From Alarid, James <james.alarid@lacnm.us>

To Lujan, Desirae J. <desiraej.lujan@lacnm.us>; Valdez, Danyelle <danyelle.valdez@lacnm.us>

Desirae and Danyelle,

We have performed a detailed inspection of the sewer alignment and the shed. We found the sewer line is only below the shed in one corner. The conflict is minor and we will be able to maintain the sewer with the shed in place. We recommend approval of the variance with no conditions.

Sincerely,

James Alarid
