This message is to express my interest in serving on the Board of Registration. I have done this before, quite a few years ago, and have also served on canvassing committees. I have had a long-held interest in participating in things such as this as part of my patriotic duty. I understand that should I be selected I cannot serve as a poll worker unless I resign from the board. I have no intention of being a poll worker at least during this year.

I appreciate your consideration. I will be out of town for several weeks beginning June 24.

Sincerely,  
Kyle T. Wheeler

I have served on this board twice previously. While it is a minor service, it's important that the process of maintaining the voter rolls be overseen by members of the public.

Hi Kelly;

It's Greg White

I will seek reappointment for the Board of Registration.

My address is: 600 San Ildefonso Rd Apt 225

Los Alamos, NM 87544

As a non MAGA conservative Republican I hope to continue being able to verify to my fellow Republicans that our voter roles only have legitimate voters and our elections are fair and square. I trust elections here and elsewhere and hope for the days of a decade ago when elections were not questioned and were trusted.

Thank you for considering me,  
Greg

Mrs. Matteson,

Having spent a couple of years on the Board of Registration, serving as both member and Chair, I would like to be considered to continue serving on the Board.

I believe Los Alamos has an excellent reputation for administering general elections and related voter records. Given the importance of fair and accessible election processes, it is a pleasure to review the records and attest to the accuracy of our elections and procedures including reports filed with the state. The County Clerk office is also a pleasure to work with.

Below is my contact information. Please consider allowing me to continue to serve the County in this capacity.
