of this same issue refunded thereby. If only a part of this Loan Agreement or the outstanding bonds and any other outstanding obligations of any issue or issues payable from the Pledged Revenues is refunded, then such obligations may not be refunded without the consent of the holder or holders of the unrefunded portion of such obligations, unless:

(i) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such last maturity date of such unrefunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with subparagraphs (a) through (f) of Section 5.4 hereof; or

(iii) The lien on the Pledged Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

(d) Any refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued with such details as the Governmental Unit may provide by ordinance or resolution, but without any impairment of any contractual obligations imposed upon the Governmental Unit by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including, but not necessarily limited to, this Loan Agreement).

Section 5.6 Investment of Governmental Unit Funds. Money on deposit in the Debt Service Account created hereunder may be invested by the Finance Authority or its designee in Permitted Investments at the written direction of the Governmental Unit or, in the absence of such written direction of the Governmental Unit, at the discretion of the Finance Authority. Any earnings on Permitted Investments shall be held and administered in the Debt Service Account and utilized in the same manner as the other moneys on deposit therein for the benefit of the Governmental Unit.

Section 5.7 Governmental Unit May Budget for Payments. The Governmental Unit may, in its sole discretion, but without obligation and subject to the Constitution of the State,

governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to defray any insufficiency of Pledged Revenues to pay Loan Agreement Payments; provided, however, the Governmental Unit has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

ARTICLE VI THE PROJECT

Section 6.1 Agreement to Acquire and Complete the Project. The Governmental Unit hereby agrees that in order to effectuate the purposes of this Loan Agreement and to effectuate the acquisition and completion of the Project, it shall make, execute, acknowledge and transmit any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and, in general do all things which may be requisite or proper to acquire and complete the Project.

The Governmental Unit agrees to acquire and complete the Project through the application of moneys to be disbursed by the Finance Authority pursuant to Section 6.2 of this Loan Agreement.

Section 6.2 Disbursements. So long as no Event of Default shall occur and the requirements of Section 4.2 are satisfied, the Finance Authority or its designee shall disburse moneys to pay a requisition upon receipt and approval by the Finance Authority or its designee of a requisition substantially in the form of Exhibit "C" attached hereto signed by an Authorized Officer of the Governmental Unit, with required supporting documentation.

Section 6.3 Completion of the Acquisition of the Project. Upon completion of the acquisition of the Project, which shall occur no later than two (2) years after the Closing Date, unless a later date is approved as provided in Section 4.1(b) of this Agreement, an Authorized Officer of the Governmental Unit shall deliver a certificate to the Finance Authority, substantially in the form of Exhibit "D" attached hereto, stating that, to his or her knowledge, the acquisition of the Project has been completed and the Project has been accepted by the Governmental Unit, and all costs have been paid, except for any reimbursements requested pursuant to requisitions submitted prior to the end of the Interim Period. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

Section 6.4 Unrequisitioned Amounts. In the event that, (1) at the time of the delivery of the certificate of completion required by Section 6.3 hereof, there remains an Unrequisitioned Principal Amount, or (2) the Finance Authority shall not have received a Final Requisition, by the date that is twenty seven (27) months from the Closing Date, unless an extension is approved pursuant to Section 4.1(b) of this Loan Agreement, then the Governmental Unit shall have no right or title to the Unrequisitioned Principal Amount, nor any right to pledge, encumber or draw upon such Unrequisitioned Principal Amount, and the Finance Authority will not approve, honor, or enforce any requisition upon such Unrequisitioned Principal Amount pursuant to this Loan Agreement.

**ARTICLE VII
COMPLIANCE WITH LAWS
AND RULES; OTHER COVENANTS**

Section 7.1 Further Assurances and Corrective Instruments. The Finance Authority and the Governmental Unit agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues, or for otherwise carrying out the intention hereof. Authorized Officers are authorized to execute, acknowledge and deliver any such supplements and further instruments.

Section 7.2 Finance Authority and Governmental Unit Representatives. Whenever under the provisions hereof the approval of the Finance Authority or the Governmental Unit is required, or the Governmental Unit or the Finance Authority is required to take some action at the request of the other, such approval or such request shall be given for the Finance Authority or for the Governmental Unit by an Authorized Officer of the Finance Authority or the Governmental Unit, as the case may be, and any party hereto shall be authorized to rely and act on any such approval or request.

Section 7.3 Compliance with Court Orders. During the Loan Agreement Term, the Governmental Unit and the Finance Authority shall observe and comply promptly with all current and future orders of all courts having jurisdiction over the parties hereto, the Project or the Pledged Revenues.

(a) For all contracts, the Governmental Unit shall comply with the New Mexico Procurement Code, NMSA 1978, §§ 13-1-28 through 13-1-199, as amended, or its local procurement ordinances and regulations, as applicable.

