

General Information

All County Board and Commission members must be residents of Los Alamos County. Lodgers' Tax Advisory Board members, except the at-large community member, do not need to be residents if they are employed/represent an attraction or hotel.

Once a resident fills out and submits this application, an interview is scheduled with the B&C's County Council liaison, the relevant staff liaison, and the B&C Chair. After the interviews, the applicants' names are presented to the full Council during a regularly scheduled Council meeting, where a vote is taken regarding the appointment of each applicant. Each applicant will be notified if they are appointed or not.

Only on-line applications will be considered.

If you are interested in applying for Labor Relations Board, please contact Mary Tapia at 505-662-8040.

Why would you like to serve on this particular Board or Commission?

Besides my general interest in health, I view health care and the level of health within the community is an economic driver and quality of life issue. What would you like to accomplish during your tenure on this Board or Commission? (Please identify any special interests you have that led you to become interested in serving on this Board or Commission.)

Help create a 'roadmap' to successful health - body/mind/spirit - for the community. Quality health should be a reason to live here - for all generations.

Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.

No

What volunteer or professional activities have you participated in that could apply to this appointment?

being part of the University's team to design and develop a Master's Degree in Sustainability taught me the value of systems, connections, circular thinking, strategic design, and collaboration. It always takes a village - no matter the task at hand.

The time involved may be 10-15 hours per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?

Yes,

Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?

Not that I am aware of.