(b) For all construction contracts awarded in excess of \$10,000, the Governmental Unit shall comply with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 12, 1967, and as supplemented in Department of Labor regulations (41 C.F.R. chapters 40 and 60). In addition, for all contracts, the Contractor shall comply with all applicable State laws and regulations and with all executive orders of the Governor of the State pertaining to protection of the environment.

(i) For all contracts, the Governmental Unit shall comply with the requirements of Executive Order dated September 25, 2012 on Strengthening Protections Against Trafficking in Persons in Federal Contracts.

(j) For all contracts, the Governmental Unit shall comply with all federal requirements applicable to the Loan (including those imposed by P.L. 113-76, 2014 Consolidated Appropriations Act, Section 436 and related SRF Policy Guidelines) which the Governmental Unit understands includes, among other, requirements that all of the iron and steel products used in the Project are to be produced in the United States ("American Iron and Steel Requirement") unless (i) the Governmental Unit has requested and obtained a waiver from the Finance Authority pertaining to the Project or (ii) the Finance Authority has otherwise advised the Governmental Unit in writing that the American Iron and Steel Requirement is not applicable to the Project.

(k) For all contracts, the Governmental Unit shall comply with all record keeping and reporting requirements under the Clean Water Act/Safe Drinking Water Act, including any reports required by a Federal agency or the Finance Authority such as performance indicators of program deliverables, information on costs and project progress. The Governmental Unit understands that (i) each contract and subcontract related to the Project is subject to audit by appropriate federal and state entities and (ii) failure to comply with the Clean Water Act/Safe Drinking Water Act and this Agreement may be a default under this Agreement.

(l) For all contracts, the Governmental Unit shall comply with Executive Order 12549 – Debarment and Suspension and all rules, regulations and guidelines issued pursuant to

Executive Order 12549, including compliance with the requirement that each prospective participant in transactions related to the Loan execute a written certification that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in transactions related to the Loan.

All contracts and subcontracts for the Project shall include in any contract in excess of \$2,000 the contract clauses set out in the EPA publication entitled “Wage Rate Requirements Under the Clean Water Act, Section 513 and the Safe Drinking Water Act Section 1450(e).”

(n) The Governmental Unit shall comply with the requirement of the June 3, 2015 Guidelines for Enhancing Public Awareness of SRF Assistance Agreements issued by the United States Environmental Protection Agency relating to signage, posters, advertisements, website or press releases indicating that financial assistance was received from the EPA for the Project.

(o) The Governmental Unit acknowledges that it is subject to the terms of the Environmental Protection Agency Memorandum titled “Prohibition on Certain Telecommunication and Video Surveillance Services or Equipment in the SRF Programs” dated December 11, 2020. The Governmental Unit shall comply with 2 CFR 200.216 and Section 889 of Public Law 115-232 and shall not use Loan or Subsidy funds to obtain or enter into a contract to obtain covered telecommunications equipment produced or provided by companies listed in the System for Award Management exclusion list at SAM.gov. The exclusion list includes, but is not limited to, Huawei Technologies Company or ZTE Corporation, or any subsidiary or affiliate of such entities.

The Finance Authority or its designee shall have the right to review all contracts, work orders and other documentation related to the Project that it deems necessary to assure compliance with applicable laws, rules and regulations, and may conduct such review as it deems appropriate prior to disbursing funds for payment of an Approved Requisition.

Section 7.5 Lien Status. The Loan Agreement Payments constitute an irrevocable lien (but not necessarily an exclusive lien) upon the Pledged Revenues. The Governmental Unit covenants that the Loan Agreement Payments and any Parity Obligations herein authorized to be issued and from time to time outstanding shall be equitably and ratably secured by a lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues regardless of the time or times of the issuance of such obligations, it being the intention of the Governmental Unit that there shall be no priority between the Loan Agreement Payments and any such Parity Obligations regardless of the fact that they may be actually issued and delivered at different times.

Section 7.6 Expeditious Completion. The Governmental Unit shall complete the Project with all practical dispatch.

**ARTICLE VIII
PREPAYMENT OF LOAN AGREEMENT PAYMENTS**

The Governmental Unit is hereby granted the option to prepay the Principal Component of this Loan Agreement in whole or in part on any day without penalty or prepayment premium, beginning one (1) year after the Closing Date. The Governmental Unit may designate the due date or due dates of the Principal Component or portions thereof being prepaid in the event of a partial prepayment. Any such prepayment shall include accrued interest to the redemption date of the corresponding Bonds to be redeemed, if any, and notice of intent to make such prepayment shall be provided to the Finance Authority or its designee by the Governmental Unit no less than forty-five (45) days prior to the prepayment date. The Finance Authority or its designee shall recalculate the Loan Agreement Payments due under this Loan Agreement in the event of a partial prepayment in a manner which is consistent with the manner in which the Bonds, if any, are prepaid.

**ARTICLE IX
INDEMNIFICATION**

From and to the extent of the Pledged Revenues and to the extent permitted by law, the Governmental Unit shall and hereby agrees to indemnify and save the Finance Authority and its designee, if any, harmless against and from all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition or operation of the Project during the Loan Agreement Term, from: (i) any act of negligence of the Governmental Unit or breach of any covenant or warranty by the Governmental Unit hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition or operation of the Project in excess of the Loan Agreement proceeds and interest on the investment of the Loan Agreement proceeds. The Governmental Unit shall indemnify and save the Finance Authority and its designee, if any, harmless, from and to the extent of the available Pledged Revenues and to the extent permitted by law, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Finance Authority or its designee, shall defend the Finance Authority or its designee, if any, in any such action or proceeding.

**ARTICLE X
EVENTS OF DEFAULT AND REMEDIES**

Section 10.1 Events of Default Defined. Any one of the following shall be an Event of Default under this Loan Agreement:

- (a) Failure by the Governmental Unit to pay any amount required to be paid under this Loan Agreement on the date on which it is due and payable; or
- (b) Failure by the Governmental Unit to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in paragraph (a), for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Governmental Unit by the Finance Authority or its designee, if any, unless the Finance Authority or its designee, as applicable, shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental

to the rights of the Finance Authority or its designee but cannot be cured within the applicable thirty (30) day period, the Finance Authority or its designee will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the Governmental Unit within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of force majeure the Governmental Unit is unable to carry out the agreements on its part herein contained, the Governmental Unit shall not be deemed in default under this paragraph (b) during the continuance of such inability (but force majeure shall not excuse any other Event of Default); or

(c) Any warranty, representation or other statement by or on behalf of the Governmental Unit contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement is false or misleading in any material respect; or

(d) A petition is filed against the Governmental Unit under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within thirty (30) days after such filing, but the Finance Authority shall have the right to intervene in the proceedings to protect the Finance Authority's interests; or

(e) The Governmental Unit files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or,

(f) The Governmental Unit admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Governmental Unit for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the Finance Authority shall have the right to intervene in the proceedings to protect its interests.

Section 10.2 Remedies on Default. Whenever any Event of Default has occurred and is continuing and subject to Section 10.3 hereof, the Finance Authority may take any or all of the following actions as may appear necessary or desirable to collect the payments then due and to become due or to enforce performance of any agreement of the Governmental Unit in this Loan Agreement:

(a) By mandamus or other action or proceeding or suit at law or in equity to enforce the rights of the Finance Authority under this Loan Agreement against the Governmental Unit, and compel the Governmental Unit to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein; or

(b) By suit in equity enjoin any acts or things which are unlawful or violate the rights of the Finance Authority; or

(c) Intervene in judicial proceedings that affect this Loan Agreement or the Pledged Revenues; or

(d) Cause the Governmental Unit to account as if it were the trustee of an express trust for all of the Pledged Revenues and Aggregate Disbursements (except the Expense Fund Component); or,

(e) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Loan Agreement or enforce any other of its rights thereunder.

Section 10.3 Limitations on Remedies. A judgment requiring a payment of money entered against the Governmental Unit may reach only the available Pledged Revenues.

Section 10.4 No Remedy Exclusive. Subject to Section 10.3 of this Loan Agreement, no remedy herein conferred upon or reserved to the Finance Authority is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Finance Authority to exercise any remedy reserved in this Article X, it shall not be necessary to give any notice, other than such notice as may be required in this Article X.

Section 10.5 Waivers of Events of Default. The Finance Authority may in its discretion waive any Event of Default hereunder and the consequences of an Event of Default by written waiver; provided, however, that there shall not be waived (i) any Event of Default in the payment of principal of this Loan Agreement at the date when due as specified in this Loan Agreement, or (ii) any default in the payment when due of the interest on this Loan Agreement, unless prior to such waiver or rescission, all arrears of interest, with interest at the rate borne by this Loan Agreement on all arrears of payment of principal and all expenses of the Finance Authority, in connection with such Event of Default shall have been paid or provided. Such waiver shall be effective only if made by written statement of waiver issued by the Finance Authority. In case of any such waiver or rescission, or in case any proceeding taken by the Finance Authority on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the Finance Authority shall be restored to its former position and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.7 Agreement to Pay Attorneys' Fees and Expenses Related to Defaults. In the event that the Governmental Unit should default under any of the provisions hereof and the Finance Authority employs attorneys or incurs other expenses for the collection of payments

hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Governmental Unit contained in this Loan Agreement, the Governmental Unit agrees that it shall on demand therefor pay to the Finance Authority the fees of such attorneys and such other expenses so incurred, to the extent that such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Governmental Unit under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues.
